RHYME AND REASON

VOLUME TWO

BY Dom

A complement and continuation to the compilation, 'RHYME AND REASON'.

Dedicated to the cherished and cheeky peeps.

Bravo ! :

You speak to one and speak to all
Our minds ye have gracefully touched
In joy we leap and misery we crawl
But in Belief and Faith we have much
8>)

The '99 Blues (composed in 1999) :

Then garrisons marched out to conquer half the world ruled from the center with mastery of steel and agility discipline ensured victory in the reign of conquerors just a few millenniums ago

The sea a vast briny divide civilization still ruled by the tide then brave explorers discovered new lands and the people conquered their stake upon immortality for the homeland's glory just a few centuries ago

Red flag and sickle brought down a throne when planes first battled and droned world wars twice a century during the first half the Cold War ended just over a decade ago

We're not getting closer even as we get older resorted to arms negotiations crumbled talk in shambles just a few years ago

News still blaring strife and scandal weight of troubles for the willing and able to cleanse this world of ailments do we seek the new fangled or ancient ? we're still searching just a few days ago

Neighbourhood bustles with communal fussing jobs, relations, children, gossip and bragging folks I know and don't chattering I have the alcohol's fire in my veins from the drinks I had just a few hours ago

My thoughts flip back to friends I had times of delight and mirth made me glad then commitments led us away catch up with you soon I was in the past just a minute ago 8>)

Passage Of His Reign :

Supple youth gambols with fresh breeze.
Fledgling seeds sprout first roots.
First light flickers from the horizon.
Winds blow with a shrill.
His reign is ascending.

Seasoned vigour reads the seasons.
Roots rush to claim its share of the earth.
Torch of day hangs midway at meridian's hour.
Winds howl deeply.
His reign at its apex.

What was once a peak is now a plain.
The next crest yields a basin of troughs.
Howling winds bewray cracks.

Ripe form moves with care.
Old roots are gnarled.
Light of day is a humble blend of glow and grey.
Winds howl at slurred pace.
His reign at its ebb.
8>)

No. 14 :

He's been up and over the hill
He's lost the horizon
He can't see the end
to his plateau limbo

The parade of younger generations excite him they do not he knows the game the tools have long changed he a hapless victim of the course of regulations which write off able bodied people on set biological years not on account of physical decline

He wastes away
He's been up and over the hill
Bereft of direction
He's lost the horizon
which guided previous phases of his life

A man in retirement without lifelong passion outside the sphere of his career hastens his own decline He can't see the end to his plateau limbo 8>)

Worth Of Say :

Everybody's worth of say heard in haunts you roam Someone else's worth of say overheard as you flit by It's not your worth of say while you stand, watch and wait You want your worth of say before pale flag's hoisted the towel thrown

Everybody's worth of say in each twist of rhetoric Someone else's worth of say you cannot see your name It's not your worth of say you haven't spoken yet You want your worth of say before the heart's lost the daredevils retire

Everybody's worth of say as you glean the scene Someone else's worth of say while you keep your peace It's not your worth of say when others speak their mind You want your worth of say before the flames flake the embers melt 8>)

Illustration Of Melancholy:

'I saw your face , It was clouded by smoke I grasped the smoke, and inhaled despair Was I too late ? Am I just in time for one last remorse and to scream myself hoarse robbed of the thrill of a dare The wheels turn with a broken spoke ' 8>)

For A Friend's Recovery :

My heart leaps at your recovery
Peaks and troughs you did scale
Ease towards hearty and hale
Soon you'll return to normalcy
8>)

Progeny :

Flesh of one's flesh Blood of one's blood nature and learning mesh where two create a third 8>)

I'm Leaving :

Goodbye there's a pensive stillness
A short while to reflect the jolt
There's a blithe smile of carelessness
A short pause to fasten the bolt
8>)

Action Required :

Thoughts that lodge in me should I bolt them and forget ? should I say them and release ? this quandary baits me with a jerk of regret

Questions play within me should I price their logic ? should I leave them be ? this quandary baits me with care I am to pick

