THE immense utility of a DIRECTORY, in a city of such great importance as NORWICH, can only be fairly estimated by those who, having felt the need, have had occasion to regret the want, which the Publisher hopes this work will be found to supply.

Every endeavour has been made to render the NORWICH DIRECTORY AND HANDBOOK as complete and perfect a work of reference as possible, without regard to expense; and it is hoped that, notwithstanding occasional and trivial errors,—some owing to the changes which are daily taking place, and others which will creep into all such books, in spite of the utmost diligence,—it will be received in a liberal spirit.

The usefulness of this DIRECTORY AND HANDBOOK will doubtless be considerably extended in future editions.

London, April, 1852.

REGISTRATION.

BIRTHS.—Persons should cause their children to be registered within forty-two days after birth, by giving personal notice to the registrar of their district, without any fee whatever. Registration may be effected after the expiration of the forty-two days, and within six months, on payment of a fee of 7s. 6d.; but after six months no birth can be registered.

DEATHS.—Intimation should be given of deaths in the same manner as births. This is of importance to be done early, as the undertaker must have a certificate to give to the minister who reads the funeral services, without which he may refuse to bury the body.

As the cause of death is to be entered, sound discretion should be used in ascertaining the real nature of the deceased's death, for which important purpose even facility should be given.

**THE NORWICH STEAM PRESS,
UPPER HAYMARKET, NORWICH.**

J. FLETCHER,
WHOLESALE AND RETAIL STATIONER, PRINTER,
BOOKSELLER, AND BINDER,
HAS RECENTLY ISSUED THE FOLLOWING WORKS:

BY MRS. THOMAS GELDART.

EMILIE THE PEACEMAKER. Price 2s. 6d., foolscap 8vo., or, elegantly boarded, gilt edges, 3s.

“We know not when we have read a tale so entirely to our mind as this. It makes us wish we could have our young days over again; for sure we are that with such a monitor as ‘Emilie,’ we should have been saved from many bitter after feelings of regret. The lesson conveyed in the tale is one of heavenly wisdom, inculcating ‘peace upon earth, and good-will towards men,’ and the heart of every reader must be improved by it.”

TRUTH IS EVERYTHING: A TALE FOR YOUNG PERSONS. Second Edition, Foolscap 8vo. Price 2s. 6d., or, elegantly boarded, gilt edges, 3s.

“The story is simply and tenderly told; carries unobtrusively in it, not at the end of it, a right lesson; and is the work of a Christian and a lady. Pure, gentle, and devout it therefore is, of course.”

“We can give no better proof than the fact that we put it into a little girl’s hands, and we could not draw her attention from it for a moment until she had read it through.”

“This is a charming little book for the young; the matter is very interesting, not over-drawn; while its tenor is to win over youth to the practice and love of truth.”

STORIES OF SCOTLAND and its adjacent Islands. Foolsap 8vo. Price 2s. 6d., or, elegantly boarded, 3s.

EXTRACTS FROM REVIEWS.

“A pretty little Story Book, prettily illustrated, about the lochs and glens, the abbeys and castles, the old houses and ruined towers of Scotland.”

“A very interesting Series of Tales connected with the History of Scotland.”

“Its merit is, that it tells interesting stories without spoiling them.”

“Such indeed is the charming tell-tale style adopted, that the infant mind is beguiled into acquaintance with subjects of which heads resting on older than baby shoulders are often ignorant.”

“It has found its way into the royal nursery.”

THOUGHTS FOR HOME; IN PROSE AND VERSE. Post 8vo., elegantly boarded, gilt edges, Price 2s. 6d.

THE NURSERY GUIDE; or, THE INFANT’S FIRST HYMN BOOK: an Original Work for Children from three to six years of age. Third Edition, enlarged, with Engravings. Price 1s. 6d.

London:—A. HALL & CO.

BY JOSEPH JOHN GURNEY.

THOUGHTS ON HABIT AND DISCIPLINE. Foolsap 8vo., 2s. 6d. People’s edition, 1s. 6d.

“It is one of those sterling books on self-government which no man can read without receiving both mental and moral benefit. Like all Mr.

Gurney's writings, it is strictly orthodox in its views, catholic in its sentiments, apt in its illustrations, clear and forcible in its style."

"We have but few books extant containing in so brief a space so much sound practical instruction."

"'Thoughts on Habit and Discipline' should be read by the young man anxious to make his way in the world in an honourable and creditable manner. There is a lovingness about the articles truly refreshing in these times of selfishness and recklessness."

ESSAY ON THE HABITUAL EXERCISE OF LOVE TO GOD, considered as a preparation for Heaven. Price 1s. 6d. cloth.

