THE Alden Catalogue OF CHOICE BOOKS.

May 30, 1889.

Superseding all previous dates.

WATCH-WORDS of the REVOLUTION:

Give the best book for the least money possible.

1,000,000 books, profit 1 cent each—\$10,000, but 1,000 books, profit \$1.00 each—\$1,000 only.

Publish books, only, that DESERVE to sell—merit wins in the end.

To make \$1.00 and a friend is better than \$5.00 profit.

“Push things” and “Fight it out on this line.”—U. S. Grant.

TERMS, FREIGHT, POSTAGE, ETC.

Prices Include cost of prepaying transportation by mail or express, unless “at store” is specified. Formerly, prices were at store, always, cost of transportation being added. The change is one of convenience rather than of increase or of decrease, but on many books there is a substantial reduction in price.

Stockholders or **Bondholders** of the ALDEN PUBLISHING CO. are allowed a *reduction* from Catalogue prices of the amount indicated by the figures in parenthesis; for instance: Alden’s *Manifold Cyclopaedia*, per volume, cloth 60c. (20c.) means 40 cents net to Stockholders. To avoid possible misunderstanding, orders at ***Stockholders’ prices*** must invariably be accompanied by remittance, and by *Coupon* or a *Certificate* which is supplied to Stockholders for that purpose. Terms for Stock will be found

elsewhere under the head of “Co-operative Publishing;” terms for Bonds will be seen by copy of the Bond itself elsewhere printed.

Co-operative Publishing.

THE ALDEN PUBLISHING CO. was organized June 1888 with a view, on the part of its promoters, to consolidating and strengthening various interests which had previously been allied, but independent, and of introducing to the fullest practicable extent the principle of *co-operation* for the *benefit of buyers* of books. The amount of capital paid up Feb. 4, 1889, was \$61,167.00. A dividend of *five per cent.* was paid Dec. 20, 1888. The business is recently growing very rapidly, and the prospects are extremely encouraging.

The Alden Publishing Co.

The Company was incorporated June, 1888; authorized capital \$500,000: shares \$1.00 each. The capital stock of the Company is sold at par for cash, in lots of not less than five shares, and is *NOT* assessible, and there is absolutely no liability to stockholders whose shares are fully paid for, under any circumstances, other than the liability for salaries of employes, which is common to, we believe, all of the States, and is practically no liability, salaries being paid weekly or fortnightly.

All dividends will be paid *in cash*, but each Stockholder will be allowed the privilege of taking instead of cash any books sold by the Company to the amount of the dividend, at special reduced prices to stockholders, which makes the dividend *equivalent to about 16 per cent.* *Prices to Stockholders* are the regular prices *reduced* by the amount indicated by the figures in parenthesis immediately following the Catalogue price.

Stockholders have the privilege of purchasing at any time any books sold by the Company at a small advance upon the cost, this privilege being limited in amount to a sum not exceeding, in any one year, the par value of the Stock owned by the purchaser. For prices to stockholders, see catalogue.

Some limitation is, obviously, necessary; otherwise any one at enmity with the enterprise, might, on an investment of \$10.00, purchase an unlimited quantity of books at reduced prices, and undersell us with our own customers. The privilege is open to Stockholders immediately upon investment being made.

What lover of good books can not afford to take at least *ten shares*? How many friends might, with advantage, take a hundred, or more shares? A million dollars capital would not suffice to manufacture the books our patrons are urgently calling for: we are doing now an immense business for the amount of our capital, which business will be increased as our resources are enlarged.

76 Per Cent. Annual Dividends!

The Literary Revolution has never assumed to furnish books at a price below what would permit a fair profit, nor has it ever solicited investments on the basis of expectation of fabulous returns. The facts are simple, and the opportunities offered are based on common sense. If you invest \$10.00 you have reasonable expectation of not less than 10 per cent. annual dividend, but as a Stockholder you also have the opportunity of purchasing with your dividend books at a price below what they would cost one *NOT* a Stockholder—that makes your dividend equal to about *16 per cent.* Again, you, as a Stockholder, are allowed the opportunity of purchasing, *if you want them*, during each year, books at *special prices* to an amount not greater than the par value of your Stock which, as will be seen from the list of prices to Stockholders, average (on our own publications) about *40 per cent.* below what the same books would cost one not a Stockholder. In other words, you can buy \$16.00 worth of books for about \$10.00, thus saving \$6.00, which is equal to 60 per cent. on your \$10.00 stock, which, added to 16 per cent. dividend, makes practically *76 per cent.* per annum on your investment. If you own \$100.00 or more Stock you have similar privileges

to the larger amount—if you don't want so many books for your own use you can accommodate your friends or you can sell the books at a profit.

Literary Revolution Savings-Bonds.

To meet the convenience of friends of the enterprise who hesitate to make an investment of a character so permanent as in the Capital Stock of the Company, a *Savings-Bond* is now issued, payable three months, six months or twelve months from its date, which affords every facility given by the ownership of Stock, but pays approximately *60 per cent.* per annum, instead of 76 per cent. A copy of the Bond, elsewhere, gives full particulars.

"No student of literature can afford to be without this work; and to subscribe for it at once, and study each volume as it comes out, is the best way for those who have not much time or money at their disposal. There is really no reason why the lover of the best literature should not read this excellent selection steadily through from the first page to the last."—*National Baptist*, Philadelphia.

"I have received thirteen volumes of Alden's Cyclopedia of Literature, and am more than satisfied with them. I think the same amount of equally well digested information could not have been brought to my shelves from other sources for double the cost of these volumes. Both their manner and matter are excellent."—H. H. McINTIRE, West Randolph, Vt.

“We hail with pleasure every new volume of this most unique and interesting work.”—*Farm, Field and Stockman*, Chicago, Ill.

“I have received volumes XII. and XIII. of the Cyclopedia of Universal Literature, and am more and more surprised at the cheapness and thoroughness of the work. When completed, I do not think there will be its equal in the language.”—MRS. LOIS J. CAMPBELL, Fairfield, Pa.

“Evidently Prof. Hutson is an accomplished scholar and a thorough master of the subject of which he writes. His book is as fresh and bright and interesting as a novel.”—*News*, Charleston, S. C.

“A short history of French literature, clear, comprehensive, well arranged, extending from its beginnings to the present time; the interest is enhanced by the personality with which the author invests the individual writers, and by the well-chosen quotations (translated) with which he sustains his own opinions.”—*Christian Leader*, Cincinnati, Ohio.

“A handsome manual by Professor C. W. Hutson, author of ‘The Beginnings of Civilization.’ It is marked by the same scholarly spirit as was there shown. It covers the last 900 years in its view. The troubadours, the fables and the chronicles, the Renaissance ages, the great satirists, dramatists, essayists, encyclopedists, the scientific writers, the philosophers, the critics and the poets, men and women, from Moliere to de Stael, and even the translated French literature of Louisiana—all are generously though compactly treated.”—*Brooklyn Daily Eagle*, Brooklyn, N. Y.

“The work is exceedingly interesting, and gives a very faithful illustration of French thought as set forth in the general literature of the people. One cannot read the work without securing a fair and most pleasant acquaintance with the eminent men and women who have given to France a literature second to none, in many respects, of any nation. The author shows himself both an admirer of French thought and thoroughly conversant with it.”—*Herald of Gospel Liberty*, Dayton, Ohio.

Alden’s “New” Ideal Book Case.

Alden’s Ideal Revolving Book-Case, No. 3. Has four shelves, adjustable, giving 136 inches of shelf room; size of case, 19 inches wide, 12 inches deep, 40 inches high, or four feet, including the base, Is made of perfectly kiln-dried cherry birch, with birds-eye maple panels; hand carved; built on ingenious but simple interlocking principles, doing away, mainly, with screws, nails or glue; may be knocked down and set up again in five minutes; price **\$10.00** at store.

No. 4, similar to No. 3, but without the birds-eye panels, and “solid” instead of “knock down;” price **\$8.00** at store.

Alden’s “New” Ideal Revolving Book Case, above described, ready May 1, 1889, is a great improvement upon the styles heretofore sold. The new is supported from the top instead of at the base, as formerly, thus standing firmer and revolving more freely; the “knock-down” feature of No. 3 is a triumph of mechanical ingenuity; the workmanship and the material used, in both styles, are a great advance on those formerly sold—this is high praise, indeed, considering the delightful satisfaction the book cases have given in the past, but our patrons will find our estimate just; this, we think, comes very near to being a “perfect” book case!

A Grand Old Roman.

“This is a wonderfully interesting book. The ancient stoical philosophy receives, in this great and gentle-minded Roman Emperor, its noblest expression.”—*Advance*, Chicago.

—**Pearls of the Faith**, by Edwin Arnold, cloth, **25c.** (6c)

“No man, since the days of Sir William Jones, has so deeply drunk at the founts of Indian learning, or so well interpreted its meaning to the Occidental mind as has Edwin Arnold. The ‘Pearls of the Faith,’ contains some of the finest poetry, in thought and expression, of recent times.”—*Methodist Magazine*, Toronto.

Bacon's Essays. With notes of Devey. Elzevir Ed., cloth, **30c.** (10c)

“If Bacon first discovered the rules by which knowledge is improved, Locke has most contributed to make mankind at large observe them.”—
MACKINTOSH.

