THE SIBYL'S CURE.

For love—be you
sure
There is but one
cure.

Yourself, then,
resign
To marry, or pine!

This grave
operation
Requires
consultation.

The Sugar and
Spice
Will make the
cure nice.

The pain in the
heart
Will quickly
depart.

I'd fain say the
same
Of every pain

That ruffles the
temper
Or maddens the
brain;

That makes the
eye dim
Or cripples a
limb;

That mars all
your beauty,
And pleasure and
duty.

Why this should
be so
Is a puzzle to
know.

If you take my
advice,
You'll be well in
a thrice.

Away with your
lotions,
And villainous
potions—

And, if you have
sense,
Spend a very few
pence

To make your ills
fewer
With "Wells'
Health
Renewer."

LEAVES OF DESTINY.

DIRECTIONS FOR CONSULTING THE SIBYL:—

Draw for a number from slips
numbered from 1 to 100, and see
corresponding number in Leaves of
Destiny.

1. You'll meet this
 year on
 Brighton
 Strand,
 One destined for
 your heart and
 hand.
2. Choose one—if
 you are
 shrewd,
 No safety lies in
 multitude.
3. Endless flirtation
 Doth seem your
 vocation.
4. Bracing air and
 embracing
 arms,
 Give Coney
 Island especial
 charms.
5. Young or Old?
 Love or Gold?
 Hot or Cold?

BASE BALL SEASON.

A man in Chester county, Pa., has paid \$125 and costs of prosecution for thrashing a lawyer in his office, but he says the amusement was worth every cent of it.

A malicious story is afloat to the effect that a Meriden girl went back on her lover because he was so bow-legged she could not sit on his lap.

Emma Abbott carries a dagger on the stage that is worth \$16,500. This dagger on the stage is exceeded only by the lie off the stage.

It is said that figures won't lie; but the figures of some women are very deceptive, to say the least.

NOT SOLD.

Given or Sold?
Toss odd or even
—you'll be
told.

cometh from
New York,
With heart and
purse as light
as cork.

and cold
disdain,
Or you'll too long
a maid remain.

But—"Choose

"THE FINISH."—JEROME PARK.

When a man dies suddenly "without the aid of a physician," as an Irishman once said, the coroner must be called in. If a man dies regularly after being treated by a doctor, everybody knows why he died, and the coroner's inquest is not necessary.

We have just received a sample copy of a new song, entitled "Put your arms around me, dear." Any lady who desires to try it, can do so by calling at our office after business hours—we mean the song.

"Union is not always strength," as Sir Charles Napier said, when he saw the purser mixing his rum and water.

That you will

This year a lover
will with pride,
Watch thee
sporting in the
tide.

Drawing Lesson No. 5.

you'll forsake
worldly
notions,
Drink nothing but
tea and attend
your devotions.

14. A heart and
fortune you
will gain,
In this summer's
grand
campaign.

15. Before you go too
far,
Be sure there's
not another
side,
The brighter side
to mar.

16. A life both long
and wisely
spent,
With children to
your heart's
content.

17. Happy when
single, but not
content,
You'll marry in
haste and soon
repent.

“THE ASCENT.”—CATSKILLS.

They say when Bismarck greeted Grant, he smiled one of those fatherland grins, held out his hand and exclaimed: “Vegates, sheneral? I vas overcome mit gladness by myself to see you; sit mit yourself down. Adolph, two beers, right away, quick, so helup you gracious!”

“What I’d like to know,” said a schoolboy, “Is how the mouths of rivers can be so much larger than their heads.” The boy has evidently not yet seen much of our congressmen.

18. Lovers and books
romantic—
Music of the
grand Atlantic
—
This year will
make you
nearly frantic.

Drawing Lesson No. 7.

ALL this trouble might have been avoided by the use of one FIFTEEN CENT
Box of **"ROUGH ON RATS."**

Clears out Rats, Mice, Flies, Bed-Bugs, Ants, Roaches, Mosquitoes, &c.

The supper
was laid on
a table trim
When out
comes,
roaring, my
young son,
Jim,
“Oh! daddy,
the rats! A
dozen or
two,
Are gobbling
the supper,
and baby
too.”
My wife,
with a
scream,
seized iron
and broom,
I clutched a
bottle, and
made for
the room.
Never was
heard such
a
hullabaloo!
It woke up
the cat, and
terrier too.
The terrier
thought we
were
hunting the
cat,
Got a grip of
her tail, as
she went
for the rat.