GUIDE TO THE INSTRUCTION OF YOUNG PERSONS IN THE HOLY SCRIPTURES, including the LOCK and KEY, or passages in the Old Testament which testify of Jesus Christ, explained by others in the New Testament. Price 2d.

BRIEF MEMOIRS OF THOMAS FOWELL BUXTON and ELIZABETH FRY. 12mo. Price 9d.

BRIEF MEMOIR OF JOSEPH JOHN GURNEY, Esq. By JOHN ALEXANDER, Minister of Prince's Street Chapel, Norwich. Price 1s. 6d., with Portrait.

HYMNS SELECTED FROM VARIOUS AUTHORS for the Use of Young Persons. By PRISCILLA GURNEY. Ninth edition, 32mo. Price 1s. 6d. cloth.

BY ELIZABETH FRY.

TEXTS FOR EVERY DAY IN THE YEAR; principally Devotional and Practical, selected by ELIZABETH FRY. Cloth boards, 8d.; and roan tuck, 1s.

J. MATTHEWS,

HERBALIST,

HAS, during a period of Twenty-seven Years, been a great admirer of, and a deep searcher into, the Botanical Science, and by intense labour and study has obtained a perfect knowledge of hundreds of British Herbs and their medical virtues.

J. M. has, in the course of his practice in this beautiful science, succeeded in curing many deplorable cases of SCURVY and LEPROSY, and also in making a most wonderful discovery for the CURE of the disease called KING'S EVIL, to the astonishment of hundreds in the City of Norwich. He has also been successful in eradicating, in the short space of a few weeks, many cases of RHEUMATISM, SWELLINGS, and ULCERS on the Legs, Hands, and Arms, and many other complaints of several Years' standing. BAD EYES and Weakness of Sight have been CURED by J. M. many times, when ALL OTHER MEANS HAVE FAILED.

J. M. is proud to state, that it is well known to many persons in Norwich, that he has succeeded in curing many Limbs with his Herb Medicines that

had been pronounced incurable and condemned to amputation by the Faculty.

HERBS.

Herbs—the noblest Medicine in Nature, and much superior to all the
artificial
inventions of Man.

H. ROBERTS,
MEDICINAL BOTANIST,
NEAR THE EPISCOPAL CHAPEL, UNION PLACE, NORWICH.

H. ROBERTS commenced his researches in Medical Botany in 1821, and prosecuted the study of Herbs with great success up to the present time. After thirty years' practical experience he has made many valuable discoveries in the medicinal properties of English herbs, and has succeeded in restoring to health hundreds of his fellow creatures; many who had lost the use of their limbs. Joints fixed, and muscles contracted, have been effectually cured by medicine of British herbs, produced in great abundance on hills, woods, fields, and vallies. Experience teaches us that a remedy for every disease incident to our bodies is to be found among the herbs of our own country; and the great variety of cures performed by them is a confirmation of this statement. Physic had its origin in the uncultivated forests; and woods and fields are now the best and safest school for medical science; such is their extraordinary effect when applied to the cure of diseases, that to the most sceptical it must be a theme of blessing and admiration. The knowledge acquired by H. ROBERTS is not the visionary offspring of any false theory, but the result of extreme study, observation, and great experience. Puffing, and many other means of imposition, is too much the practice of the present day; and quacks are to be found in all societies, from the highest to the lowest; and he is the greatest impostor who takes the most money for doing the least good, though he may be called by the fascinating epithet of *physician*; it therefore behoves the public to be upon their guard, and to trust a man only in proportion to his experience and tested abilities to perform what he *professes* to do; but the best way to prove this is to examine his workmanship; and that the public may have an opportunity of doing so, H. ROBERTS submits to their notice the following list of cures—row in number, for want of room; they will bear the strictest investigation, and are indisputable, as the patients themselves can testify. Hundreds of similar cases are to be seen in a pamphlet just published by Mr. ROBERTS:—

BENJAMIN STRAINGE, Cow Keeper, St. James's parish, Norwich, had a large tumour near his left ear, and several small tumours, also twenty-two holes in his neck; he applied to different medical practitioners, who

informed him that his was a hopeless case. He then applied to Mr. ROBERTS, and received a most extraordinary cure.

Witness—BENJAMIN STRAINGE, and ELIZABETH STRAINGE.

MOSES BUGG, St. Augustine's parish, Norwich, was many years afflicted with an extremely bad case of sore leg; from his ankle to the upper part of the leg was covered with large scales, as big as the palm of a child's hand. Several persons were consulted in this case, but all their knowledge proved of no avail. This extraordinary case was perfectly cured by H. ROBERTS.

Witness—MOSES BUGG and SARAH BUGG.

Mrs. DE CAUX, St. Augustine's, Norwich, had a large abscess, which cancered the whole of the left side of her face and neck. All that saw this case thought it would prove fatal. Perfectly cured by H. ROBERTS.