A Poem that Ranks with the Iliad.

Crawford. The Kalevala. The National Epic Poem of the Finlanders. Translated into English Verse, by Dr. John Martin Crawford. In two volumes, small octavo, Small Pica type, leaded, cloth, gilt top, **\$2.25** (75c); half Morocco, **\$2.75** (85c); in one volume cl., gilt top, **\$1.70** (60c)

This is the estimate put upon the Kalevala by such an eminent authority as Max Müller.

“Certainly the ‘Kalevala’ as it stands, is one of the World’s great poems. * * Of its antiquity there is no doubt. It is thoroughly pagan from beginning to end. * * All the characteristics of a splendid antique civilization are mirrored in this marvelous poem, and Mr. Crawford’s admirable translation should make the wonderful heroes of Suomi song as familiar if not as dear to our people as the heroes of the great Ionian epics.”—*Evening Telegraphy*, Philadelphia, Pa.

“‘Curious Myths’ will be found of great assistance to intelligent persons generally who are often puzzled about the Wandering Jew, William Tell, and other distinguished characters who become the more unsubstantial the nearer we get to them.”—*Daily Eagle*, Brooklyn, N. Y.

“Whatsoever the reader may think of the subject discussed in the work, he will certainly find it the most readable, reasonable, and reliable compend of this interesting topic.”—*Friends’ Expositor*, Toronto, Ont.

The Immortal—A Great Novel! A Scorching Satire!

Daudet. The Immortal. By Alphonse Daudet. 12mo, cloth, **60c.** (20c)

“Daudet is undoubtedly a genius. He knows the power of words, and uses it with skill. The simplest scenes fairly thrill with life. His noble characters

move with that charm that is so attractive, and his ignoble characters with that meanness that is so detestable. When he touches with that genuine simplicity any bewitching look of nature, he makes it so powerful that it remains in the memory long afterwards. Whether this last novel of the great Frenchman is aimed or not at the individual members of the Academy, we do not know, but certainly he punctures the big bubble of the Academy itself and lets out a great deal of the gas; not in one place or two, but in a hundred. But we sincerely wish this literary French genius would employ his pen with less objection in some instances, or, in other words, that he would be more chaste and refined. If this is a study of social life, as he claims in his dedication, then evidently what Paris needs is not so much study, but reform.”—*Zion’s Herald*, Boston.

“The book of Epictetus, the noblest of the Stoics.”—*St. Augustine*.

Drummond: Natural Law in the Spiritual World. New Edition, cloth, 12mo, **50c.** (15c)

“Almost a revelation.”—*Christian Union*. “Grand reading for the clergy.”—BISHOP COXE. “A most original and ingenious book, instructive and suggestive in the highest degree.”—*Nonconformist*. “One of those rare books which find a new point of view from which old things themselves become new.”—*Chicago Standard*. “Too much cannot be said in praise of it, and those who fail to read it will suffer a serious loss.”—*The Churchman*. “In Drummond's book we have none of the nonsense of the new theology, but the old theology splendidly illumined by the newest scientific knowledge.”—DR. HENSON, Chicago.

A Romance of Geology.

“This book has been universally commended as containing the substance of knowledge about the evolution of earth and man, though the author can

hardly be called an evolutionist. This republication is in cheap form and places a very valuable work in the hands of any one who desires to read it.”—*World*, Omaha.

Peerless Old Boswell!

Boswell’s Life of Johnson. Croker’s Edition, in 4 volumes, large 12mo, cloth, \$2.75 (\$1.25)

“The richest dictionary of wit and wisdom any language can boast of. Enlarged and illuminated by the researches and sagacious running criticism of Mr. Croker, it is, without doubt—excepting a few immortal monuments of creative genius—that book which would be most prized in other days and countries by the students of ‘us and our history.’”—*London Quarterly Review*.

“We cannot believe that any subsequent improvement will ever be made upon this edition; and we have no doubt that it will excite the curiosity and reward the attention of the reading world.”—*North Am. Review*.

Evolution from a Christian Standpoint.

Hark. The Unity of the Truth, in Christianity and Evolution. By J. Max Hark D.D. 12 mo, 293 pages. Small Pica type, leaded, cloth, gilt top, 90c. (40c)

“A thoughtful and scholarly work, written in the interest of persons who are bewildered by the teaching of unbelieving evolutionists.”—*Christian Standard*, Cincinnati, O.

“No one can be more sure and clear than Dr. Hark, that whatever may hereafter come to be the final, clearly and indisputably settled results of scientific examination, they will be found to be in perfect accordance with the equally carefully ascertained teachings of the Christian revelation. In that firm faith we may all agree and encourage science to the most diligent

examination, only bidding it not to be too sure of its conclusions until the evidence is complete.”—*The Lutheran*, Philadelphia, Pa.

Evolution Again.

“Rich, delicate, robust.” R. S. STORRS, D. D.

Parker. The Spirit of Beauty. Essays, scientific and æsthetic, by Prof. Henry W. Parker; large 12mo, cloth, gilt top, 85c. (25c)

“I have been delighted, instructed and morally animated by *The Spirit of Beauty*. It gives rich, delicate and robust expression to a various knowledge, as well as to fine, devout and far-reaching thought. I have not for long taken up a book which has interested me so immediately, or refreshed me so abundantly.”—REV. R. S. STORRS, D.D.

“Every page shows the author’s warm sympathy alike with what is best in modern scientific and Christian thought—his enthusiasm for nature, for humanity and for God.”—*The Advance*, Chicago, Ill.

“It is not the ‘bigoted’ theologian who rises this time in the higher interests of humanity, but the trained and well-informed scientist. It is an arrow from within the fort, and its destructive power is all the greater because the bowman himself takes ‘some stock in Darwin’s *Origin of Species*.’ The fact that the bow has been bent not directly for the purpose of rescuing religion, but for the rescue of beauty and art and morality and civilization from the toils of a false science, will give the book a hearing where the argument from religious grounds would have none. We know of no better book to be placed into the hands of the college student or young doctor or lawyer whose casual reading or not wholly mature thinking has infected him with agnostic or Spencerian views.”—*The Lutheran*, Philadelphia, Pa.

Library of Universal History.

Library of Universal History. 4 vols., 12 mo, cloth, gilt top. Each \$1.50, reduced to \$1.10 (40c)

A Russian Historical Novel.

Gogol. Taras Bulba, By Nikolai Vassilievitch, translated by Jeremiah Curtin, cloth, **60c.** (20c)

"The characters stand forth in bold relief against a dark and gloomy background; they are like the figures of a Greek frieze in their Titanic majesty. Pleasing, no one could call the novel; fascinating it must prove to all. The story of the wars of the Cossacks and of their desperate struggles to maintain their lawless freedom is among the romances of history."—*The Golden Rule*, Boston, Mass.

"The volume is a worthy tribute to our American women of letters, and a fair sample of our best fiction work. It is a book that will commend itself to our patriotism, and to all lovers of our national literature."—*Christian Evangelist*, St. Louis, Mo.

"It ought to prove one of the most profitable volumes the publisher has made, for such a collection of admirable short stories seldom is found within the covers of a single book. * * * A galaxy indeed of lustrous stars. The book deserves to be printed with the highest art and to be bound in morocco and gilt; but it appears with propriety in a form which brings it within the reach of persons of moderate means. Such a dollar's worth seldom can be secured by reading households."—*Christian Intelligencer*, New York City.

Bayard Taylor's Most Famous Book.

Taylor. Views Afoot; or Europe Seen with Knapsack and Staff. By Bayard Taylor. With two portraits and an introduction by N. P. Willis. 12mo, 481 pages. Long Primer type, cloth, **60c.** (20c)

“There are few smoother or more gracefully written books of travel than Bayard Taylor’s ‘Views Afoot.’ For two years he was a wayfaring pedestrian, often reduced to a plate of soup and a crust, trudging along in a dilapidated pair of shoes, but his spirits, health, and delightful resources as a correspondent never failed. He saw Europe thoroughly for \$500 earned by the way, and came back to his country quite a famous young man. His letters are good reading to-day. They present Europe from the pedestrian side; and among many literary graces they have the poetic. ‘Views Afoot’ is one of the new publications of John B. Alden, the cheapness of whose books is a modern novelty. The volume is set in a large, peculiarly distinct type, and has in all respects an attractive, comfortable appearance.”—*Commercial Gazette*, Cincinnati, O.

“The Interwoven Gospels is an exceedingly helpful and convenient arrangement, based on a good plan, and well wrought.”—REV. RICHARD G. GREENE, East Orange, N. J.

“The advantage of such a book, both to a young reader and to a teacher of New Testament history, in bringing the gospel narratives into their proper relations, and in giving a clear mental view of the times and seasons to which events belong, must be apparent.”—*The Interior*, Chicago, Ill.

“The work is well done, and the little book will be welcome aid to many in the study of the New Testament.”—*The Examiner*, N. Y. City.

“Your books came duly to hand. I am very much pleased with all their make-up, binding and contents, and especially with their marvelously low price. Only they cheat a body out of work—for Bayard Taylor and Beecher kept me from sermonizing and the Woman’s Story kept my wife from sewing all the afternoon.”—REV. P. C. CROLL, Schuylkill Haven, Pa.