Jim, with his
hatchet,
tumbled
over a pail,
And tried to
hold terrier
back by the
tail.
I caught Jim
by the
wool, but
rather too
late—
The table
received
such a
bump from
his pate
That teapot,
plates,
lamp,
chairs,
baby and
all,
Were upset
on the
floor, 'mid
crash and
squall.
The people
about
shouted
“Murder!
Fire!”
And the
Police
rushed in
the cause
to inquire;
They'd listen
to nothing
we wanted
to state,
But to the
next station
lugged me
off straight.

Swore I was
drunk—
nearly
murdered
my wife,
And of my
poor infant
endangered
the life,
Broke tables,
chairs, and
the
crockery
ware;
When the
Justice
said,
“What a
savage old
bear,”
Not heeding a
word my
poor wife
did swear.
Imprisoned
and fined, I
cursed my
sad fate,
When lately I
learned,
but rather
too late,
Instead of
depending
on traps,
dogs or
cats,
My only
protection
was
“**Rough on
Rats.**”

FALSE MODESTY.

Every one of ordinary intelligence knows that Kidney Disease, Affections of the Bladder and Urinary Complaints, are as legitimate and common to both sexes (all classes of society), as those involving any other portion of the economy. Therefore, a remedy possessing unprecedented virtues in treatment of these diseases should have a respectful hearing. If afflicted, you will have reason to rejoice over the day you commenced the use of PROF. CHAPIN'S BUCHU-PAIBA (see other pages). \$1.00 per bottle, at Druggists. John Smith was born, baptised, arrested, shot, buried, married and sentenced to the penitentiary for life, all in one week, recently, in Omaha. This did not prevent his having his tooth pulled, and stopping his paper on the following Monday, either.

Nervousness is the sense of feebleness, or lack of stability of the nervous system as distinguished from the rest of the body. The number of those in the middle or higher classes of society who, without being ever actually sick, never know what full, rejoicing health really is—who live constantly in a lower plane of being than is normal in man, who are weak all over, though not specially and constantly weak in any one organ, and who, though they may never experience piercing and grinding pain, yet suffer at times, if not always, that profound exhaustion which in many respects is far worse than pain—is very large, and is or has been apparently increasing.

*** END OF THE PROJECT GUTENBERG EBOOK THE SEASIDE
SIBYL; OR LEAVES OF DESTINY: A FORTUNE TELLER IN VERSE

Updated editions will replace the previous one—the old editions will be renamed.

Creating the works from print editions not protected by U.S. copyright law means that no one owns a United States copyright in these works, so the Foundation (and you!) can copy and distribute it in the United States without permission and without paying copyright royalties. Special rules, set forth in the General Terms of Use part of this license, apply to copying and distributing Project Gutenberg™ electronic works to protect the PROJECT GUTENBERG™ concept and trademark. Project Gutenberg is a registered trademark, and may not be used if you charge for an eBook, except by following the terms of the trademark license, including paying royalties for use of the Project Gutenberg trademark. If you do not charge anything for copies of this eBook, complying with the trademark license is very easy. You may use this eBook for nearly any purpose such as creation of derivative works, reports, performances and research. Project Gutenberg eBooks may be modified and printed and given away—you may do practically ANYTHING in the United States with eBooks not protected by U.S. copyright law. Redistribution is subject to the trademark license, especially commercial redistribution.

START: FULL LICENSE

THE FULL PROJECT GUTENBERG™ LICENSE

PLEASE READ THIS BEFORE YOU DISTRIBUTE OR USE THIS WORK

To protect the Project Gutenberg™ mission of promoting the free distribution of electronic works, by using or distributing this work (or any other work associated in any way with the phrase “Project Gutenberg”), you agree to comply with all the terms of the Full Project Gutenberg License available with this file or online at www.gutenberg.org/license.

Section 1. General Terms of Use and Redistributing Project Gutenberg electronic works

1.A. By reading or using any part of this Project Gutenberg electronic work, you indicate that you have read, understand, agree to and accept all the terms of this license and intellectual property (trademark/copyright) agreement. If you do not agree to abide by all the terms of this agreement, you must cease using and return or destroy all copies of Project Gutenberg electronic works in your possession. If you paid a fee for obtaining a copy of or access to a Project Gutenberg electronic work and you do not agree to be bound by the terms of this agreement, you may obtain a refund from the person or entity to whom you paid the fee as set forth in paragraph 1.E.8.

