INTRODUCTION

THE ANGUISH LANGUISH

English words are astonishingly versatile and could readily be made to serve a new and extraordinary purpose, but nobody seems to care about this except SPAL (Society for the Promotion of the Anguish Linguish).^[1] In keeping with its lofty ideals and its slogan, ANGUISH FOR EVERYBODY, the Society is sponsoring this little text, which has three aims:

1. To improve the public's understanding of the Anguish Linguish.
2. To improve the academic standing of the Anguish Linguish.
3. To improve the social *and* financial standing of the Society.

■ Policemen and Magicians

A visiting professor of Anguish, Dr. ———^[2], who, while learning to understand spoken English, was continually bewildered and embarrassed by the similarity of such expressions as *boys and girls* and *poisoned gulls*, used to exclaim:

“Gracious! What a lot of words sound like each other! If it wasn't (*sic*) for the different situations in which we hear 'em, we'd have a terrible time saying which was which.”

Of course, these may not have been the professor's exact words, because he often did his exclaiming in Anguish rather than in English. In that case he would say:

“Crashes! Water larders warts sunned lack itch udder! Effervescent further deferent saturations an witch way harem, wade heifer haliver tam sang witch worse witch.”

Dr. —— was right, both in English and Anguish. Although other factors than the pronunciation of words affect our ability to understand them, the situation in which the words are uttered is of prime importance. You can easily prove this, right in the privacy of your own kitchen, by asking a friend to help you wash up a dozen cops and sorcerers. Ten to one, she'll think you said a dozen *cups and saucers*, and be genuinely surprised if you put her to work cleaning up even *one* police officer, let alone all the others, and the magicians, too.

If you think that she misunderstands merely because the two phrases sound somewhat alike and *not* because of the situation, read what SPAL's Committee on Housewives has to say:

“Presented with a dishes-piled-in-sink situation, several hundred well-adjusted housewives thought that *cops and sorcerers* referred to dishes, but seldom did normal subjects, interviewed under the same conditions, make the opposite mistake. When they were asked to help us wash *cups and saucers*, some women consented, some made stupid excuses, and some told us bluntly to go wash them ourselves, but *practically no one thought that we were talking about policemen and magicians.*”

*“Are empty mustard off mar fate
Are empty catsup off mouse hole.”*

What Anguish Really Is. ▼

The experiments described above, and hundreds of similar ones conducted by SPAL show that *an unbelievable number of English words, regardless of their usual meanings, can be substituted quite satisfactorily*

for others. When all the words in a given passage of English have been so replaced, the passage keeps its original meaning, but all the words have acquired new ones. A word that has received a new meaning has become a wart, and when all the words in the passage have become warts, the passage is no longer English; it's Anguish.

Are There Any Good Reasons to Study Anguish? 🐢

This is not an altogether silly question, and it deserves the prompt and unequivocal answer any Anguish Languish enthusiast will give it.

“*Watcher mane, ardor rainy gut raisins toe sturdy anguish?*” he will say, and will probably give you an impressive list of them which will certainly include the following:

1. Anguish is fun.

You and your friends can make a game out of learning Anguish, and you'll have fun developing your own style and observing each other's efforts. How to begin will be explained later.

2. Anguish Languish means verbal economy.

If words can be made to do double, triple, or even quadruple duty, it is obvious that we don't need so many of them. Wouldn't it be a comfort to know that, in the event of some unpredictable disaster wiping out half of our English vocabulary, we could, if we had learned Anguish, get along nicely with what we had left?^[3]

3. Anguish helps out in certain social situations.

People who aren't sure of themselves should learn Anguish. Suppose you have been asked to dinner by the president of your company and his wife. Since you haven't met your hostess, you have spent some time, before going, thinking up something to say that will really interest her. Finally you decide to ask, during the dinner:

“Mrs. Bellowell, didn’t I hear that your brother Henry was discovered to be in collusion with those election crooks?”

The moment arrives, but you no sooner get her attention than you have sudden misgivings. Too late to change your subject, you slip deftly into Anguish:

“Mrs. Bellowell ... deaden are hair ditcher broader Hennery worse dish-cupboard toe bang collision wet dozer liquor-chin crocks?”

Chances are that everyone will be so fascinated by the graceful form of your question that not even your hostess will attach much importance to what you’ve asked.

EUROPE OILY DISK MOANING!

DOILY BOARD CASHES OR WARM!