“I have books from a majority of the principal publishing firms in the U.S., and I can assure all, that your work is always *equal and generally superior* to any of them, notwithstanding your marvelous prices.”—A. L. CAMPBELL, Silver Creek, Ky.

“Whoever opens this book will be surprised to find how little of the technical there is in it, how popular it is in style, and plain in its statement of astronomical facts. It is one of the most brilliant and fascinating expositions of the science of the stars we have ever seen. While it cannot fail to interest the special student of the noble science of astronomy, its chief value, we judge, will consist in its charming adaptation to the tastes of the general reader.”—*Guardian*, Philadelphia.

An Orient Medley.

Wallace. The Repose in Egypt: A Medley. By Susan E. Wallace. Finely illustrated. Large 12mo, cloth, **\$1.00** (40c)

“Mrs. Wallace has a sense of humor, and her geniality sparkles and plays over pyramid, sphinx, Colossus and Nile scenery in a way that relieves her descriptions of a thousand times told tale of dullness or repetition. Nothing short of a vigorous writer could do that. The reader is carried along in the charming society of the ‘Antiquary,’ the ‘Historian,’ ‘Thalia,’ so that one feels quite of the party. * * * Romance and philosophy enter entertainingly into this ‘medley,’ which is not altogether without continuity, and the interest is sustained to the end.”—*Literary Bureau*, Washington, D.C.

Mrs. Wallace has steeped her mind in the glory of these wonderful lands—the glory of their traditions, the glory of their scenery—and the touch of her imagination, in its delicate appreciations, its dreamy hints, its allusiveness, its pathetic sympathies, imparts a constant glow to her pages, and makes vivid and life-like a narrative of those far western and old-time countries and peoples.”—*Apostolic Guide*, Cincinnati.

“Both his turn of mind and style of writing are peculiar, and exhibit a combination rarely if ever before witnessed in modern literature. He is deeply learned in ancient and modern lore; he is eminently dramatic and pictorial; alternately speaks poetry to the soul and pictures to the eye. His learning is prodigious; in many of his writings there are reflections, equally just and original, which were never surpassed in the philosophy of history.”—SIR ARCHIBALD ALLISON.

The Gospel Story.

Pittenger. The Interwoven Gospels. The four histories of Jesus Christ blended into a complete and continuous narrative in the words of the Gospels. According to the American Revised Version of 1881. Compiled by Rev. William Pittenger. 12mo, cloth, with maps, **90c.** (30c)

In this ingenious work the four biographies of Christ are given in the language of the Gospels, but so arranged and blended as to form one continuous narrative. When known, the period and place at which the events described occurred are noted. Where the Evangelists have given more than one account, the fullest one, or the one which best harmonized with the preceding subject, has been taken and the peculiarities of the others interwoven therewith.

“The work is well done, and will be welcome aid to many in the study of the New Testament.”—*The Examiner*, N. Y. City.

“Mr. Pittenger has done his work skillfully and the book cannot but prove helpful to the Bible student.”—*Witness*, Montreal.

“It is a useful and important work for Sunday-Schools and Bible classes engaged in the study of the Word.”—*Western Christian Advocate*, Cincinnati.

“The Interwoven Gospels is an exceedingly helpful and convenient arrangement, based on a good plan, and well wrought.”—REV. RICHARD G. GREENE, East Orange, N. J.

“The work supplies an arrangement that most readers feel the need of, for obvious reasons, and is very useful as an introduction to study of the New Testament.”—*The Globe*, Boston.

“The advantage of such a book, both to a young reader and to a teacher of New Testament history, in bringing the gospel narratives into their proper relations, and in giving a clear mental view of the times and seasons to which events belong, must be apparent,”—*The Interior*, Chicago, Ill.

“The author has made the Gospels (in the language of the Gospels) an easy and finished biography of Jesus Christ, and offers a book to the Bible student second to none other on the life and works of Christ. It is worthy of room in every family and Sunday-School library.”—*Express*, Easton, Pa.

“If put into the hand of a child as his first introduction to the study of the New Testament, it will be read as an ordinary connected history; and when the Gospels in their common form are afterward read, the relation of their different parts will be at once understood, and many otherwise perplexing questions may never even arise.”—*The Church Year*, Jacksonville.

“This is not a Harmony, in the general sense of the term. Though in the general line of helps in the study of the Evangelical Narrative, it is something more practical, more living, and shows ‘the mark of the tool’ less than any Harmony we are acquainted with. This, we believe, can be read, and may be used intelligently in the study of The Word. It should find its way into the libraries of our pastors and Sunday-School teachers.”—*The Guardian*, Philadelphia.

“The task, which the title indicates, is not as easy as might be at first sight supposed. The passages referring to a particular incident have not to be merely pitched into a common pile, but built into a symmetrical structure; and some of the faults which the compiler has to avoid are the impairing of the authority of the Gospel narrative by the addition of many words; the sense of incompleteness caused by omissions, and the disadvantages of references too many and references too few. The plan which Mr. Pittenger has adopted appears to obviate many of these difficulties.”—*Globe*, Toronto.

“You have wisely chosen the Revised Version with the American Readings incorporated in the text. The arrangement is in harmony with the best results of chronological study, and the most natural. The blending of particular accounts shows good judgment, in the selection of one as a standard, and filling up the narrative from the others. In performing this delicate task the golden mean has been quite nearly reached, of not doing too little or too much. For consecutive reading by either old or young and for general and popular use, I regard your work as the best now before the public.”—G. W. CLARK, D.D.

"This is a standard work, and Mr. Alden has not only done himself credit, but has conferred a lasting benefit upon the world, by placing it within the reach of those of limited means."—*Christian Standard*, Phila.

Elysian Dreams AND Sober Realities.

Van Santvoord. Half-Holidays, Elysian Dreams, and Sober Realities. By Harold Van Santvoord. 12mo, cloth, gilt tops. **85c.** (35c)

“Exhibits extensive reading and a pleasant fancy.”—*Sun*, New York.

“One of those companionable books that have almost a personality for the reader.... The vivacity of its thought, the vigor of insight and charm of expression merit critical appreciation.”—*Traveller*, Boston.

“The writer has a genuine instinct for the now almost lost art of essay writing. His quiet humor, now and then turned by a clever stroke of wit and well-pointed epigram, and his easy colloquial style, make the reading of his breezy and interesting volume uncommonly entertaining.”—*Saturday Evening Gazette*, Boston.

“The essays forming the volume show in the writer wide and careful reading, and a memory stored with the fruits of literary research, with a happy facility in imparting what he has acquired. His humor is delicate and mirth-provoking, his illustration of the sentiments presented and positions taken are apposite and pointed, and the serious practical teachings scattered throughout the book are calculated to leave wholesome impressions upon the thoughtful reader.”—*Freeman*, Kingston, N. Y.

“The contents consists of a collection of essays having no essential relation to one another, none of them long, but all interesting and suggestive from the originality of the thought, the novelty of the treatment and the attractive style.”—*Times*, Troy.

“Among the brightest of the young American writers, although but a recent adventurer in the field of authorship, is Harold Van Santvoord.... His most ambitious attempt, and his most successful, we sincerely hope, is now before us in the volume entitled, ‘Half-Holiday; Elysian Dreams and Sober Realities.’ While not flippant Mr. Van Santvoord is essentially a humorist, and his humor is of the American school so often analyzed by the critics. But unlike most of our native humorists he is scholarly, and even his sprightliest passages reveal evidence of wide reading.”—*Argus*, Albany.

“‘Half-Holidays’ is a collection of short essays on such subjects as ‘Are Parsons Great Eaters,’ ‘The Hospitality of Solitude,’ ‘Sermons in Hot Weather,’ ‘Lost Books,’ ‘Music and Madness,’ ‘The Poetry of Flowers,’ and ‘The Significance of a Single Word.’ They are after-dinner papers, bright

and lively in their treatment; they make no serious demand on one's thought, and yet are suggestive of much that is wise in the philosophy of life, and deal lightly and gracefully with the odds and ends of everyday existence. They remind one of Lamb's 'Essays of Elia.'"—*Herald*, Boston.

"One reads this collection of short and bright essays with a feeling that they were written with more than the ordinary delight of an author. They are spontaneous recitals of an imaginative mind's observations and dreams. It occurs to us, as we read, that it would be a suggestive companion for persons—notably the younger generation—who find it hard to converse, growing up to realize that it is necessary to say something, but at a loss what to talk about."—*School Journal*, New York.

Bayard Taylor's Famous Book.

Taylor. Views Afoot; or Europe Seen with Knapsack and Staff. By Bayard Taylor. With two portraits and an introduction by N. P. Willis. 12mo, 481 pages. Long Primer type, cloth, **50c.** (20c)

"One of the most famous books of travel ever printed in this country. The book is less known to readers of this generation than it should be, and we advise those who are not acquainted with its charm to adopt this opportunity of making its acquaintance."—*Christian Union*, New York City.

"Views Afoot is a book of travel which is nearly as interesting now, as when it first appeared over forty years ago. Taylor was a splendid sight-seer and a rare recounter of his experiences. This new edition is one of Alden's efforts to bring good literature within the reach of the poorest reader."—*Interior*, Chicago, Ill.

Views Afoot.