Witness—ELIZABETH DE CAUX,
SHAKSPEARE DE CAUX.

SAMUEL BREES, St. Martin-at-Oak, was attacked with violent pains of his limbs, by which he lost the use of his left hand; he was also severely afflicted with a dropsical and consumptive habit of body; he was in a very dangerous state. In this condition he applied to H. ROBERTS, by whom he was perfectly cured; he is now in a good state of health, with the perfect use of his hand.

Witness—SAMUEL BREES and ROBERT GOOCH.

Hundreds have been cured by H. ROBERTS with English herbs. For further information, apply to H. ROBERTS, and he will supply any person with a list of cures that will astonish those who read them.

Sir James Murray's Fluid Magnesia.

Prepared under the immediate care of the Inventor, and established for nearly forty years by the PROFESSION, for removing BILE, ACIDITIES and INDIGESTION, restoring APPETITE, preserving a moderate state of the bowels, and dissolving uric acid in GRAVEL and GOUT; also, as an easy remedy for SEA-SICKNESS, and for the febrile affections incident to childhood it is invaluable.

Dr. James Johnson states, in his Review of Dr. MURRAY'S INVENTION —“PELLUCID SOLUTION OF MAGNESIA.—This very useful and elegant preparation we have been trying for some months, as an aperient anti-acid in dyspeptic complaints, attended with acidity and constipation, and with very great benefit; we always recommend the original.”

Sir Philip Crampton, Bart., says,—“Sir J. Murray's Fluid Magnesia is a very valuable addition to our Materia Medica.”

Mr. Mayo.—“It is by far the best form in which that medicine has been hitherto prepared for use.”

Dr. Kennedy, Master of the Lying-in Hospital, Dublin, considers “the Fluid Magnesia of Sir James Murray to be a *very valuable* and *convenient* remedy in cases of irritation or acidity of the stomach, but more particularly during pregnancy, febrile complaints, infantile diseases, or sea-sickness.”

Dr. S. B. Labatt, Richard Carmichael, and J. Kirby, Esqs., Surgeons, of Dublin, “consider the exhibition of Magnesia in Solution to be an *important improvement* on the old method of mechanical mixture, and particularly well adapted to correct those acids which generally prevail in cases of gout, gravel, and heartburn.”

Sir James Clarke, Sir A. Cooper, Dr. Bright, and Messrs. Guthrie and Herbert Mayo, of London, strongly recommend Murray's Fluid Magnesia, as being infinitely more safe and convenience than the solid, and free from the danger attending the constant use of *soda* or *potass*.

Drs. Ivory, Kennedy, Beatty, Burke, of the Rifle Brigade, Comins, Deputy Inspector of Hospitals, and Surgeon Hayden, of Dublin, have given letters

to the same effect.

Sir Humphrey Davy, in 1809, testified that *this Solution* forms soluble combinations with uric acid salts in cases of gout and gravel, thereby counteracting their injurious tendency, when other alkalies, and even Magnesia itself, had failed.

With the Acidulated Syrup this Fluid Magnesia forms the most delightful of saline drinks.

Physicians will please specify “MURRAY’S FLUID MAGNESIA” in their prescriptions, to avoid the danger of adulterations and substitutions.

Sold by the sole Consignee, Mr. BAILEY, of Horseley Fields Chemical Works, Wolverhampton, and by all wholesale and retail Druggists and Medicine Agents throughout the British Empire, in Bottles, 1s., 2s. 6d., 3s. 6d., 5s. 6d., 11s., and 21s. each.

More proofs of the extraordinary effects of MORRISON’S PILLS,

In a case pronounced hopeless by the Faculty, and turned out four times as
incurable from the Norfolk and Norwich Hospital.

The following remarkable case of cure demands the especial attention of the
afflicted:—

“I, ELIZABETH WILKINSON, aged 37 years, residing in Coburgh-street, St. Stephen’s, Norwich, have been a severe sufferer for 15 years with a complication of complaints, and was under the care of many medical men who tried various means to do me good, but all to no purpose. I was admitted in-patient of the Norfolk and Norwich Hospital four different times, where I was cupped three times a week for three months, and had twelve ounces of blood taken away each time. I was also bled twenty-five times, and leeches with a dozen leeches at a time, and salivated, all to no purpose; and my case was at last pronounced incurable. I also suffered from stoppage of urine, for which I was obliged to have the doctor daily to ease my pain. My head was so affected, and my body in such a state, that I was completely confined to my bed for three years, as helpless as a child. I was quite loathsome for any person to come near me. No language can describe my sufferings. In this sad state a kind lady called to see me; after hearing my case, prevailed on me to try Morrison’s Pills, and said she had received so much benefit from them herself some years ago, that if I would but take them she would find me all I required, to which I reluctantly consented, not thinking at the time any medicine