1.B. “Project Gutenberg” is a registered trademark. It may only be used on or associated in any way with an electronic work by people who agree to be bound by the terms of this agreement. There are a few things that you can do with most Project Gutenberg electronic works even without complying with the full terms of this agreement. See paragraph 1.C below. There are a lot of things you can do with Project Gutenberg electronic works if you follow the terms of this agreement and help preserve free future access to Project Gutenberg electronic works. See paragraph 1.E below.

1.C. The Project Gutenberg Literary Archive Foundation (“the Foundation” or PGLAF), owns a compilation copyright in the

collection of Project Gutenberg electronic works. Nearly all the individual works in the collection are in the public domain in the United States. If an individual work is unprotected by copyright law in the United States and you are located in the United States, we do not claim a right to prevent you from copying, distributing, performing, displaying or creating derivative works based on the work as long as all references to Project Gutenberg are removed. Of course, we hope that you will support the Project Gutenberg mission of promoting free access to electronic works by freely sharing Project Gutenberg works in compliance with the terms of this agreement for keeping the Project Gutenberg name associated with the work. You can easily comply with the terms of this agreement by keeping this work in the same format with its attached full Project Gutenberg License when you share it without charge with others.

1.D. The copyright laws of the place where you are located also govern what you can do with this work. Copyright laws in most countries are in a constant state of change. If you are outside the United States, check the laws of your country in addition to the terms of this agreement before downloading, copying, displaying, performing, distributing or creating derivative works based on this work or any other Project Gutenberg work. The Foundation makes no representations concerning the copyright status of any work in any country other than the United States.

1.E. Unless you have removed all references to Project Gutenberg:

1.E.1. The following sentence, with active links to, or other immediate access to, the full Project Gutenberg License must appear prominently whenever any copy of a Project Gutenberg work (any work on which the phrase “Project Gutenberg” appears, or with which the phrase “Project Gutenberg” is associated) is accessed, displayed, performed, viewed, copied or distributed:

This eBook is for the use of anyone anywhere in the United States and most other parts of the world at no cost and with almost no restrictions whatsoever. You may copy it, give it away or re-use it under the terms of the Project Gutenberg™ License included with

this eBook or online at www.gutenberg.org. If you are not located in the United States, you will have to check the laws of the country where you are located before using this eBook.

1.E.2. If an individual Project Gutenberg electronic work is derived from texts not protected by U.S. copyright law (does not contain a notice indicating that it is posted with permission of the copyright holder), the work can be copied and distributed to anyone in the United States without paying any fees or charges. If you are redistributing or providing access to a work with the phrase “Project Gutenberg” associated with or appearing on the work, you must comply either with the requirements of paragraphs 1.E.1 through 1.E.7 or obtain permission for the use of the work and the Project Gutenberg trademark as set forth in paragraphs 1.E.8 or 1.E.9.

1.E.3. If an individual Project Gutenberg electronic work is posted with the permission of the copyright holder, your use and distribution must comply with both paragraphs 1.E.1 through 1.E.7 and any additional terms imposed by the copyright holder. Additional terms will be linked to the Project Gutenberg License for all works posted with the permission of the copyright holder found at the beginning of this work.

1.E.4. Do not unlink or detach or remove the full Project Gutenberg License terms from this work, or any files containing a part of this work or any other work associated with Project Gutenberg.

1.E.5. Do not copy, display, perform, distribute or redistribute this electronic work, or any part of this electronic work, without prominently displaying the sentence set forth in paragraph 1.E.1 with active links or immediate access to the full terms of the Project Gutenberg License.

1.E.6. You may convert to and distribute this work in any binary, compressed, marked up, nonproprietary or proprietary form, including any word processing or hypertext form. However, if you provide access to or distribute copies of a Project Gutenberg work in a format other than “Plain Vanilla ASCII” or other format used in the official

version posted on the official Project Gutenberg website (www.gutenberg.org), you must, at no additional cost, fee or expense to the user, provide a copy, a means of exporting a copy, or a means of obtaining a copy upon request, of the work in its original “Plain Vanilla ASCII” or other form. Any alternate format must include the full Project Gutenberg License as specified in paragraph 1.E.1.