“Bayard Taylor’s *Views Afoot* will long continue to be one of the few books of European travel which people will delight to read. There is a charm in the author’s style, conjoined with remarkable power of description. The novelty of his traveling on the continent on foot, with staff and knapsack, visiting places much out of the way, seeing the people and living amongst them—all this makes the book a *rara avis* among books of travel.”—*Guardian*, Philadelphia.

“Of all the works of this distinguished author, perhaps no one has more freshness and enthusiasm than this. We have the ardor and the quick insight of the afterwards world-renowned poet and author of books of travel, etc., in the bud of promise. Certainly the volume is very readable.”—*Morning Star*, Boston, Mass.

“We remember with what exquisite pleasure, in our college days, we read this charmingly-written story of a jaunt a-foot. It was so full of life and happiness, good-will and abounding health. This new edition does not dim these excellences at all, and he who especially enjoys reading books of travel will not read another until he has gone through these fascinating pages. How cheap this edition is—only 50 cents. Give it to some travel-mania friend.”—*Zion’s Herald*, Boston, Mass.

“John B. Alden has put the reading public under renewed obligation by publishing a cheap edition of Bayard Taylor’s ‘*Views Afoot*.’ These chapters delighted the last generation, and they still have their power to charm and instruct.”—*Christian Standard*, Cincinnati, Ohio.

Europe SEEN WITH Knapsack and Staff.

“A poor boy, with no literary reputation, he sets out to traverse the countries of Europe on foot. It was the beginning of an extraordinary career as a writer, traveler and lecturer. Others have since followed in his footsteps, but none has ever been able to surpass Bayard Taylor in originality of observation, in perspicacity of style, or variety of experiences. It is Europe brought to our own doors.”—*Journal and Messenger*, Cincinnati, Ohio.

“A book well worth reprinting in attractive but inexpensive style. More than any other, it laid the foundation of Bayard Taylor’s reputation as a traveller and writer. These chapters are written in a style of charming naïveté and freshness, giving the reader not the hackneyed views of an experienced and often cynical traveller, but the fresh enthusiasm of a generous, eager youth, visiting for the first time the countries of which he had long dreamed. In this respect this earlier book possesses charms which are denied the later volumes by the same author. One of the incidental but very real advantages of this book is to show on what a very small capital (Bayard Taylor started with only \$140), a resolute, plucky American youth can spend two years in foreign travel, if he is willing to undergo some privations and hardships. It is a narrative of grit, pluck and endurance as well as of foreign travel. What was done in 1844 can be done in 1889 if one is equipped with the same fortitude and courage.”—*Golden Rule*, Boston, Mass.

The Koran.

The Koran of Mohammed. Translated by George Sale. 12mo., cloth, 336 pages, **60c.** (20c);

The sacred book of the Mohammedans is not only a curiosity from a literary point of view, but is also useful in showing how far inferior to the Bible both in spirit and in teaching is the most popular substitute which man has ever offered therefor. It contains 114 chapters varying in length from a few lines to many pages. This is an excellent translation, is clearly printed on good paper and nicely bound in cloth. Costs but little and should be in every library. Will interest all intelligent readers.

The Talmud.

Pick. The Talmud. What it is. By Rev. Bernhard Pick, Ph.D. Ideal Edition, cloth, **60c.** (20c);

“It has proved a grateful task to wander through the mazes of the Talmud and cull flowers yet sparkling with the very dew of Eden. Figures in shining garments haunt its recesses. Prayers of deep devotion, sublime confidence and noble benediction, echo in its ancient tongue. Sentiments of lofty courage, of high resolve, of infantile tenderness, of far-seeing prudence, fall from the lips of venerable sages. No less practicable would it be to stray with an opposite intention, and to extract venom, instead of honey, from the flowers that seem to spring up in self-sown profusion.”—*Edinburgh Review.*

Among the books belonging to this class is one which is unique in its character, intense in its interest, and which stands in the front rank of works relating to the war. In a vivid manner it describes the inception and incidents of that most daring and brilliant exploit known as

It deserves to take its place with the most notable histories of imprisonment and escape.”—*Tribune*, N. Y. City.

A DARING ENTERPRISE.

“Every reader will agree with Gen. Joseph Holt that the expedition, in the daring of its conception, had the wildness of romance, ‘while in the gigantic and overwhelming results it sought to obtain it was absolutely sublime.’ An

Atlanta paper said of the affair, a few days after its failure, that it was ‘the deepest laid scheme, and on the grandest scale, that ever emanated from the brains of any number of Yankees combined.’ Count de Paris says in his history of the civil war in America that, ‘despite its tragic termination, it shows what a handful of brave men could undertake in America.’ In truth, there is no parallel in history to this undertaking of Andrews in an enemy’s country.”—*Commercial Gazette*, Cincinnati, O.

“This is a narrative of one of the wildest and most thrilling adventures of the war.” *The Evening Post*, N. Y. City.

A VIVID PRESENTATION.

“The realism of the author reminds one of Tolstoi and his military pictures in the forms of both history and romance.”—*The Eagle*, Brooklyn, N. Y.

“So thrillingly and graphically told that the readers pulses tingle as his fancy accompanies this wild expedition.”—*The Courier*, Buffalo, N. Y.

“A vivid and authentic account of Andrews’ railroad raid—a most daring adventure.”—*The News*, Chicago.

THE SONS OF VETERANS

and, indeed, every American, young or old, should read this record of an heroic effort and the failure of a brilliant enterprise.

“‘Daring and Suffering’ should be read by every American boy that he may see what deeds of daring Americans will do for love of country.”—*The Republican*, Washington, D. C.

“This expedition has been so nearly forgotten that the public ought to be under great obligations to Mr. Pittenger for recording at length the bravery and endurance of those who participated in it. While such men exist the republic may never fear for its safety.”—*The Sun*, N. Y. City.

A COMPLETE AND ACCURATE RECORD.

“The author has consulted every available source of information, has gone repeatedly over the ground, explored the Government archives at Washington and files of Confederate newspapers, and obtained the assistance of survivors on both sides of the struggle. He is thus able to present a vivid, impartial and perfectly authenticated picture of the most romantic event of the civil war, the full story of which has never before been told.” The illustrations also add greatly to the interest and value of the work.

“This collection of the best stories by twenty of the foremost American story-tellers is a happy idea, and it seems as if for a few hours of really enjoyable entertainment nothing better could be devised. There is a special charm about a good short tale, and these twenty samples of feminine literature afford a chance for interesting comparison of achievement in the

same plane and with nearly similar opportunity. The sad, the gay, the sentimental, the horrible, the good, the real, are to be found in these pages viewed and dealt with in various ways; and none but writers of acknowledged ability are admitted to the group.”—*Daily Alta Californian*, San Francisco, Cal.

“Besides being enjoyable reading, it is a valuable book of reference for information concerning the most celebrated literary women of America.”—*National Baptist*, Philadelphia, Pa.

19 FINE PORTRAITS.

“A compilation of a score of stories written by noted lady authors on this side of the Atlantic has been prepared by Laura C. Holloway. This vivacious lady and charming author has written as an introduction to each story, a bit of the biography of each of her chosen lady writers; making her work still more interesting by prefixing a portrait to each—with the exception of one case, Mrs. Rebecca Harding Davis, who “won’t sit for anybody.” * * * How much of interest is added to a literary production—especially a woman’s—if one can see the author’s portrait too!”—*The Times*, Hartford, Conn.

“It is quite interesting and curious to see which of their own stories these Writers considered their best.”—*The Homestead*, Springfield, Mass.

20 Biographies of Famous Women.

“Among the many excellent books relating to women from the pen of this author, this is the most unique in its plan. It is a library in itself, a library affording the best specimens from all the leading lady authors of America. To enumerate the writers from whom the selections are taken, would be sufficient to awaken a desire to have the book, but when we add that there is a portrait of each of these famous authors except one, and that there is a biographical sketch of each written in Mrs. Holloway’s attractive style, the merits and value of the work will begin to appear.”—*Farm, Field and Stockman*, Chicago, Ill.

Oliver Goldsmith.

Oliver Goldsmith, The Works of. Edited by Sir James Prior. In 4 vols., 12mo, **\$3.00** (\$1.25);

The only edition embodying the full performances of and fairly exhibiting Goldsmith genius. Contains many and valuable additions to collections previously issued.

“Goldsmith, both in verse and prose, was one of the most delightful writers in the language. His verse flows like a limpid stream. His ease is quite unconscious. Everything in him is spontaneous, unstudied, unaffected, yet elegant, harmonious, graceful, and nearly faultless.”—HAZLITT.

“The ‘Traveller’ and the ‘Deserted Village’ scarcely claim any notice from me. They are in everyone’s hands; they live in everyone’s memory: they are felt in everyone’s heart; they are daily the delight of millions.”—HENRY NEELE.

“Sir, it is the great excellence of a writer to put into his book as much as his book will hold. Goldsmith has done this in his history. He has the art of saying everything he has to say in a pleasing manner.”—DR. JOHNSON.

Vicar of Wakefield: Ideal Edition. Cloth, **25c.** (11c); 10 oz

“The admirable ease and grace of the narrative as well as the pleasing truth with which the principal characters are designed, make the Vicar of Wakefield one of the most delicious morsels of fictitious composition on which the human mind was ever employed. We read the Vicar of Wakefield in youth; we return to it again and again, and bless the memory of an author who contrives so well to reconcile us to human nature.”—SIR WALTER SCOTT.