would do me good. I commenced taking the Pills, Nos. 1 and 3 alternately, never exceeding six pills a day. The first dose that I took brought several pints of blood and corruption off my stomach. They made me feel very bad at first, but I persevered and went on with them, and am truly thankful to Almighty God that I did so, for I felt more benefit after the few doses of the Pills than from all the doctor's medicine I had taken for so many years past. At the end of three months the retention of urine was cured, and I kept daily getting better, and left my bed. I am now, thank God, able to get about quite free from pain, which I have been the subject of so many years past. Should the least doubt be entertained as to the truth of the above statement, I will convince any person of the fact that may call upon me. The cure is well known to the whole neighbourhood, and looked upon as a miracle.—I have more than 300 scars on my back and neck from cupping.

“ELIZABETH WILKINSON.”

J. & J. COLMAN,

MANUFACTURERS OF

MUSTARD, STARCH, & INDIGO BLUES,

STOKE MILLS, NEAR NORWICH,

AND

CANNON STREET, LONDON.

MUSTARD.—J. & J. COLMAN invite the attention of the Trade to the qualities of their Mustard. It is manufactured from the best description of English Brown Seed, possesses great strength and pungency, combined with a pleasantness of flavour rarely met with in the article.

J. & J. COLMAN continue to pack the various kinds in casks of the usual size, but in order to meet the wishes of Families, and their Friends generally, they are now offering it in packets of 1 lb., ½ lb., ¼ lb., and 2 oz.

These packets (tinfoil) are prepared with the greatest care and neatness, and the Mustard is effectually prevented from deteriorating.

It is also packed in round tins of 1 lb., ½ lb., ¼ lb. and in tins of 4 lbs. and 6 lbs. each.

STARCH.—In addition to the usual kinds made from WHEAT, viz., No. 1 London Starch, Soluble Satin Glaze Starch, and Patent White Starch, J. & J. COLMAN have directed much attention to the preparation of their No. 1 *Patent Rice Starch*, which they now offer to the Public as superior to every other made from Rice. It is quite free from all mucilaginous matter; is

soluble, and can be used with greater facility than the common Starch. Sold in Packets of 5 lbs., 1 lb., ½ lb., and ¼ lb. each.

Ladies are especially invited to test the SOLUBLE SATIN GLAZE STARCH. Being used in a fluid state it imparts an equality of stiffness and gloss to the finer fabrics, and produces a finish unequalled by any other yet offered. Sold in packets of 1lb., ½lb., and ¼lb.

BLUE.—This article is manufactured of various shades of colour from Indigo and Prussian Blue, the former being used principally for Laundress purposes, the latter by the Manufacturers of Flannels, &c., &c., and when made genuine, it imparts a colour which cannot be obtained from other ingredients. J. & J. COLMAN warrant the genuineness of their Blues.

SELECT AND USEFUL ADJUNCTS FOR THE TOILET,

PREPARED AND SOLD BY
ALFRED BURY, PERFUMER, Exeter Change, London.

BURY'S HAIR WASH,

For cleansing, strengthening, and promoting the growth of hair, possessing
valuable astringent properties which act on the pores of the skin, and also

remove the dandriff.

ALFRED BURY, can with truth aver his Hair Wash contains wonderful attributes for preserving the hair in hot and cold climates; as adding strength, affording nourishment, exciting to a luxuriant growth and brilliantly ornamenting and embellishing the human hair, it has not its parallel in the world. The distinguished sanction it has received from royal and illustrious personages, and the flattering testimonials of its efficacy, constantly received, piece this declaration above suspicion. Sold in Bottles, 2s. 6d., 3s. 6., and 6s. each.

BURY'S ROYAL POMPADOUR POWDER,

For daily use to remove that redness and irritation remaining on the skin after washing, or from any other cause, as well as possessing the most cooling, softening, and balsamic qualities, and imparting an exquisite clearness to the complexion.

It is strongly recommended to the notice of Mothers and Nurses, for the use of Infants of the most tender age, being far superior to any other powder; also after sea-bathing, and for Gentlemen after shaving, its agreeable effects will be fully tested.

Alfred Bury strongly recommends the Royal Pompadour Powder as an article of comfort and utility (*not as a cosmetic*), but as a plain vegetable powder for the use both of Ladies and Gentlemen; retaining its virtues and purity in any climate, consequently is well worthy the attention of Merchants, Captains and Speculators, being a preparation that commands an extensive sale throughout the civilized world. Sold in Packets, 1s., and 2s. 6d., each;—those at 2s. 6d., are equal to three 1s. packets; by post for 16 or 38 uncut stamps.

BURY'S TROPHELÉON, OR NUTRITIVE BALM;

For promoting the growth of hair, causing it to grow in a state of great luxuriance, preventing its falling, and sustaining it in curl under the different varieties of atmosphere.