4. Anguish relieves that terrible craving to tell dialect stories.

People who are addicted to telling dialect stories, or chronically frustrated because they can't tell them without Scotch brogue or Brooklynese getting mixed up with Deep South, will be overjoyed with Anguish. *Anguish is definitely not a dialect, since it consists only of unchanged English words which anyone can pronounce.* By imparting a

delicate and indefinably exotic accent to one's speech, however, it not only provides a socially acceptable substitute for telling dialect stories, but adds to one's personal charm.^[4]

5. Anguish improves your English.

As your Anguish vocabulary increases, you'll find that your English vocabulary does, too, but you must be careful not to mix them up—something which people orphan do when they begin to use words according to the way they sound rather than how they're spelled. Words which are rare in English are often common enough in Anguish, so you have new opportunities to see them. Suppose you're spending a week-end reciting nursery rhymes in Anguish to a happy group of children or immature adults, and come across *SING A SONG OF SIXPENCE, A POCKET FULL OF RYE*. In Anguish, this, of course, is *SINKER SUCKER SOCKS PANTS, APOCRYPHAL AWRY*. This will give you an unexpected chance to use the last two words.

You'd be surprised to know how many people haven't the faintest idea what a xyster is until they hear a SPAL member talking about his fodder, murder, broader, and xyster. This makes them want to look *xyster* up. When they do, they find that, although *xyster*^[5] in Anguish, may mean *sister*, in English it's nothing in the world but a common raspatorium. Now raspatoria, and, therefore xysters are important surgical instruments, nice to know about before being scheduled for an aberration.

Speaking of xysters, hominy people know what *higglery* is? Very few, yet it occurs in the Anguish Languish version of something as well known as:

“Murder, mare argo art toe swarm?”
“Yap, mar doling dodder,
Hank yore clues honor higglery larme
An dun gore norther warder!”

While you're looking up *higglery*, you might find *larme*, just a few pages away in Webster's Unabridged.

“—wail, debt worse inner laest wake off Dismember—nor, inner foist

6. Practical Anguish.

Anguish can be used for group study at parties and entertainments; as a psychological test of something or other (we don’t know just what),^[6] and as practice material in Speech and Typing classes.

How Can One Learn Anguish? 🐢

1. Read everything in this text aloud, and preferably in a group. Make a game of it.

You'll find it easier to understand Anguish when you *hear* it than when you see it. If you have trouble, listen to someone else read it to you, preferably someone who doesn't quite know what he's reading. This often gives the best effect. Watch what happens when the listeners understand better than the reader.

2. Don't try to read too fast and be sure to give all words their usual English pronunciation, regardless of the new meaning the word has acquired. An accurate pronunciation and good intonation are most effective.

3. Don't worry if you seem to have suddenly acquired a slight accent; your friends will tell you that this is most attractive.

[1] The members of SPAL are the persons who have written to the author concerning the Anguish Languish, especially the thousands who wrote to request copies of LADLE RAT ROTTEN HUT after Arthur Godfrey's inimitable reading of it, on his television show. The society is very poorly organized, in fact few of the members even know they belong. There are no officers, no meetings, no convention, and, worst of all, from the point of view of the author and founder, no dues.

[2] This isn't his real name, nor is it intended to be the name of any other Anguish Languish professor, living or dead.

[3] Whether or not such a calamity is likely to occur seems entirely beside the point; in times like these one should be prepared for any emergency.

[4] *ANGUISH ANONYMOUS*, an organization of former dialect story tellers, sponsored by SPAL, can be called in difficult cases.

[5] The plural of *xyster* in Anguish, is *cisterns*. See, in this book, the story of *Center Alley*.

[6] A research psychologist plans to use *Anguish Languish* to provide data for a study entitled: "*Individual and Sex Differences in Configurational Perception of Artificially Contrived but Phenomenologically Comprehensible Auditory Stimuli*." This sounds as if it should mean something.

The first item in this collection is a story familiar to all readers—LITTLE RED RIDING HOOD. Or, as you can probably say now in Anguish, LADLE RAT ROTTEN HUT.

Heresy ladle furry starry toiling udder warts—warts welcher altar girdle deferent firmer once inner regional virgin. This sentence means: “Here is a little fairy story told in other words—words which are altogether different from the ones in the original version.”

Special rules, set forth in the General Terms of Use part of this license, apply to copying and distributing Project Gutenberg™ electronic works to protect the PROJECT GUTENBERG™ concept and trademark. Project Gutenberg is a registered trademark, and may not be used if you charge for an eBook, except by following the terms of the trademark license, including paying royalties for use of the Project Gutenberg trademark. If you do not charge anything for copies of this eBook, complying with the trademark license is very easy. You may use this eBook for nearly any purpose such as creation of derivative works, reports, performances and research. THE FULL PROJECT GUTENBERG™ LICENSE

PLEASE READ THIS BEFORE YOU DISTRIBUTE OR USE THIS WORK

To protect the Project Gutenberg™ mission of promoting the free distribution of electronic works, by using or distributing this work (or any other work associated in any way with the phrase “Project Gutenberg”), you agree to comply with all the terms of the Full Project Gutenberg License available with this file or online at www.gutenberg.org/license.