She Stoops to Conquer: Ideal Edition. Cloth, **20c.** (7c); 8 oz

SHE STOOPS TO CONQUER.—“I know of no comedy for many years that has so much exhilarated an audience; that has answered so much the great end of comedy, making an audience merry.”—SAMUEL JOHNSON.

Life of Goldsmith: by Washington Irving. Elzevir Ed., gilt edges, **40c.** (20c); cloth, **25c.** (9c); 14 oz

“No poet’s letters in the world, not even those of Cowper, appear to us more interesting for the light they throw on the habits and feelings of the man who wrote them; and we think it will be also acknowledged that the simple gracefulness of their language is quite worthy of the author of ‘Wakefield.’”—*London Quarterly Review*.

“The \$5.00 Edition of Irving’s Works arrived to-day; the type, binding, paper and printing are superb: the cheapest set of books I ever purchased. Accept our congratulations.”—W. H. KELSEY, Springville, W. T.

Green’s Brilliant History.

Green’s Larger History of the English People. 5 vols., 16mo, illustrated with about 100 fine engravings: half Morocco, **\$3.50** (\$1.00): the same without illustrations, Elzevir Edition, cloth, **\$2.25** (40c); half morocco, **\$2.75** (60c);

Green’s History as above, in one vol., 8vo, without illustrations, cloth, **\$1.25** (35c):

A copy of this magnificent work should be in every home in which the English language is spoken.

“No man can claim to be thoroughly posted on English history unless he has read Green. The enthusiasm and painstaking accuracy of the author, and the luminous style in which he writes, stamp the history as a classic. Every man who has Anglo-Saxon blood in his veins will be thrilled through and through by the author’s tribute to the race. It will live long as the most attractive of the numerous English histories”—*Cen’l Baptist*, St. Louis.

“In many respects the most satisfactory History of England that has yet been written. It is certainly wonderfully cheap.”—*The North American*, Philadelphia.

“Is recognized by scholars as the best complete modern History of England in existence. Its finish of style removes it from the catalogue of books of reference, and makes the study of it a delight.”—*Press*, St. Paul, Minn.

“Green’s History is one of the most brilliant and thoroughly valuable historical works which has appeared in many years. Fairly ranking with Macaulay’s great work in the absorbing interest of its narrative, it excels that in adaptation to popular needs, in that it covers the entire period of English history from the earliest to modern times, instead of a brief period as does Macaulay.”—*Methodist Recorder*, Pittsburgh, Pa.

Grace Greenwood’s My Pets, cloth, **30c.** (10c); 10 oz Stories for Home Folks, cl., **40c.** (15c); 14oz Travel and History, cl., **30c.** (10c); 12 oz Stories from Famous Ballads, cl., **30c.** (10c); 10 oz

A Great French Novel.

The Immortal. By Alphonse Daudet. 12mo, cloth, **60c.** (20c);

“It is a satire on the famous company of the ‘Immortals,’ and any one who reads it, will discover the peculiar talents of the author. He has a very retentive memory, and extraordinary powers of description. He gives to his heroes and heroines a life-like reality, so that the reader is carried right on into the turmoil of their existence. Daudet makes his characters perform the most merciless and pitiless actions, and his powers of description are so vivid, that the reader moves on with it all, in spite of himself. Get a copy of the book and test the truth of this assertion.”—*The School Journal*, N. Y. City.

“The book springs out of Daudet’s unquestionable and irrepressible genius; he dips his pen, not in malice, but in a literary inspiration which delights all Europe and America.”—*The Church Year*, Jacksonville, Fla.

“The book is a fierce onslaught on the French Academy, but exhibits the best traits of its accomplished author, a man who is never dull and has most extraordinary powers of description and character drawing, his stories always offering not puppets, but men and women moving before one’s eyes.”—*Christian Intelligencer*, N. Y. City.

A Great Russian Novel.

Gogol. *Taras Bulba*, translated by Jeremiah Curtin, cloth, **60c.** (20c);

“This thrilling Cossack tale is put into English by Jeremiah Curtin, with a ‘dedication’ to Hon. Andrew G. Curtin, in which is set forth the fact (as shown by correspondence between Napoleon III. and Alexander II.) that France and England had agreed to recognize the Southern Confederacy, and were only kept from it by Russia’s friendliness to us. The preface by the translator, too, is full of historic interest, preparing the reader to understand the story of old Taras.”—*Christian Standard*, Cincinnati.

“Although the reader may not admire all the traits of character of old Taras Bulba, he will become so interested in the story at the very beginning that he will not be willing to lay the book down until completed. The whole volume is so full of valuable information that no one can afford not to read it.”—*The Democrat*, Madison, Wis.

“A more romantic and profoundly interesting recital has not come to our notice that involved Russian politics and character and Polish patriotism and devotion. Gogol is entitled by this work to rank with Turgenieff, and while he is not the philosopher that Tolstoi is, nor a man of such learning, he is worthy to be his contemporary and is equally graceful and vigorous in his style.”—*Record-Union*, Sacramento, Cal.

“This singular story is full of graphic touches. Now they paint the squalor of the Jews’ quarter in Warsaw, now the fierce combat of half savage men, now the flower-strewn steppes, and now the deepest, tenderest passion of the human heart. The translator does not exaggerate in his praise of Gogol’s work.”—*Christian Cynosure*, Chicago.

“The volumes and the series have particular reasons to engross the attention of students, among general readers; and it may safely be predicted that the series will afford quite as intelligent and clear a view of the course and expression of English politics as can be secured without long and laborious search of many and more or less conflicting volumes. The books are models in typographical qualities, and are inexpensive.”—*Boston Globe*.

CIVILIZATION.

The Beginnings of Civilization. By Prof. Charles Woodward Hutson. Ideal Ed., cl., **60c.** (20c);

“To-day the secrets of prehistoric humanity lie beneath the surfaces of language and archæology. We gaze into the depths and see the objects lying along the bottom, but we do not all see alike. Perhaps we are not yet acquainted with the media through which we look. Whether we are contented or not to take as final the present conclusions of any one of the various schools of archæologists, it remains that the facts or data are intensely interesting. Touching the origin of man, it is probable that we shall never be able to determine from the Bible or from ethnology whether all men sprang from one pair or from many; and salvation does not depend upon a decision. Whether, with the Duke of Argyll, we believe humanity to have retrogressed as a result of the Fall: whether with the Jews of the Talmud and Book of Zohar, we suppose that man was created first as a beast, and after ages received the spirit by the breath of God; or whether we hold man to be the result of natural selection and survival of the fittest acting as forces upon some protoplasmic blobs of jelly, we shall never get beyond conjecture. These questions Professor Hutson has ignored as vain

and profitless. In his volume he has succeeded in condensing and including more learning, philosophic thought, and curious and significant data than it has been our fortune to behold these many days. His object is to take up the prehistoric ages of the Egyptians, Chaldeans, Hittites, Phœnicians, Hebrews, Assyrians, Teutons, Etruscans, Hellenes, Kelts, Hindus, Chinese, Slavs, etc.; and, broad as seems the field, he has not contented himself with easy and vague generalizations, but by a concise and compact style, has been able to introduce a great number of data. Small as this book is, we can hardly trust ourselves to express our sense of its value, lest we seem to exaggerate.”—*The School Journal*, N. Y. City.

Artistically, it is, perhaps, the finest product of The Literary Revolution.

FLORIAN’S FABLES.

Finely Illustrated Edition.

The FABLES of FLORIAN. Translated into English verse by GEN. J. W. PHELPS, late member of the Vermont Historical Society, author of “A History of Madagascar,” etc. With numerous very fine illustrations by J. J. GRANDVILLE. Elegantly bound in fine cloth, gilt edges, ornamented, price **\$1.15**

The above described work is presented to our patrons with an unusual degree of pleasure, and some pride. The fables are good reading—old and young will be delighted with them; they are worthy of place by the side of Æsop’s and La Fontaine’s; the illustrations are simply superb, true to the text, supplementing and enforcing the teachings of the author, and true to art, original, graphic, and charming.

“Of all the collections of Fables which have appeared since La Fontaine, that of Florian is, beyond dispute, the best. It is also, of all the works of the author, that in which his talent as a writer and as a poet shows to the greatest advantage. In regard to merit of originality, the author avows himself that he has put under contribution all his predecessors; Æsop, Pilpay, Gay, and above all, the Spanish poet Yriarte, who has furnished him the most pleasing apologues. It is worthy of remark that in this kind of literature, whose object is no less to instruct than to please, Florian has one advantage over La Fontaine, that of being in general better adapted to the

unaffected simplicity of childhood.”—*Grand Dictionnaire Universel du xixe. Siècle*.

“Good of every description prevails in this collection. You find here some fables of touching interest, others of a sweet and playful humor, others of a biting subtilty, and still others in a loftier strain without being above that of the fable. The poet understands how to vary his colors with the subjects; he can describe and converse, relate and moralize. We nowhere feel the effort and are always sensible of the metre.”—*La Harpe*.