Resolve swells in me I should heed apprehension ! I should calm uncertainty ! the last stroke awaits me with an expectation 8>)

Little One's Hope :

Your tiny feet stumble and knees buckle yet you walk with outstretched arms Your hands grapple at awkward angles yet you come with curious arms Child of hope and child of trust Shape your future with our past 8>)

A Toast To Thee :

though the distance for miles swell much from Fortune we can't tell savour rewards and joys we had while sweat and toil made us prepared your quests ahead, I wish you well 8>)

Whimsical Verse :

There was a lady of wavy long tresses who pined for short locks of hair so to her wish she one day addresses and was delighted by a sight so fair! 8>)

A weave of thanks :

'twas inspired by inspiration I thank thee for thy plaudit where reason and words meet 'tis to me a joyous notion with words Bards shape and weave while from the Muses they receive ! 8>)

Quatrain For Friends :

In friendship and in sport
Trust and faith scaled the fort
In light jest and with truth
Hands clasp with regard true
8>)

The World Turns :

for as long as the world turns there'll be cause to go on along its twists and turns from night to new morn sparks alight where fire burns warm embraces and cold spurns events that press us upon when cause and effect churns while hopes and chances spawn sadness and joy have their turns there'll be cause to go on for as long as the world turns 8>)

Pricey Temptation :

Sell us your finest finery To cheer up lively livery the earthly passing passions tempt with comely compulsions 8>)

Your Move :

where does your heart lie ? when it must be true ? the hard questions they pry and they are now due !

to salvation where you're cleansed ? or reap damnation of recompense ?
judge and make fateful choice foolish plunge or righteous poise ! 8>)

Restless Reckless :

Mesh of contradictions with likely predilections flirting with chance in a
worldly prance

Providence queried with questions varied in a rush hurried of temper
unburied

Toasts to eventuality with a toss of probability come fame or infamy
taunts decreed mortality 8>)

Three Thoughts at Three Paces :

1 For what is a lavish bauble but sight to behold and marvel ? It cares not
how you fare merely a trinket to compare ?

2 Mock not the spartan or ornate swiftly in haste or in debate With stealth
change alters priorities makes necessary, luxuries makes luxuries,
necessities A restless evolving state fills or wipes a slate

3 Spare traders of things necessary for their lack of tasteful grace Their
use and place have longevity with wares to ease passing days 8>)

Some Questions(while Hope still waits) : 1 Will sworn foes swear anew
be seated on common pew ? though far easier to renounce strangers bad
blood among same blood breeds dangers

2 Will sworn foes swear anew be seated on common pew ? or will peace be only enforced when each choose a separate course ?

3 Will sworn foes swear anew be seated on common pew ? or must ill churn till last breath with no certainty but death ?

4

By own accord, jettison pride
Courage on a limb, bare one's hide
If sincerity resides on each side...

5 Will sworn foes swear anew be seated on common pew ? if oaths can be retaken can they embrace as brethren ? 8>)

Passing Days :

Cry for joy and sorrow Yet lay hope for morrow Lift that blanket over you
Till grass is wet with dew Lift your head to a new morn you'll be long
way from forlorn greet sunrise with relish bid sunset with a wish 8>)

A Year Of Changes :

A year of welcomes and partings short jaunts and long meanderings of
prosaic and verse wanderings sustained efforts and constant dartings

A year of comings and goings sure-footed steps and trippings swift
stirrings and quiet mullings along known paths and new turnings 8>)

Another Round(for my friends) :

Wishing you joys plenty and setbacks few
Like the seasonal changes right on cue
Friendship true cloys not but breathes anew
Bursting with good faith and goodness due
8>)

Eight Lines :

Things said are said fully
Deeds done are done truly
There shan't be lies to grieve
If truth is like a sieve

When wits are matched
Our minds are lighted
When sins are hatched
Our joys are blighted
8>)

Dose Of Happiness :

Feast on meals healthy and hearty moods brightened by fair company
amidst weather fine and agreeable chosen activities are feasible with
pleasant and peaceful repose awashed with life's joyful dose 8>)