Bury's Tropheléon possesses essential properties for nourishing the hair, makes it soft and smooth, prevents its breaking, excites the growth, and try

penetrating into the roots, thickens it in a very short time. It is also most efficacious for restoring the growth of hair, after it has fallen off from illness. To the beneficial qualities, and brilliancy it imparts to the hair, is added the most reviving and agreeable perfume. Sold in pots and Bottles, 1s., 1s. 6d., 2s. 6d., 3s. 6d., 5s., 10s., and 20s. each;—there is a considerable saving in purchasing the larger sizes.

BURY'S BLOOM OF ROSES,

The only preparation that will brighten the complexion, giving permanent and immediate beauty to the cheek without injury to the skin.

Bury's Bloom of Roses supersedes Rough, Carmine, Vermilion, &c., all of which are more or less prejudicial to the skin.

This liquid being the true colour of the rose, and in appliance as harmless and innocent as water, will be found extremely useful for colouring the lips. 1s. 6d. per Bottle; by Post, for twenty-four Stamps, uncut

BURY'S LAVENDER WATER,

The most refreshing and agreeable perfume yet discovered; possessing the pure aroma of the flowers, extreme durability, and improving fragrance, without any of the evanescent qualities familiar to essences of delicate structure; indeed, so durable is it, that it may be applied to the handkerchief the day previous to use.

Alfred Bury respectfully recommends his Lavender Water to Ladies, to whom the atmosphere of the Ball Room or Assembly proves overpowering and prejudicial. The nervous head-ache, produced by fatigue or over excitement, can hardly find relief in the stimulating essences administered in each case, for as the eye, fatigued by the glare of colours, seeks repose in darkness, or by turning to refreshing green, on the sense of smelling, distracted by artificial compounds, however delightful and fragrant in themselves, is soothed and gratified by some simple and uniform odours—the flower of the arbour, the garden, or the meadow.

Alfred Bury especially recommends this his truly English Perfume to Ladies, who, although not in the habit of using perfumes, are by no means averse to a perennial nosegay of delicate fragrancy.

Sold in Bottles, 2s. 6d., 3s. 6d., and 5s. each.

BURY'S QUININE TOOTH POWDER,

It is now used by all the principal families in the United Kingdom. It is pleasant to the taste, and does not contain the least particle of acid, an astringent, a most excellent stomachic, renders the breath fragrant, purifying it from the least odour (a valuable acquisition to Gentlemen after smoking), and its beneficial effects upon on the teeth are as speedy as lasting.

Alfred Bury has submitted his Tooth Powder to several of the most talented Dentists of the day, who, after many trials, admit its essential virtues. The following is the opinion of an eminent Surgeon-Dentist:—"Bury's Quinine Tooth Powder will undoubtedly preserve the teeth from decay, the gums from any kind of disorder, and completely keep down the formation of tartar."

Alfred Bury particularly requests attention to the above, and wishes it to be distinctly understood, that it is not his statement, never having written, printed, or said anything of the kind, but the quoted paragraph is the undoubted opinion of the first Surgeon-Dentist in the whole world. Bury's Quinine Tooth Power is sold in Boxes of improved form, at 1s. 6d. each; by Post, tor twenty-four Stamps, uncut.

BURY'S HAIR DYE.

The merits of this preparation are: it is certain in its effects upon the hair, dyeing it by a very simple process to an unchangeable black, brown, or light brown colour, so strongly fixed, that no known chemical agent can remove it, and is the only dye which does not stain, burn, or darken the skin or linen. Alfred Bury warrants his dye to be infallible, and will return the money if not found to fully realise the above. Prices, 3s. 6d., 5s., and 10s.

EAU DE COLOGNE.

Alfred Bury, importing Eau de Cologne from the best maker, Jean Maria Farina, Place Julièrs, a Cologne, guarantes all sold by him as the genuine.

In no one article is the British public more deceived than in Eau de Cologne;—all the cheap preparations tended under that name are an amalgamation of coarse malt spirit “perfumed” (or rather poisoned) with hot essential oils, and taken inwardly prove highly injurious. The lowest price Eau de Cologne of the first quality can possibly be sold at is 2s. 6d. per Bottle.

Updated editions will replace the previous one—the old editions will be renamed.

Creating the works from print editions not protected by U.S. copyright law means that no one owns a United States copyright in these works, so the Foundation (and you!) can copy and distribute it in the United States without permission and without paying copyright royalties. Special rules, set forth in the General Terms of Use part of this license, apply to copying and distributing Project Gutenberg™ electronic works to protect the PROJECT GUTENBERG™ concept and trademark. Project Gutenberg is a registered trademark, and may not be used if you charge for an eBook, except by following the terms of the trademark license, including paying royalties for use of the Project Gutenberg trademark. If you do not charge anything for copies of this eBook, complying with the trademark license is very easy. You may use this eBook for nearly any purpose such as creation of derivative works, reports, performances and research. Project Gutenberg eBooks may be modified and printed and given away—you may do practically ANYTHING in the United States with eBooks not protected by U.S. copyright law. Redistribution is subject to the trademark license, especially commercial redistribution.