“In the writings of Florian we are solely interested with the meaning of the tale, with its moral, which is always refined and delicate, and with his ingenuous and even epigrammatic style. Florian loves Horace, Virgil, La Fontaine, is delighted with Montaigne and the poetic tales of the 16th century; he notices the caprices and little irregularities of human nature, without being a biting critic or a profound moralist. Under the gentle form of fables he threw an agreeable breeze of ridicule both upon the individual and upon society, as if he hoped to reform.”—*M. St. Marc Girardin*.

“Few readers of French are unacquainted with the works of Florian. His style, at once elegant and easy, has universally recommended him to the teachers of language, and Telemachus is commonly succeeded or supplanted by some work of Florian. In the circulating libraries the Tales of Florian are almost as generally read as those of Voltaire and Marmontel. He possesses indeed very great attractions for the lovers of light reading. His narrative is spirited and interesting. Love, Friendship, and Heroism are his themes, and he commonly descants upon them with that genuine warmth which results from the combination of sensibility with genius.

“The feelings with him are never exalted at the expense of virtue. His women are tender without licentiousness, and his heroes daring without violating the laws of their country, or questioning the existence of their Creator. He combines the morality of Fenelon with the enthusiasm of Rousseau or St. Pierre. His writings derive an additional charm from his glowing descriptions of the beauties of nature. He seems tenaciously to uphold the poetical connection between rural life and moral purity, and loves to annex to tales of love and hardihood their appropriate scenery of rivers, woods, and mountains.”—*London Quarterly Review*.

The Unity of the Truth.

The Unity of the Truth in Christianity and Evolution. By J. Max Hark, D.D. 12mo. 293 pages. Small Pica type, leaded, cloth, gilt top, uncut pages, *90c.*

Few books of its kind recently published have aroused more discussion and called forth more varied and contradictory opinions. For example, *The Andover Review* gave fifteen pages to a criticism of its positions; while *The Christian Union*, of equal authority, declares that "The volume deserves to take rank with the works of Munger, Newman Smyth, and Prof. Drummond." The N. Y. *Independent*, though granting that "in many respects the volume is instructive and suggestive," and "its aim merits commendation," has devoted over four columns to combatting its arguments; whereas the critical *Sunday-School Times* has heartily commended it in a leading review. While the *Presbyterian Quarterly* (S. C.) condemns it as being "of no more use than to show the antagonism of the human heart to the things of God," the *Reformed Review* (Pa.) praises it as "an earnest effort towards the solution of a grave and difficult problem," and says, "The author deserves the thanks of all who are sincerely interested in the progress of religion and in the welfare of the Church." Such contradictions from such sources are the strongest proof of the importance of the work, and of the need of every intelligent person's reading and judging it for himself. At the same time, however, by far the greater weight of criticism, religious and secular, is favorable to it, as will be seen by the following few

Critical Comments.

"A very remarkable book, written in a nervous, brilliant style, each phrase a squarely-planted and advancing step. That it will bring peace and conviction to many restless souls cannot be doubted."—*The World*, N. Y. City.

"We have seen no volume which seems to us so thorough and intelligent in its purpose to consider the relations between modern evolutionary thought and ancient Christian faith and doctrines. Does not attempt to reconcile

science and religion by tearing away either the one or the other.”—*The Christian Union*, N. Y. City.

“A good, wholesome book, brief enough for the busiest Christian, an honest untechnical book, of plain words, and powerful. It is an admirable essay, informed with the essence of true religion, and destined to bring light to many struggling Christians.”—*The Press*, Philadelphia.

“He speaks with freshness and enthusiasm. We are persuaded that Dr. Hark’s purpose and spirit are such that good will be wrought by his work.”—*Illus. Christian Weekly*, N. Y. City.

“A candid and thoughtful discussion; expounded with much earnestness and a fine religious spirit.”—*Literary World*, Boston.

“It can hardly fail to help the candid reader to a wider and more satisfactory view of God, of Providence, of Prayer, and of Religion. Whatever does this for man has proved an infinite blessing to him.”—*Christian Evangelist*, St. Louis.

“Significant as showing very clearly the drift of the orthodox creed in the hands of its intelligent supporters.”—*Sunday News*, Charleston, S. C.

“A sincere and reverent endeavor to help all inquiring souls, in trouble concerning the conflict between evolution and the doctrines of Christianity.”—*The Interior*, Chicago.

“No writer could approach any question with a more candid spirit or more honorable motive. We wish every clergyman could read the work, and every other person indeed who is interested in the question of evolution.”—*Herald of Gospel Liberty*, Dayton, O.

The Spirit of Beauty.

The Spirit of Beauty. Essays, Scientific and Æsthetic. By Prof. Henry W. Parker. Large 12mo, cloth, 85c.;

“I have already read a large part of the book, and I have been delighted, instructed, and morally animated. It gives rich, delicate, and robust expression to a various knowledge, as well as to fine, devout and far-reaching thought. I have not for long taken up a book which has interested me so immediately, or refreshed me so abundantly.”—REV. R. S. STORRS, D.D., Brooklyn, N. Y.

“An admirable treatment of a widely related theme. The book is none the less profound for being so pungent, and its sharp raciness of style is quite befitting its keen discrimination of thought.”—PRES. JULIUS H. SEELYE, LL.D., Amherst College.

“I appreciate it highly. The incisive but graceful style is worthy the pure and elevating sentiments and conceptions which it inculcates. I feel a singular sympathy with its way of thinking, and shall embrace every proper opportunity to call attention to a book so brilliant and so noble in its aims.”—PROF. ALEXANDER WINCHELL, LL.D., Michigan University.

“I know Prof. Parker chiefly by the articles he gave me for the *North American Review*. These gave me the highest regard for him as an original, sound and deep thinker. I have repeatedly characterized his article on the natural theology of art as the best paper that passed under my hands during the ten or eleven years of my editorship. My belief is that Mr. Parker’s æsthetic capacity and culture are unsurpassed among us.”—PROF. A. P. PEABODY, D.D., of Harvard University.

“Prof. Parker, like the late President Hitchcock, was continually laying in rich stores of facts and principles in the several departments of natural history. At the same time he was contributing to the *North American Review* articles in natural and ethical philosophy unexcelled for richness and beauty by any contemporaneous productions of American periodical literature.”—PROF. W. S. TYLER, LL.D., of Amherst College.

“By personal knowledge of the manuscript I know that Prof. Parker has investigated the subjects of Animal Intelligence and Animal Æsthetics in a new and fresh way, as never has been done before, in defence of a spiritual philosophy. It is a work that was greatly needed, and is thoroughly done by

Dr. Parker, as only an accomplished naturalist, a skilful literateur and a clear reasoner could do it.”—EX-PRESIDENT G. F. MAGOUN, D.D., of Iowa College.

“The title is a gem in itself, and I have named my wife after it. I have had a copy presented to the Philosophical Society of Great Britain, and have urgently recommended the author for honorary membership, and am assured of success. These deeds are better encomiums than words like the following:—that I deem it one of the best displays of the connection between science and religion I have ever met with. A grand book.”—EPHRAIM CUTTER, M.D., LL.D., Hon. F. S. Sc. (London), Mem. Victoria Inst., etc.

“The author is a naturalist and in quite familiar with the facts and views of Darwin, Spencer and Haeckel; and, whatever restrictions he may make upon them, he has made as a man who has studied the subject from the inside. The observation of facts in the organic and inorganic worlds is good.”—*Science*.

“In Prof. Henry W. Parker’s volume we have just one of those protests against the recent schools of philosophical sensationalism which are sure to be raised, sooner or later, in the name of esthetics. We welcome everything that will bring intelligent people to see that it is not dogmatic orthodoxy alone or the limited and perhaps narrow interests of sectarian religion which are assailed by this philosophy, but the whole spiritual theory of man, the basis of his esthetic ideas and of art in all its higher relations. This is the value of Professor Parker’s book. It is attractive in style and indicates an abundant familiarity with the subject, both as a naturalist and a student of esthetics. The chapter on the Divine in Art can hardly be surpassed in the literature of the subject.”—*N. Y. Independent*.

“*The Spirit of Beauty*, by Prof. Parker, is a fresh find in John B. Alden’s literary gold mine. It is a series of essays, æsthetic and scientific, inspired by a reverent passion for purity and beauty, and clothed in the language of a ripe and finished scholar. The essays are all overflowing with beauty, melody and fragrance, as well as charged with learning and profound thought.”—*Southern Criterion*, Atlanta, Ga.

The Talmud: What It Is

and What it Knows about Jesus and his Followers. By Rev. Bernhard Pick, Ph.D. Ideal Edition, Small Pica type, cloth, 60c.;

One of the most interesting and valuable of recent contributions to religious literature. It answers the great popular curiosity as to what the Talmud is, and gives to clergymen and theological students information of transcendent value, not heretofore accessible to many.

“That wonderful monument of human industry, human wisdom, and human folly.”—DEAN MILMAN.

“In the history of the origin of Christianity, the Talmud has hitherto been far too much neglected.”—ERNEST RENAN.

“The Talmud may compete with the *Constitutions of Loyola* for the right to be considered the most irresistible organ ever forged for the subjugation of the human will.”—*Edinburgh Review*.