Under The Influence :

Resolute we are to mark treasures with length and breadth of finite
measures as if their expanse explains indulgence where passion and
devotion fuse at confluence 8>)

Grant Me A Moment :

Grant me a moment its tarrying worth so I may savour my own lingering that later at length I could with mirth dub it a spell apt for remembering 8>)

The Best Seat :

Seated amongst fondest of friends I took my place with much relish there's truth that happiness depends on presence of those we cherish 8>)

Simple Worship :

Elaborate rituals and traditions serve to lengthen the divide between what believers wish to state and supposed obligations that come with prayers. More often than not, such rituals are man-made rules meant to lend mystical, mysterious air to worship. In fact how we worship is as bare knuckles as simple sincerity.

Rituals and traditions do not enhance spiritual health of the faithful. They prolong the physical manifestation of worshipping taken to (at times) zealous and elitist degree. It bewilders those who approach religion with the aim of simple worship and sincere intimations. The imposition of man-made strictures and selfish interpretations magnifies the measure of spiritual desolation and logical confusion when welcome and solace are sought.

It is hurtful and spiritually repulsive to have a monk, priest or medium severely chastise a worshipper for menial violations, made out of ignorance, for the common people are not as well schooled in so-called religious conventions. It is their duty to guide and courtesy to instruct. No believer and worshipper comes with willful intent to cause sacrilege. That goes

against the purpose and effort of one's presence. Again, it is caused by the imposition of rituals and ceremony which causes the divide.

A believer comes, settles in a prayerful pose and speaks one's heart, spills worries, mentions cares and wishes hopes for the numerous tomorrows ahead. It is a simple affirmation of faith and a private conversation with the Maker. What transpires in every session is a mutual secret between believer and Divine. A simple act that can be replicated at home in the confines of the room. 8>)

Savage Civilization :

Known civilization was once overrun by wild tribes. Humanity once again threatens itself; by overrunning itself from within. When decency becomes an underground outlawed movement, if civilization glorifies its own demise and luxuriates in the stream of crumbling plaster and concrete, that is when the very term 'civilization' becomes a meaningless warble of groans.

Before this desperate nightmare transmutes into hopeless reality, we need to pinch ourselves and come to our senses by putting our chaotic house in order. We are our own worst enemy and our likeliest saviour. 8>)

Raindrops :

Those who plan to go on foot bide time till lashing water slackens its vehemence upon the earth. Overfed sod forms mud puddles. Drenched concrete turn shades darker. Windows and screens are glazed with hazy film. Droplets streak randomly along crooked paths, from the steepest incline to the base. Trails of clear watery streaks slice through round and oval drops , speedily and decisively, like drunken comets. 8>)

Circumstantial Standpoint :

It's nothing but circumstances between us. Circumstances determine who orders the charge and who charges, who lords over all and who the servants are, who rests atop pedestals and who shoulder their weight, who stands on the rostrum and who stand on the plains.

Mere circumstances divide us. They determine who bears the moral responsibility, who does or refrain from the deed, those who are garbed and crowned with honour , those besmirched with infamy.

It's nothing but circumstances between us. Their plot is such that there are those who are heralds, those who are heralded and those who are unheralded masses. Mere circumstances stretch and fill possibilities within the circumstantial spectrum. 8>)

Just Passing By :

Questions and reality of mortality meet us head on. They are inescapable in this mortal sphere. With each experience we grow towards maturity and acceptance of the frailties of the flesh in Life's autumn. Mortality steps on our plate. It comes with mounting frequency. Rising generations. Receding elders. They meet , then one of them become recollection. 8>)

Workers Of The Land :

Let's turn our plaudits from urbane beings to workers of the land. Ever so often overlooked in this age of metropolis. Their handiwork beget sustenance which we require to sustain life and maintain our well being. The country's produce douses bothers of hunger, satiates palates. Their bread and butter , our bread and butter. Workers of the land, at times

contemned, dismissed as simpletons. Give them their due. Short change them not with regard. The earth had been generous to them when our tongues were miserly. Workers of the land, nurtured by the earth and they nurture the earth in return for its gifts. 8>)