Section 1. General Terms of Use and Redistributing Project Gutenberg electronic works

1.A. By reading or using any part of this Project Gutenberg electronic work, you indicate that you have read, understand, agree to and accept all the terms of this license and intellectual property (trademark/copyright) agreement. If you do not agree to abide by all the terms of this agreement, you must cease using and return or destroy all copies of Project Gutenberg electronic works in your possession. If you paid a fee for obtaining a copy of or access to a Project Gutenberg electronic work and you do not agree to be bound by the terms of this agreement, you may obtain a refund from the person or entity to whom you paid the fee as set forth in paragraph 1.E.8.

1.B. “Project Gutenberg” is a registered trademark. It may only be used on or associated in any way with an electronic work by people who agree to be bound by the terms of this agreement. There are a few things that you can do with most Project Gutenberg electronic works even without complying with the full terms of this agreement. See paragraph 1.C below. There are a lot of things you can do with Project Gutenberg electronic works if you follow the terms of this agreement and help preserve free future access to Project Gutenberg electronic works. See paragraph 1.E below.

1.C. The Project Gutenberg Literary Archive Foundation (“the Foundation” or PGLAF), owns a compilation copyright in the

collection of Project Gutenberg electronic works. Nearly all the individual works in the collection are in the public domain in the United States. If an individual work is unprotected by copyright law in the United States and you are located in the United States, we do not claim a right to prevent you from copying, distributing, performing, displaying or creating derivative works based on the work as long as all references to Project Gutenberg are removed. Of course, we hope that you will support the Project Gutenberg mission of promoting free access to electronic works by freely sharing Project Gutenberg works in compliance with the terms of this agreement for keeping the Project Gutenberg name associated with the work. You can easily comply with the terms of this agreement by keeping this work in the same format with its attached full Project Gutenberg License when you share it without charge with others.

1.D. The copyright laws of the place where you are located also govern what you can do with this work. Copyright laws in most countries are in a constant state of change. If you are outside the United States, check the laws of your country in addition to the terms of this agreement before downloading, copying, displaying, performing, distributing or creating derivative works based on this work or any other Project Gutenberg work. The Foundation makes no representations concerning the copyright status of any work in any country other than the United States.

1.E. Unless you have removed all references to Project Gutenberg:

The following sentence, with active links to, or other immediate access to, the full Project Gutenberg License must appear prominently whenever any copy of a Project Gutenberg work (any work on which the phrase “Project Gutenberg” appears, or with which the phrase “Project Gutenberg” is associated) is accessed, displayed, performed, viewed, copied or distributed:

This eBook is for the use of anyone anywhere in the United States and most other parts of the world at no cost and with almost no restrictions whatsoever. You may copy it, give it away or re-use it under the terms of the Project Gutenberg™ License included with

this eBook or online at www.gutenberg.org. If you are not located in the United States, you will have to check the laws of the country where you are located before using this eBook.

1.E.2. If an individual Project Gutenberg electronic work is derived from texts not protected by U.S. copyright law (does not contain a notice indicating that it is posted with permission of the copyright holder), the work can be copied and distributed to anyone in the United States without paying any fees or charges. If you are redistributing or providing access to a work with the phrase “Project Gutenberg” associated with or appearing on the work, you must comply either with the requirements of paragraphs 1.E.1 through 1.E.7 or obtain permission for the use of the work and the Project Gutenberg trademark as set forth in paragraphs 1.E.8 or 1.E.9.

1.E.3. If an individual Project Gutenberg electronic work is posted with the permission of the copyright holder, your use and distribution must comply with both paragraphs 1.E.1 through 1.E.7 and any additional terms imposed by the copyright holder. Additional terms will be linked to the Project Gutenberg License for all works posted with the permission of the copyright holder found at the beginning of this work.

1.E.4. Do not unlink or detach or remove the full Project Gutenberg License terms from this work, or any files containing a part of this work or any other work associated with Project Gutenberg.

1.E.5. Do not copy, display, perform, distribute or redistribute this electronic work, or any part of this electronic work, without prominently displaying the sentence set forth in paragraph 1.E.1 with active links or immediate access to the full terms of the Project Gutenberg License.