“The Talmud is the slow growth of several centuries. It is a chaos of Jewish learning, wisdom and folly, a continent of rubbish with hidden pearls of true maxims and poetic fables.”—PHILIP SCHAFF.

“But glimpses of profound metaphysics, stray parables of real beauty, and occasional sentiments of true spiritual breadth and elevation, are only the rare grains of wheat in mountains of chaff.”—DR. GEIKIE.

“Anything more utterly unhistorical than the Talmud cannot be conceived. It is probable that no human writings ever confounded names, dates, and facts with more absolute indifference. Some excellent maxims may be quoted from the Talmud where they lie imbedded like pearls in a sea of obscurity and mud.”—CANON FARRAR.

“A most curious monument, raised with astonishing labor, yet made up of puerilities. An immense heap of rubbish, at the bottom of which a few

bright pearls of Eastern wisdom are to be found. The book composed by Israel *without* their God, in the time of their dispersion, their misery, and their degeneracy.”—DR. ISAAC DA COSTA.

“Here, then, we find a prodigious mass of contradictory opinions, an infinite number of casuistical cases, a logic of scholastic theology, some recondite wisdom, and much rambling dotage; many puerile tales and oriental fancies; ethics and sophisms, reasonings and unreasonings, subtle solutions, and maxims and riddles.”—BENJAMIN DISRAELI.

“It is a vast debating club in which there hum confusedly the myriad voices of at least five centuries. In its way, a unique code of laws, in comparison with which, in point of comprehensiveness, the law books of all other nations are but Lilliputian, and, when compared with the hum of its kaleidoscopic Babel, they resemble, indeed, calm and studious retreat.”—PROF. DELITZSCH.

“It has proved a grateful task to wander through the mazes of the Talmud and cull flowers yet sparkling with the very dew of Eden. Figures in shining garments haunt its recesses. Prayers of deep devotion, sublime confidence and noble benediction, echo in its ancient tongue. Sentiments of lofty courage, of high resolve, of infantile tenderness, of far-seeing prudence, fall from the lips of venerable sages. No less practicable would it be to stray with an opposite intention, and to extract venom, instead of honey, from the flowers that seem to spring up in self-sown profusion. Fierce, intolerant, vindictive hatred for mankind; idle subtlety; pride and self conceit amounting to insanity; indelicacy pushed to a grossness that renders what it calls virtue more hateful than the vice of more modest people; all these strung together would give no more just an idea of the Talmud than would the chaplets of its lovelier flowers.”—*Edinburgh Review*.

A Remarkable Story.

Strange Threads. A Novel. By J. Douglas. 12mo, cloth, **60c.** (15c); 22 oz

This is not only a remarkable story in itself but is really wonderful in its power to interest its readers, and in the various ways in which it impresses them. A gentleman whom the *Christian Leader*, Cincinnati, calls “a wise and critical connoisseur” pronounces this book, with the possible exception of *Vanity Fair*, “the most original novel I ever read. * * I should have to go back as far as ‘Jane Eyre’ and ‘Villette,’ to name a novel as good as ‘Strange Threads,’ and I am not at all certain that this is not as strong as either of them.” And the *Leader* calls the book the “creation of a master imagination” and declares it to be “evidently the product of a genius.” The burden of testimony is along this line. Still there are

A FEW CONTRARY MINDS

whose opinions we quote in connection with the favorable criticisms.

“One can conceive that with less effort the author might write a passable book. As to the present book it is fairly unreadable, and the veriest devourer of romances cannot possibly get past the opening chapters without the feeling that he is in for a bad time.”—*Daily Bee*, Omaha, Neb.

“The publisher has done more than the writer for this book. The type and paper are so agreeable that one is tempted to read on, long after the discovery that there is little in the matter worthy of serious consideration. The author has shown a certain shrewdness, however, in filling the vacuum produced by absence of intellect in the book by cramming it with sentiment.”—*The Epoch*, N. Y. City.

MAN OR WOMAN?

Another matter about which the critics are puzzled is the sex of the author. Some affirm that J. Douglas is a man, others are equally sure that it is a woman’s name, while some are content to say they do not know.

“J. Douglas is a new name in our list of novel-writers, but if ‘Strange Threads’ is his maiden effort, he is surely a phenomenon. Regarded as the first work of a new writer, it is simply wonderful; even as the product of mature experience it is still worthy of being termed remarkable. It is original without being strained or whimsical, wholesomely terse in

construction, frequently bright in epigram, and the story grows stronger with every page to the close. It is not too much to say that it will bear reading along with the novels of Charlotte Bronte, and the writer succeeds even better than she in picturing his characters in life-like presence without making an elaborate study of them, while there is a more perceptible and worthier motive in his drawing.”—*Paper World*. Springfield, Mass.

“J. Douglas is evidently a woman. The adventures of a party of American novelists in Europe, their love-making and their heart disappointments, are the author’s stock in trade, and she has certainly succeeded in weaving a very tangled web. There are here and there a strong portraiture and a keen analysis of motives, while the descriptive portions have a picturesqueness and vigor which give old and well-traveled roads a new beauty.”—*Record*, Philadelphia.

“It is probable that “J.” stands for Jane, Josephine or some other name feminine, for the book is thoroughly a woman’s book. It certainly is very well written, and, if by a new aspirant for literary honors, as it seems, she is certain to make her mark.”—*The Republic*, St. Louis, Mo.

“A new American novelist of considerable originality and force has appeared. The name is J. Douglas, though whether it stands for man or woman must be gathered from the book. The dialogue is bright, the situations are dramatic and the book is thoroughly readable from beginning to end.”—*Illus. Christian Weekly*, N. Y. City.

PRE-EMINENTLY A LOVE STORY.

“A love Story; a bright sketchy tale of a wayward young lady—that is, wayward in her loves. It is certainly very original; on the whole, is a novel to be liked by the public.”—*Times*, Kansas City, Mo.

“A most interesting work, which engrosses the attention of the reader from the first to the last chapter.”—*Morning Call*, San Francisco.

Lang Syne, or the Wards of Mt. Vernon.

Lang Syne; or The Wards of Mount Vernon. By Mary Stuart Smith. 12mo, paper, **30c.** (10c)., cloth, **60c.** (20c).

In this book, which is dedicated "To the Memory of Washington and to American Womanhood," we have an interesting love story of the revolutionary era, in which are interwoven in a skilful manner many excellent descriptions of prominent events and of the eminent men, Washington, Lee, Franklin, Cadwalader, and others, who were foremost in the great struggle for independence. It also shows the important part taken by the women of that period and the valuable service which they rendered the patriot army. About one-third of the book is specially devoted to "the Women of the Revolution." A great deal of information regarding the character, habits, tastes, and labors of the people of that stirring period is conveyed in an entertaining manner. The author, who styles herself a "Daughter of Virginia" (and who might have stated the interesting fact that she is a direct descendant of Gen. Washington's only sister) has done well to write this book, and its appearance at this centennial period is appropriate and timely.

Patriotic Hymns.

Rankin. Hymns Pro Patria. By Rev. J. E. Rankin, D.D. Ideal Edition, cloth, **60c.** (20c).

Dr. Rankin needs no introduction to the American public. As a clergyman and an author he long ago won high reputation. In this little volume will be found his more recent poems. They include some of his finest work and will certainly add to his reputation as a genuine poet. In the collection are Hymns for Forefather's Day. National Hymns, Humanitarian Hymns, Foreign Missionary Hymns, Christian Endeavor Hymns, and several Hymns relating to Christian Experience. The book will interest many.

Jerry: A Story for Young Folks.

Pratt. Jerry. By Ellen P. Pratt. 12mo, cloth, **75c.** (25c).

This is a spirited story which will especially please the young people, though it will furnish no small degree of entertainment to their elders. It opens sadly with a record of intemperance and misery, but the scene soon changes and the love story opens in earnest. Various adventures, some of them quite remarkable, are narrated. The characters are numerous, events move rapidly, and the interest deepens until the closing page is reached.

The Medical Student As *Pictured in Punch*.

Smith. The London Medical Student. By Albert Smith. 12mo, cloth, 50c. (20c).

In this book the career of a student in a London Medical College is traced in a broadly humorous manner. The appearance of the “new man” when he comes up from the country to continue his medical studies is aptly described, and the zeal with which he enters upon his new duties is delineated in a laughable manner. His subsequent course, his dodging of recitations, the letters home for money with which, ostensibly, to purchase books, his examination, and the various “Curiosities of Medical Experience,” follow in a similar strain. The work is reprinted from *Punch*, in which it appeared as a serial.

Dorance: A Novel.

Nelson. Dorance; A Novel. By R. E. Nelson. 12mo, cloth, 75c. (25c).

This first novel by an author as yet unknown to the public will find sympathetic readers among those who still read Uncle Tom’s Cabin.

“Of Virginia blood, but of Northern birth, my earliest sympathies were aroused in behalf of the people of both races of the ‘Sunny Southland,’ and my imagination was made alive by the glowing pictures of Southern life, gleaned from my friends and from books on the subject. If I have succeeded in interesting my young friends in this phase of life, which has now passed into history, the problem of which is still unsolved in a measure, I will have fully accomplished my purpose in writing this book.”—*Author’s Preface*.