START: FULL LICENSE

THE FULL PROJECT GUTENBERG™ LICENSE

PLEASE READ THIS BEFORE YOU DISTRIBUTE OR USE THIS WORK

To protect the Project Gutenberg™ mission of promoting the free distribution of electronic works, by using or distributing this work (or any other work associated in any way with the phrase “Project Gutenberg”), you agree to comply with all the terms of the Full Project Gutenberg License available with this file or online at www.gutenberg.org/license.

Section 1. General Terms of Use and Redistributing Project Gutenberg electronic works

1.A. By reading or using any part of this Project Gutenberg electronic work, you indicate that you have read, understand, agree to and accept all the terms of this license and intellectual property (trademark/copyright) agreement. If you do not agree to abide by all the terms of this agreement, you must cease using and return or destroy all copies of Project Gutenberg electronic works in your possession. If you paid a fee for obtaining a copy of or access to a Project Gutenberg electronic work and you do not agree to be bound by the terms of this agreement, you may obtain a refund from the person or entity to whom you paid the fee as set forth in paragraph 1.E.8.

1.B. “Project Gutenberg” is a registered trademark. It may only be used on or associated in any way with an electronic work by people who agree to be bound by the terms of this agreement. There are a few things that you can do with most Project Gutenberg electronic works even without complying with the full terms of this agreement. See paragraph 1.C below. There are a lot of things you can do with Project Gutenberg electronic works if you follow the terms of this agreement and help preserve free future access to Project Gutenberg electronic works. See paragraph 1.E below.

1.C. The Project Gutenberg Literary Archive Foundation (“the Foundation” or PGLAF), owns a compilation copyright in the

collection of Project Gutenberg electronic works. Nearly all the individual works in the collection are in the public domain in the United States. If an individual work is unprotected by copyright law in the United States and you are located in the United States, we do not claim a right to prevent you from copying, distributing, performing, displaying or creating derivative works based on the work as long as all references to Project Gutenberg are removed. Of course, we hope that you will support the Project Gutenberg mission of promoting free access to electronic works by freely sharing Project Gutenberg works in compliance with the terms of this agreement for keeping the Project Gutenberg name associated with the work. You can easily comply with the terms of this agreement by keeping this work in the same format with its attached full Project Gutenberg License when you share it without charge with others.

1.D. The copyright laws of the place where you are located also govern what you can do with this work. Copyright laws in most countries are in a constant state of change. If you are outside the United States, check the laws of your country in addition to the terms of this agreement before downloading, copying, displaying, performing, distributing or creating derivative works based on this work or any other Project Gutenberg work. The Foundation makes no representations concerning the copyright status of any work in any country other than the United States.

1.E. Unless you have removed all references to Project Gutenberg:

1.E.1. The following sentence, with active links to, or other immediate access to, the full Project Gutenberg License must appear prominently whenever any copy of a Project Gutenberg work (any work on which the phrase “Project Gutenberg” appears, or with which the phrase “Project Gutenberg” is associated) is accessed, displayed, performed, viewed, copied or distributed:

This eBook is for the use of anyone anywhere in the United States and most other parts of the world at no cost and with almost no restrictions whatsoever. You may copy it, give it away or re-use it under the terms of the Project Gutenberg™ License included with

this eBook or online at www.gutenberg.org. If you are not located in the United States, you will have to check the laws of the country where you are located before using this eBook.

1.E.2. If an individual Project Gutenberg electronic work is derived from texts not protected by U.S. copyright law (does not contain a notice indicating that it is posted with permission of the copyright holder), the work can be copied and distributed to anyone in the United States without paying any fees or charges. If you are redistributing or providing access to a work with the phrase “Project Gutenberg” associated with or appearing on the work, you must comply either with the requirements of paragraphs 1.E.1 through 1.E.7 or obtain permission for the use of the work and the Project Gutenberg trademark as set forth in paragraphs 1.E.8 or 1.E.9.

1.E.3. If an individual Project Gutenberg electronic work is posted with the permission of the copyright holder, your use and distribution must comply with both paragraphs 1.E.1 through 1.E.7 and any additional terms imposed by the copyright holder. Additional terms will be linked to the Project Gutenberg License for all works posted with the permission of the copyright holder found at the beginning of this work.

1.E.4. Do not unlink or detach or remove the full Project Gutenberg License terms from this work, or any files containing a part of this work or any other work associated with Project Gutenberg.