1.E.6. You may convert to and distribute this work in any binary, compressed, marked up, nonproprietary or proprietary form, including any word processing or hypertext form. However, if you provide access to or distribute copies of a Project Gutenberg work in a format other than “Plain Vanilla ASCII” or other format used in the official

version posted on the official Project Gutenberg website (www.gutenberg.org), you must, at no additional cost, fee or expense to the user, provide a copy, a means of exporting a copy, or a means of obtaining a copy upon request, of the work in its original “Plain Vanilla ASCII” or other form. Any alternate format must include the full Project Gutenberg License as specified in paragraph 1.E.1.

1.E.7. Do not charge a fee for access to, viewing, displaying, performing, copying or distributing any Project Gutenberg works unless you comply with paragraph 1.E.8 or 1.E.9.

1.E.8. You may charge a reasonable fee for copies of or providing access to or distributing Project Gutenberg electronic works provided that:

- You pay a royalty fee of 20% of the gross profits you derive from the use of Project Gutenberg works calculated using the method you already use to calculate your applicable taxes. The fee is owed to the owner of the Project Gutenberg trademark, but he has agreed to donate royalties under this paragraph to the Project Gutenberg Literary Archive Foundation. Royalty payments must be paid within 60 days following each date on which you prepare (or are legally required to prepare) your periodic tax returns. Royalty payments should be clearly marked as such and sent to the Project Gutenberg Literary Archive Foundation at the address specified in Section 4, “Information about donations to the Project Gutenberg Literary Archive Foundation.”
- You provide a full refund of any money paid by a user who notifies you in writing (or by e-mail) within 30 days of receipt that s/he does not agree to the terms of the full Project Gutenberg™ License. - You provide, in accordance with paragraph 1.F.3, a full refund of any money paid for a work or a replacement copy, if a defect in the electronic work is discovered and reported to you within 90 days of receipt of the work.

- You comply with all other terms of this agreement for free distribution of Project Gutenberg™ works.

1.E.9. If you wish to charge a fee or distribute a Project Gutenberg™ electronic work or group of works on different terms than are set forth in this agreement, you must obtain permission in writing from the Project Gutenberg Literary Archive Foundation, the manager of the Project Gutenberg™ trademark. Contact the Foundation as set forth in Section 3 below.

1.F.

1.F.1. Project Gutenberg volunteers and employees expend considerable effort to identify, do copyright research on, transcribe and proofread works not protected by U.S. copyright law in creating the Project Gutenberg™ collection. Despite these efforts, Project Gutenberg™ electronic works, and the medium on which they may be stored, may contain “Defects,” such as, but not limited to, incomplete, inaccurate or corrupt data, transcription errors, a copyright or other intellectual property infringement, a defective or damaged disk or other medium, a computer virus, or computer codes that damage or cannot be read by your equipment.

1.F.2. LIMITED WARRANTY, DISCLAIMER OF DAMAGES - Except for the “Right of Replacement or Refund” described in paragraph 1.F.3, the Project Gutenberg Literary Archive Foundation, the owner of the Project Gutenberg™ trademark, and any other party distributing a Project Gutenberg™ electronic work under this agreement, disclaim all liability to you for damages, costs and expenses, including legal fees. YOU AGREE THAT YOU HAVE NO REMEDIES FOR NEGLIGENCE, STRICT LIABILITY, BREACH OF WARRANTY OR BREACH OF CONTRACT EXCEPT THOSE PROVIDED IN PARAGRAPH 1.F.3. YOU AGREE THAT THE FOUNDATION, THE TRADEMARK OWNER, AND ANY DISTRIBUTOR UNDER THIS AGREEMENT WILL NOT BE LIABLE TO YOU FOR ACTUAL, DIRECT, INDIRECT, CONSEQUENTIAL, PUNITIVE OR INCIDENTAL DAMAGES

EVEN IF YOU GIVE NOTICE OF THE POSSIBILITY OF SUCH DAMAGE.

1.F.3. LIMITED RIGHT OF REPLACEMENT OR REFUND - If you discover a defect in this electronic work within 90 days of receiving it, you can receive a refund of the money (if any) you paid for it by sending a written explanation to the person you received the work from. If you received the work on a physical medium, you must return the medium with your written explanation. The person or entity that provided you with the defective work may elect to provide a replacement copy in lieu of a refund. If you received the work electronically, the person or entity providing it to you may choose to give you a second opportunity to receive the work electronically in lieu of a refund. If the second copy is also defective, you may demand a refund in writing without further opportunities to fix the problem.