Bonds are issued in amounts to suit the purchaser, not less than \$10.00; they are also made payable, if desired, in six months, or three months, the coupon being reduced in proportion with the time. If cash is preferred to books, the coupons will be purchased by the Company, at maturity of bond, at the price of \$1.00 for a \$10.00 one-year bond, and pro rata for others. The following examples of prices (full price list in Catalogue) to the Public (first price) and to Stockholders (second price) indicate value of the Bond as an investment to one wanting books:

LITERARY REVOLUTION SAVINGS-BOND.

One year after date THE ALDEN PUBLISHING CO. will pay to the order of _____ the sum of **Ten Dollars**, at the Importers' and Traders' National Bank, 247 Broadway, New York.

These bonds are negotiable and are sold to the patrons of *The Literary Revolution* at par. The object is to afford a practical system of co-operation by which buyers of books may get them at cost of manufacture and handling. The use of the money one year is more than sufficient time to print, bind and market a paying edition of an average book. The investor

gets for the use of his money 16 per cent. per annum, *payable in books* (see coupon); he also gets an *option* of purchase (see coupon) which, if he avails himself of it, will, with the 16 per cent., earn and save him at the rate of about 60 per cent. per annum (see Stockholders' Prices), on his \$10 investment. These bonds are issued in amounts to suit the purchaser, not less than \$10; they are also made payable, if desired, in Six months, or Three months, the coupon being reduced pro rata with the time.

Dated at the office of the Company, 393 Pearl St., New York, this

COUPON LITERARY REVOLUTION SAVINGS-BOND.

THE ALDEN PUBLISHING Co. will pay to _____
_____ or order the sum of ***One Dollar and Sixty Cents***,
on demand, in any of ***its own publications*** at Stockholders' prices,
deliverable at any office of the Company, and will also permit the
holder hereof to purchase at Stockholders' prices any books
advertised by it to an amount not exceeding the value of ***Six Dollars***, net.

This paper is negotiable and transferable when properly endorsed, and will be honored at any time after its date, at any office of the Company, upon presentation, accompanied by cash remittance for the books to be purchased at Stockholders' prices, and also by the cost of postage on all the books so ordered, if to be sent by mail.

No. 393 Pearl St., New York, the _____ day of _____ 188__.

THE ALDEN PUBLISHING CO.,

President.

New Catalogue—*Important Change in Terms.*

The accompanying catalogue is thoroughly revised to date, and differs from its predecessors materially in the one point, that the prices given include the ***cost of pre-payment*** by mail or express—instead of the New York City ***net prices***, to which the cost of postage has been added, heretofore.

The change is principally one of convenience rather than of either reduction or increase, though on many books there is a substantial reduction in the cost to purchasers, cost of transportation being taken into account. An allowance of ***8 cents a pound***, which is made on bills ordered sent by express or freight, cost of transportation payable on arrival, by the purchaser, is equivalent to a discount of front ***15 to 30 per cent.*** from catalogue prices, varying according to quality, style, copyright, and other considerations, on different books.

The first page of the catalogue fully and clearly sets forth the new terms.

Wanted—Agents.

Personally you may not care to go into the “Book Agency Business,” but possibly you may know of some good person who will undertake to “organize a book club” in your neighborhood, or make a thorough house-to-house canvass of the entire township or county. **A \$1.00 Book Free** to you (your choice) if you will send me the address of such a person, who will sell for me as much as \$25 worth of books within two months from time of taking hold. As a means of making my books better known I want to have at least one sample book put into every intelligent household; once there they are a permanent advertisement.

A few of my publications are unexcelled, *for experienced book agents*, notably

Alden’s Manifold Cyclopedia.

Alden’s Cyclopedia of Universal Literature.

Geikie’s Holy Land and the Bible.

The Great Locomotive Chase (the most thrilling and unique story of the war).

The Woman’s Story (by Twenty Famous American Women, Mrs. Stowe, Miss Alcott, and others).

Alden’s Home Atlas, and Handy Atlas,

and several others which could be named. Please do anything you can to further the interests of The Literary Revolution, and your kindness will be appreciated by

JOHN B. ALDEN, Publisher,

393 Pearl St., New York.

Gutenberg™ trademark. Contact the Foundation as set forth in Section 3 below.

1.F.

1.F.1. Project Gutenberg volunteers and employees expend considerable effort to identify, do copyright research on, transcribe and proofread works not protected by U.S. copyright law in creating the Project Gutenberg™ collection. Despite these efforts, Project Gutenberg™ electronic works, and the medium on which they may be stored, may contain “Defects,” such as, but not limited to, incomplete, inaccurate or corrupt data, transcription errors, a copyright or other intellectual property infringement, a defective or damaged disk or other medium, a computer virus, or computer codes that damage or cannot be read by your equipment.

1.F.2. LIMITED WARRANTY, DISCLAIMER OF DAMAGES - Except for the “Right of Replacement or Refund” described in paragraph 1.F.3, the Project Gutenberg Literary Archive Foundation, the owner of the Project Gutenberg™ trademark, and any other party distributing a Project Gutenberg™ electronic work under this agreement, disclaim all liability to you for damages, costs and expenses, including legal fees. YOU AGREE THAT YOU HAVE NO REMEDIES FOR NEGLIGENCE, STRICT LIABILITY, BREACH OF WARRANTY OR BREACH OF CONTRACT EXCEPT THOSE PROVIDED IN PARAGRAPH 1.F.3. YOU AGREE THAT THE FOUNDATION, THE TRADEMARK OWNER, AND ANY DISTRIBUTOR UNDER THIS AGREEMENT WILL NOT BE LIABLE TO YOU FOR ACTUAL, DIRECT, INDIRECT, CONSEQUENTIAL, PUNITIVE OR INCIDENTAL DAMAGES EVEN IF YOU GIVE NOTICE OF THE POSSIBILITY OF SUCH DAMAGE.

1.F.5. Some states do not allow disclaimers of certain implied warranties or the exclusion or limitation of certain types of damages. Section 2. Information about the Mission of Project Gutenberg

Project Gutenberg is synonymous with the free distribution of electronic works in formats readable by the widest variety of computers including obsolete, old, middle-aged and new computers. It exists because of the

efforts of hundreds of volunteers and donations from people in all walks of life.

Volunteers and financial support to provide volunteers with the assistance they need are critical to reaching Project Gutenberg's goals and ensuring that the Project Gutenberg collection will remain freely available for generations to come. In 2001, the Project Gutenberg Literary Archive Foundation was created to provide a secure and permanent future for Project Gutenberg and future generations. To learn more about the Project Gutenberg Literary Archive Foundation and how your efforts and donations can help, see Sections 3 and 4 and the Foundation information page at www.gutenberg.org.

Section 3. Information about the Project Gutenberg Literary Archive Foundation

The Project Gutenberg Literary Archive Foundation is a non-profit 501(c)(3) educational corporation organized under the laws of the state of Mississippi and granted tax exempt status by the Internal Revenue Service. The Foundation's EIN or federal tax identification number is 64-6221541. Contributions to the Project Gutenberg Literary Archive Foundation are tax deductible to the full extent permitted by U.S. federal laws and your state's laws.

The Foundation's business office is located at 41 Watchung Plaza #516, Montclair NJ 07042, USA, +1 (862) 621-9288. Email contact links and up to date contact information can be found at the Foundation's website and official page at www.gutenberg.org/contact

Section 4. Information about Donations to the Project Gutenberg Literary Archive Foundation

Project Gutenberg™ depends upon and cannot survive without widespread public support and donations to carry out its mission of increasing the number of public domain and licensed works that can be freely distributed in machine-readable form accessible by the widest array of equipment

including outdated equipment. Many small donations (\$1 to \$5,000) are particularly important to maintaining tax exempt status with the IRS.

The Foundation is committed to complying with the laws regulating charities and charitable donations in all 50 states of the United States. Compliance requirements are not uniform and it takes a considerable effort, much paperwork and many fees to meet and keep up with these requirements. We do not solicit donations in locations where we have not received written confirmation of compliance. To SEND DONATIONS or determine the status of compliance for any particular state visit www.gutenberg.org/donate.

While we cannot and do not solicit contributions from states where we have not met the solicitation requirements, we know of no prohibition against accepting unsolicited donations from donors in such states who approach us with offers to donate.

International donations are gratefully accepted, but we cannot make any statements concerning tax treatment of donations received from outside the United States. U.S. laws alone swamp our small staff.

Please check the Project Gutenberg web pages for current donation methods and addresses. Donations are accepted in a number of other ways including checks, online payments and credit card donations. To donate, please visit: www.gutenberg.org/donate.

Section 5. General Information About Project Gutenberg electronic works

Professor Michael S. Hart was the originator of the Project Gutenberg concept of a library of electronic works that could be freely shared with anyone. For forty years, he produced and distributed Project Gutenberg eBooks with only a loose network of volunteer support.

Project Gutenberg eBooks are often created from several printed editions, all of which are confirmed as not protected by copyright in the U.S. unless a

copyright notice is included. Thus, we do not necessarily keep eBooks in compliance with any particular paper edition.

Most people start at our website which has the main PG search facility:
www.gutenberg.org.

This website includes information about Project Gutenberg, including how to make donations to the Project Gutenberg Literary Archive Foundation, how to help produce our new eBooks, and how to subscribe to our email newsletter to hear about new eBooks.