1.E.7. Do not charge a fee for access to, viewing, displaying, performing, copying or distributing any Project Gutenberg works unless you comply with paragraph 1.E.8 or 1.E.9.

1.E.8. You may charge a reasonable fee for copies of or providing access to or distributing Project Gutenberg electronic works provided that:

- You pay a royalty fee of 20% of the gross profits you derive from the use of Project Gutenberg works calculated using the method you already use to calculate your applicable taxes. The fee is owed to the owner of the Project Gutenberg trademark, but he has agreed to donate royalties under this paragraph to the Project Gutenberg Literary Archive Foundation. Royalty payments must be paid within 60 days following each date on which you prepare (or are legally required to prepare) your periodic tax returns. Royalty payments should be clearly marked as such and sent to the Project Gutenberg Literary Archive Foundation at the address specified in Section 4, “Information about donations to the Project Gutenberg Literary Archive Foundation.”
- You provide a full refund of any money paid by a user who notifies you in writing (or by e-mail) within 30 days of receipt that s/he does not agree to the terms of the full Project Gutenberg™ License. You must require such a user to return or destroy all copies of the works possessed in a physical medium and discontinue all use of and all access to other copies of Project Gutenberg™ works.
- You provide, in accordance with paragraph 1.F.3, a full refund of any money paid for a work or a replacement copy, if a defect in the electronic work is discovered and reported to you within 90 days of receipt of the work.

- You comply with all other terms of this agreement for free distribution of Project Gutenberg™ works.

1.E.9. If you wish to charge a fee or distribute a Project Gutenberg™ electronic work or group of works on different terms than are set forth in this agreement, you must obtain permission in writing from the Project Gutenberg Literary Archive Foundation, the manager of the Project Gutenberg™ trademark. Contact the Foundation as set forth in Section 3 below.

1.F.

1.F.1. Project Gutenberg volunteers and employees expend considerable effort to identify, do copyright research on, transcribe and proofread works not protected by U.S. copyright law in creating the Project Gutenberg™ collection. Despite these efforts, Project Gutenberg™ electronic works, and the medium on which they may be stored, may contain “Defects,” such as, but not limited to, incomplete, inaccurate or corrupt data, transcription errors, a copyright or other intellectual property infringement, a defective or damaged disk or other medium, a computer virus, or computer codes that damage or cannot be read by your equipment.

1.F.2. LIMITED WARRANTY, DISCLAIMER OF DAMAGES - Except for the “Right of Replacement or Refund” described in paragraph 1.F.3, the Project Gutenberg Literary Archive Foundation, the owner of the Project Gutenberg™ trademark, and any other party distributing a Project Gutenberg™ electronic work under this agreement, disclaim all liability to you for damages, costs and expenses, including legal fees. YOU AGREE THAT YOU HAVE NO REMEDIES FOR NEGLIGENCE, STRICT LIABILITY, BREACH OF WARRANTY OR BREACH OF CONTRACT EXCEPT THOSE PROVIDED IN PARAGRAPH 1.F.3. YOU AGREE THAT THE FOUNDATION, THE TRADEMARK OWNER, AND ANY DISTRIBUTOR UNDER THIS AGREEMENT WILL NOT BE LIABLE TO YOU FOR ACTUAL, DIRECT, INDIRECT, CONSEQUENTIAL, PUNITIVE OR INCIDENTAL DAMAGES

EVEN IF YOU GIVE NOTICE OF THE POSSIBILITY OF SUCH DAMAGE.

1.F.3. LIMITED RIGHT OF REPLACEMENT OR REFUND - If you discover a defect in this electronic work within 90 days of receiving it, you can receive a refund of the money (if any) you paid for it by sending a written explanation to the person you received the work from. If you received the work on a physical medium, you must return the medium with your written explanation. The person or entity that provided you with the defective work may elect to provide a replacement copy in lieu of a refund. If you received the work electronically, the person or entity providing it to you may choose to give you a second opportunity to receive the work electronically in lieu of a refund. If the second copy is also defective, you may demand a refund in writing without further opportunities to fix the problem.

1.F.4. Except for the limited right of replacement or refund set forth in paragraph 1.F.3, this work is provided to you 'AS-IS', WITH NO OTHER WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PURPOSE.