1.F.4. Except for the limited right of replacement or refund set forth in paragraph 1.F.3, this work is provided to you 'AS-IS', WITH NO OTHER WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PURPOSE.

1.F.5. Some states do not allow disclaimers of certain implied warranties or the exclusion or limitation of certain types of damages. If any disclaimer or limitation set forth in this agreement violates the law of the state applicable to this agreement, the agreement shall be interpreted to make the maximum disclaimer or limitation permitted by the applicable state law. The invalidity or unenforceability of any provision of this agreement shall not void the remaining provisions.

1.F.6. INDEMNITY - You agree to indemnify and hold the Foundation, the trademark owner, any agent or employee of the Foundation, anyone providing copies of Project Gutenberg™ electronic works in accordance with this agreement, and any volunteers associated with the production, promotion and distribution of Project Gutenberg™ electronic works, harmless from all liability, costs and expenses, including legal fees, that arise directly or indirectly from any of the following which you do or cause to occur: (a)

distribution of this or any Project Gutenberg work, (b) alteration, modification, or additions or deletions to any Project Gutenberg work, and (c) any Defect you cause.

Section 2. Information about the Mission of Project Gutenberg

Project Gutenberg is synonymous with the free distribution of electronic works in formats readable by the widest variety of computers including obsolete, old, middle-aged and new computers. It exists because of the efforts of hundreds of volunteers and donations from people in all walks of life.

Volunteers and financial support to provide volunteers with the assistance they need are critical to reaching Project Gutenberg's goals and ensuring that the Project Gutenberg collection will remain freely available for generations to come. In 2001, the Project Gutenberg Literary Archive Foundation was created to provide a secure and permanent future for Project Gutenberg and future generations. To learn more about the Project Gutenberg Literary Archive Foundation and how your efforts and donations can help, see Sections 3 and 4 and the Foundation information page at www.gutenberg.org.

Section 3. Information about the Project Gutenberg Literary Archive Foundation

The Project Gutenberg Literary Archive Foundation is a non-profit 501(c)(3) educational corporation organized under the laws of the state of Mississippi and granted tax exempt status by the Internal Revenue Service. The Foundation's EIN or federal tax identification number is 64-6221541. Contributions to the Project Gutenberg Literary Archive Foundation are tax deductible to the full extent permitted by U.S. federal laws and your state's laws.

The Foundation's business office is located at 41 Watchung Plaza #516, Montclair NJ 07042, USA, +1 (862) 621-9288. Email contact

links and up to date contact information can be found at the Foundation's website and official page at www.gutenberg.org/contact

Section 4. Information about Donations to the Project Gutenberg Literary Archive Foundation

Project Gutenberg™ depends upon and cannot survive without widespread public support and donations to carry out its mission of increasing the number of public domain and licensed works that can be freely distributed in machine-readable form accessible by the widest array of equipment including outdated equipment. Many small donations (\$1 to \$5,000) are particularly important to maintaining tax exempt status with the IRS.

The Foundation is committed to complying with the laws regulating charities and charitable donations in all 50 states of the United States. Compliance requirements are not uniform and it takes a considerable effort, much paperwork and many fees to meet and keep up with these requirements. We do not solicit donations in locations where we have not received written confirmation of compliance. To SEND DONATIONS or determine the status of compliance for any particular state visit www.gutenberg.org/donate.

While we cannot and do not solicit contributions from states where we have not met the solicitation requirements, we know of no prohibition against accepting unsolicited donations from donors in such states who approach us with offers to donate.

International donations are gratefully accepted, but we cannot make any statements concerning tax treatment of donations received from outside the United States. U.S. laws alone swamp our small staff.

Please check the Project Gutenberg web pages for current donation methods and addresses. Donations are accepted in a number of other ways including checks, online payments and credit card donations. To donate, please visit: www.gutenberg.org/donate.

Section 5. General Information About Project Gutenberg electronic works

Professor Michael S. Hart was the originator of the Project Gutenberg concept of a library of electronic works that could be freely shared with anyone. For forty years, he produced and distributed Project Gutenberg eBooks with only a loose network of volunteer support.

Project Gutenberg eBooks are often created from several printed editions, all of which are confirmed as not protected by copyright in the U.S. unless a copyright notice is included. Thus, we do not necessarily keep eBooks in compliance with any particular paper edition.

Most people start at our website which has the main PG search facility: www.gutenberg.org.

This website includes information about Project Gutenberg, including how to make donations to the Project Gutenberg Literary Archive Foundation, how to help produce our new eBooks, and how to subscribe to our email newsletter to hear about new eBooks.