1.E.5. Do not copy, display, perform, distribute or redistribute this electronic work, or any part of this electronic work, without prominently displaying the sentence set forth in paragraph 1.E.1 with active links or immediate access to the full terms of the Project Gutenberg License.

1.E.6. You may convert to and distribute this work in any binary, compressed, marked up, nonproprietary or proprietary form, including any word processing or hypertext form. However, if you provide access to or distribute copies of a Project Gutenberg work in a format other than “Plain Vanilla ASCII” or other format used in the official

version posted on the official Project Gutenberg website (www.gutenberg.org), you must, at no additional cost, fee or expense to the user, provide a copy, a means of exporting a copy, or a means of obtaining a copy upon request, of the work in its original “Plain Vanilla ASCII” or other form. Any alternate format must include the full Project Gutenberg License as specified in paragraph 1.E.1.

1.E.7. Do not charge a fee for access to, viewing, displaying, performing, copying or distributing any Project Gutenberg works unless you comply with paragraph 1.E.8 or 1.E.9.

1.E.8. You may charge a reasonable fee for copies of or providing access to or distributing Project Gutenberg electronic works provided that:

- You pay a royalty fee of 20% of the gross profits you derive from the use of Project Gutenberg works calculated using the method you already use to calculate your applicable taxes. The fee is owed to the owner of the Project Gutenberg trademark, but he has agreed to donate royalties under this paragraph to the Project Gutenberg Literary Archive Foundation. Royalty payments must be paid within 60 days following each date on which you prepare (or are legally required to prepare) your periodic tax returns. Royalty payments should be clearly marked as such and sent to the Project Gutenberg Literary Archive Foundation at the address specified in Section 4, “Information about donations to the Project Gutenberg Literary Archive Foundation.”
- You provide a full refund of any money paid by a user who notifies you in writing (or by e-mail) within 30 days of receipt that s/he does not agree to the terms of the full Project Gutenberg™ License. You must require such a user to return or destroy all copies of the works possessed in a physical medium and discontinue all use of and all access to other copies of Project Gutenberg™ works.
- You provide, in accordance with paragraph 1.F.3, a full refund of any money paid for a work or a replacement copy, if a defect in the electronic work is discovered and reported to you within 90 days of receipt of the work.

- You comply with all other terms of this agreement for free distribution of Project Gutenberg™ works.

1.E.9. If you wish to charge a fee or distribute a Project Gutenberg™ electronic work or group of works on different terms than are set forth in this agreement, you must obtain permission in writing from the Project Gutenberg Literary Archive Foundation, the manager of the Project Gutenberg™ trademark. Contact the Foundation as set forth in Section 3 below.

1.F.

1.F.1. Project Gutenberg volunteers and employees expend considerable effort to identify, do copyright research on, transcribe and proofread works not protected by U.S. copyright law in creating the Project Gutenberg™ collection. Despite these efforts, Project Gutenberg™ electronic works, and the medium on which they may be stored, may contain “Defects,” such as, but not limited to, incomplete, inaccurate or corrupt data, transcription errors, a copyright or other intellectual property infringement, a defective or damaged disk or other medium, a computer virus, or computer codes that damage or cannot be read by your equipment.

1.F.2. LIMITED WARRANTY, DISCLAIMER OF DAMAGES - Except for the “Right of Replacement or Refund” described in paragraph 1.F.3, the Project Gutenberg Literary Archive Foundation, the owner of the Project Gutenberg™ trademark, and any other party distributing a Project Gutenberg™ electronic work under this agreement, disclaim all liability to you for damages, costs and expenses, including legal fees. YOU AGREE THAT YOU HAVE NO REMEDIES FOR NEGLIGENCE, STRICT LIABILITY, BREACH OF WARRANTY OR BREACH OF CONTRACT EXCEPT THOSE PROVIDED IN PARAGRAPH 1.F.3. YOU AGREE THAT THE FOUNDATION, THE TRADEMARK OWNER, AND ANY DISTRIBUTOR UNDER THIS AGREEMENT WILL NOT BE LIABLE TO YOU FOR ACTUAL, DIRECT, INDIRECT, CONSEQUENTIAL, PUNITIVE OR INCIDENTAL DAMAGES

EVEN IF YOU GIVE NOTICE OF THE POSSIBILITY OF SUCH DAMAGE.

1.F.3. LIMITED RIGHT OF REPLACEMENT OR REFUND - If you discover a defect in this electronic work within 90 days of receiving it, you can receive a refund of the money (if any) you paid for it by sending a written explanation to the person you received the work from. If you received the work on a physical medium, you must return the medium with your written explanation. The person or entity that provided you with the defective work may elect to provide a replacement copy in lieu of a refund. If you received the work electronically, the person or entity providing it to you may choose to give you a second opportunity to receive the work electronically in lieu of a refund. If the second copy is also defective, you may demand a refund in writing without further opportunities to fix the problem.