1.F.5. Some states do not allow disclaimers of certain implied warranties or the exclusion or limitation of certain types of damages. If any disclaimer or limitation set forth in this agreement violates the law of the state applicable to this agreement, the agreement shall be interpreted to make the maximum disclaimer or limitation permitted by the applicable state law. The invalidity or unenforceability of any provision of this agreement shall not void the remaining provisions.

1.F.6. INDEMNITY - You agree to indemnify and hold the Foundation, the trademark owner, any agent or employee of the Foundation, anyone providing copies of Project Gutenberg™ electronic works in accordance with this agreement, and any volunteers associated with the production, promotion and distribution of Project Gutenberg™ electronic works, harmless from all liability, costs and expenses, including legal fees, that arise directly or indirectly from any of the following which you do or cause to occur: (a)

distribution of this or any Project Gutenberg work, (b) alteration, modification, or additions or deletions to any Project Gutenberg work, and (c) any Defect you cause.

Section 2. Information about the Mission of Project Gutenberg

Project Gutenberg is synonymous with the free distribution of electronic works in formats readable by the widest variety of computers including obsolete, old, middle-aged and new computers. It exists because of the efforts of hundreds of volunteers and donations from people in all walks of life.

Volunteers and financial support to provide volunteers with the assistance they need are critical to reaching Project Gutenberg's goals and ensuring that the Project Gutenberg collection will remain freely available for generations to come. In 2001, the Project Gutenberg Literary Archive Foundation was created to provide a secure and permanent future for Project Gutenberg and future generations. To learn more about the Project Gutenberg Literary Archive Foundation and how your efforts and donations can help, see Sections 3 and 4 and the Foundation information page at www.gutenberg.org.

Section 3. Information about the Project Gutenberg Literary Archive Foundation

The Project Gutenberg Literary Archive Foundation is a non-profit 501(c)(3) educational corporation organized under the laws of the state of Mississippi and granted tax exempt status by the Internal Revenue Service. The Foundation's EIN or federal tax identification number is 64-6221541. Contributions to the Project Gutenberg Literary Archive Foundation are tax deductible to the full extent permitted by U.S. federal laws and your state's laws.

The Foundation's business office is located at 41 Watchung Plaza #516, Montclair NJ 07042, USA, +1 (862) 621-9288. Email contact

links and up to date contact information can be found at the Foundation's website and official page at www.gutenberg.org/contact

Section 4. Information about Donations to the Project Gutenberg Literary Archive Foundation

Project Gutenberg™ depends upon and cannot survive without widespread public support and donations to carry out its mission of increasing the number of public domain and licensed works that can be freely distributed in machine-readable form accessible by the widest array of equipment including outdated equipment. Many small donations (\$1 to \$5,000) are particularly important to maintaining tax exempt status with the IRS.

The Foundation is committed to complying with the laws regulating charities and charitable donations in all 50 states of the United States. Compliance requirements are not uniform and it takes a considerable effort, much paperwork and many fees to meet and keep up with these requirements. We do not solicit donations in locations where we have not received written confirmation of compliance. To SEND DONATIONS or determine the status of compliance for any particular state visit www.gutenberg.org/donate.

While we cannot and do not solicit contributions from states where we have not met the solicitation requirements, we know of no prohibition against accepting unsolicited donations from donors in such states who approach us with offers to donate.

International donations are gratefully accepted, but we cannot make any statements concerning tax treatment of donations received from outside the United States. U.S. laws alone swamp our small staff.

Please check the Project Gutenberg web pages for current donation methods and addresses. Donations are accepted in a number of other ways including checks, online payments and credit card donations. To donate, please visit: www.gutenberg.org/donate.

Section 5. General Information About Project Gutenberg electronic works

Professor Michael S. Hart was the originator of the Project Gutenberg concept of a library of electronic works that could be freely shared with anyone. For forty years, he produced and distributed Project Gutenberg eBooks with only a loose network of volunteer support.

Project Gutenberg eBooks are often created from several printed editions, all of which are confirmed as not protected by copyright in the U.S. unless a copyright notice is included. Thus, we do not necessarily keep eBooks in compliance with any particular paper edition.

Most people start at our website which has the main PG search facility: www.gutenberg.org.

This website includes information about Project Gutenberg, including how to make donations to the Project Gutenberg Literary Archive Foundation, how to help produce our new eBooks, and how to subscribe to our email newsletter to hear about new eBooks.
