LET'S HAVE A PARTY

1

RED, WHITE AND BLUE

Guests are to write the names of different objects or facts that are associated with the colors red, white and blue. It might be specified that they write the names of red vegetables (beets, tomatoes, red cabbage, etc.), names of variations of the color white (off white, oyster white, blue white, etc.). For blue the guests can name all of the blue objects in the room in which they are sitting. The colors can be used for other listings such as blue flowers or white precious stones.

HEART ARCHERY

Draw a large 30 inch heart on cardboard. Make circles of diminishing size on heart to make target. The inner ring is labeled "heart smasher," the next to the center one is "lovers," next is "somewhat affectionate," then outside this is "indifferent to love," and the outside one is titled "woman or man hater." Guests are each given one try with toy bow and arrow or with darts. The circle that they hit will indicate the state of their heart.

PULLING HEART STRINGS

Cut hole in center of large red cardboard heart. Put long red strings through the hole and place heart on top of a screen or door with boys on one side and girls on the other. Have a string for each couple. Each boy takes one end of a string and each girl takes one of the strings on the other side of the

heart. Heart is pulled from top of the screen and after the strings are untangled, the partners for the next game are found.

BARNYARD EASTER EGG HUNT

Choose two sides, each captained by a child. Players hunt for Easter eggs but only the two leaders, the Hens, can touch them. When a girl finds an egg, she must cluck until the leader comes to pick up the egg. Boys will

crow when they find an egg. When they have all been found, each side counts eggs to gain the total. Each child in the group with the largest amount can be given a specially decorated egg or bunny for a prize. Of course, divide the eggs that have been found among the members of each team.

POTATO ROLL RELAY

Mark two four-inch circles 5 feet apart on the floor to designate the goals in the relay. Choose sides and give the leader of each side an irregularly shaped potato and a table knife. The players, in turn, must roll the potato from one circle to the other and back again with the aid of the knife. Judges can check to make sure that the potato is in the circle each time. As each player comes back to the starting point, he hands the knife to the next player and the relay goes on.

NOTHING BUT THE TRUTH

Guests sit in a circle. Each guest, in turn, asks each one of the other guests a question which must be answered truthfully. The answer may be yes or no, or the truth may be evaded, but an untruth cannot be told. Fines can be imposed upon those who might make a misstatement.

Section 2. Information about the Mission of Project Gutenberg

Project Gutenberg is synonymous with the free distribution of electronic works in formats readable by the widest variety of computers including obsolete, old, middle-aged and new computers. It exists because of the

efforts of hundreds of volunteers and donations from people in all walks of life.

Volunteers and financial support to provide volunteers with the assistance they need are critical to reaching Project Gutenberg's goals and ensuring that the Project Gutenberg collection will remain freely available for generations to come. In 2001, the Project Gutenberg Literary Archive Foundation was created to provide a secure and permanent future for Project Gutenberg and future generations. To learn more about the Project Gutenberg Literary Archive Foundation and how your efforts and donations can help, see Sections 3 and 4 and the Foundation information page at www.gutenberg.org.

Section 3. Information about the Project Gutenberg Literary Archive Foundation

The Project Gutenberg Literary Archive Foundation is a non-profit 501(c)(3) educational corporation organized under the laws of the state of Mississippi and granted tax exempt status by the Internal Revenue Service. The Foundation's EIN or federal tax identification number is 64-6221541. Contributions to the Project Gutenberg Literary Archive Foundation are tax deductible to the full extent permitted by U.S. federal laws and your state's laws.

The Foundation's business office is located at 41 Watchung Plaza #516, Montclair NJ 07042, USA, +1 (862) 621-9288. Email contact links and up to date contact information can be found at the Foundation's website and official page at www.gutenberg.org/contact

Section 4. Information about Donations to the Project Gutenberg Literary Archive Foundation

Project Gutenberg™ depends upon and cannot survive without widespread public support and donations to carry out its mission of increasing the number of public domain and licensed works that can be freely distributed in machine-readable form accessible by the widest array of equipment

including outdated equipment. Many small donations (\$1 to \$5,000) are particularly important to maintaining tax exempt status with the IRS.

The Foundation is committed to complying with the laws regulating charities and charitable donations in all 50 states of the United States. Compliance requirements are not uniform and it takes a considerable effort, much paperwork and many fees to meet and keep up with these requirements. We do not solicit donations in locations where we have not received written confirmation of compliance. To SEND DONATIONS or determine the status of compliance for any particular state visit www.gutenberg.org/donate.

While we cannot and do not solicit contributions from states where we have not met the solicitation requirements, we know of no prohibition against accepting unsolicited donations from donors in such states who approach us with offers to donate.

International donations are gratefully accepted, but we cannot make any statements concerning tax treatment of donations received from outside the United States. U.S. laws alone swamp our small staff.

Please check the Project Gutenberg web pages for current donation methods and addresses. Donations are accepted in a number of other ways including checks, online payments and credit card donations. To donate, please visit: www.gutenberg.org/donate.

Section 5. General Information About Project Gutenberg electronic works

Professor Michael S. Hart was the originator of the Project Gutenberg concept of a library of electronic works that could be freely shared with anyone. For forty years, he produced and distributed Project Gutenberg eBooks with only a loose network of volunteer support.

Project Gutenberg eBooks are often created from several printed editions, all of which are confirmed as not protected by copyright in the U.S. unless a

copyright notice is included. Thus, we do not necessarily keep eBooks in compliance with any particular paper edition.

Most people start at our website which has the main PG search facility:
www.gutenberg.org.

This website includes information about Project Gutenberg, including how to make donations to the Project Gutenberg Literary Archive Foundation, how to help produce our new eBooks, and how to subscribe to our email newsletter to hear about new eBooks.