1.F.4. Except for the limited right of replacement or refund set forth in paragraph 1.F.3, this work is provided to you 'AS-IS', WITH NO OTHER WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PURPOSE.

1.F.5. Some states do not allow disclaimers of certain implied warranties or the exclusion or limitation of certain types of damages. If any disclaimer or limitation set forth in this agreement violates the law of the state applicable to this agreement, the agreement shall be interpreted to make the maximum disclaimer or limitation permitted by the applicable state law. The invalidity or unenforceability of any provision of this agreement shall not void the remaining provisions.

1.F.6. INDEMNITY - You agree to indemnify and hold the Foundation, the trademark owner, any agent or employee of the Foundation, anyone providing copies of Project Gutenberg™ electronic works in accordance with this agreement, and any volunteers associated with the production, promotion and distribution of Project Gutenberg™ electronic works, harmless from all liability, costs and expenses, including legal fees, that arise directly or indirectly from any of the following which you do or cause to occur: (a)

distribution of this or any Project Gutenberg work, (b) alteration, modification, or additions or deletions to any Project Gutenberg work, and (c) any Defect you cause.

Section 2. Information about the Mission of Project Gutenberg

Project Gutenberg is synonymous with the free distribution of electronic works in formats readable by the widest variety of computers including obsolete, old, middle-aged and new computers. It exists because of the efforts of hundreds of volunteers and donations from people in all walks of life.

Volunteers and financial support to provide volunteers with the assistance they need are critical to reaching Project Gutenberg's goals and ensuring that the Project Gutenberg collection will remain freely available for generations to come. In 2001, the Project Gutenberg Literary Archive Foundation was created to provide a secure and permanent future for Project Gutenberg and future generations. To learn more about the Project Gutenberg Literary Archive Foundation and how your efforts and donations can help, see Sections 3 and 4 and the Foundation information page at www.gutenberg.org.

Section 3. Information about the Project Gutenberg Literary Archive Foundation

The Project Gutenberg Literary Archive Foundation is a non-profit 501(c)(3) educational corporation organized under the laws of the state of Mississippi and granted tax exempt status by the Internal Revenue Service. The Foundation's EIN or federal tax identification number is 64-6221541. Contributions to the Project Gutenberg Literary Archive Foundation are tax deductible to the full extent permitted by U.S. federal laws and your state's laws.

The Foundation's business office is located at 41 Watchung Plaza #516, Montclair NJ 07042, USA, +1 (862) 621-9288. Email contact

links and up to date contact information can be found at the Foundation's website and official page at www.gutenberg.org/contact

Section 4. Information about Donations to the Project Gutenberg Literary Archive Foundation

Project Gutenberg™ depends upon and cannot survive without widespread public support and donations to carry out its mission of increasing the number of public domain and licensed works that can be freely distributed in machine-readable form accessible by the widest array of equipment including outdated equipment. Many small donations (\$1 to \$5,000) are particularly important to maintaining tax exempt status with the IRS.

The Foundation is committed to complying with the laws regulating charities and charitable donations in all 50 states of the United States. Compliance requirements are not uniform and it takes a considerable effort, much paperwork and many fees to meet and keep up with these requirements. We do not solicit donations in locations where we have not received written confirmation of compliance. To SEND DONATIONS or determine the status of compliance for any particular state visit www.gutenberg.org/donate.

While we cannot and do not solicit contributions from states where we have not met the solicitation requirements, we know of no prohibition against accepting unsolicited donations from donors in such states who approach us with offers to donate.

International donations are gratefully accepted, but we cannot make any statements concerning tax treatment of donations received from outside the United States. U.S. laws alone swamp our small staff.

Please check the Project Gutenberg web pages for current donation methods and addresses. Donations are accepted in a number of other ways including checks, online payments and credit card donations. To donate, please visit: www.gutenberg.org/donate.

Section 5. General Information About Project Gutenberg electronic works

Professor Michael S. Hart was the originator of the Project Gutenberg concept of a library of electronic works that could be freely shared with anyone. For forty years, he produced and distributed Project Gutenberg eBooks with only a loose network of volunteer support.

Project Gutenberg eBooks are often created from several printed editions, all of which are confirmed as not protected by copyright in the U.S. unless a copyright notice is included. Thus, we do not necessarily keep eBooks in compliance with any particular paper edition.

Most people start at our website which has the main PG search facility: www.gutenberg.org.

This website includes information about Project Gutenberg, including how to make donations to the Project Gutenberg Literary Archive Foundation, how to help produce our new eBooks, and how to subscribe to our email newsletter to hear about new eBooks.