Rest :

Sleep is relief between exertions and effort we demand from ourselves. Much as we crave to eject all stops , the flesh craves due rest. The sword misses its scabbard. It returns to its housing when warlike vigilance is out of place. Take rest when your being needs its nourishment. Resume your affairs when refreshed. Thoughts dart. Senses sharpened. Limbs have their nimbleness returned. Go fly into the arena. Spend strength inside. When weariness gives the cue, come right back to the lull of repose. 8>)

Good Times :

The time we had. Life's delights shared. Repartees. Jousting with and jocular bandying. They take stage and fill gaps during bouts of excruciating inactivity. Scene, scents and discerned details. Moments of climax. Instances at the apex of tension which left all ahanging on every second of charged anticipation relieved by laughter when the punch line was delivered. Unexpected turns, surprise when it caught us at the tender flank, we were stupefied. Then senses roused us to cheer the deftness of the deed. 8>)

1.F.

1.F.1. Project Gutenberg volunteers and employees expend considerable effort to identify, do copyright research on, transcribe and proofread works not protected by U.S. copyright law in creating the Project Gutenberg™ collection. Section 2. Information about the Mission of Project Gutenberg

Project Gutenberg is synonymous with the free distribution of electronic works in formats readable by the widest variety of computers including obsolete, old, middle-aged and new computers. It exists because of the efforts of hundreds of volunteers and donations from people in all walks of life.

Volunteers and financial support to provide volunteers with the assistance they need are critical to reaching Project Gutenberg's goals and ensuring that the Project Gutenberg collection will remain freely available for generations to come. In 2001, the Project Gutenberg Literary Archive Foundation was created to provide a secure and permanent future for Project Gutenberg and future generations. To learn more about the Project Gutenberg Literary Archive Foundation and how your efforts and donations can help, see Sections 3 and 4 and the Foundation information page at www.gutenberg.org.

Section 3. Information about the Project Gutenberg Literary Archive Foundation

The Project Gutenberg Literary Archive Foundation is a non-profit 501(c)(3) educational corporation organized under the laws of the state of Mississippi and granted tax exempt status by the Internal Revenue Service. The Foundation's EIN or federal tax identification number is 64-6221541. Contributions to the Project Gutenberg Literary Archive Foundation are tax deductible to the full extent permitted by U.S. federal laws and your state's laws.

The Foundation's business office is located at 41 Watchung Plaza #516, Montclair NJ 07042, USA, +1 (862) 621-9288. Email contact links and up to date contact information can be found at the Foundation's website and official page at www.gutenberg.org/contact

Section 4. Information about Donations to the Project Gutenberg Literary Archive Foundation

Project Gutenberg™ depends upon and cannot survive without widespread public support and donations to carry out its mission of increasing the number of public domain and licensed works that can be freely distributed in machine-readable form accessible by the widest array of equipment including outdated equipment. Many small donations (\$1 to \$5,000) are particularly important to maintaining tax exempt status with the IRS.

The Foundation is committed to complying with the laws regulating charities and charitable donations in all 50 states of the United States. Compliance requirements are not uniform and it takes a considerable effort, much paperwork and many fees to meet and keep up with these requirements. We do not solicit donations in locations where we have not received written confirmation of compliance. To SEND DONATIONS or determine the status of compliance for any particular state visit www.gutenberg.org/donate.

While we cannot and do not solicit contributions from states where we have not met the solicitation requirements, we know of no prohibition against accepting unsolicited donations from donors in such states who approach us with offers to donate.

International donations are gratefully accepted, but we cannot make any statements concerning tax treatment of donations received from outside the United States. U.S. laws alone swamp our small staff.

Please check the Project Gutenberg web pages for current donation methods and addresses. Donations are accepted in a number of other ways including checks, online payments and credit card donations. To donate, please visit: www.gutenberg.org/donate.

Section 5. General Information About Project Gutenberg electronic works

Professor Michael S. Hart was the originator of the Project Gutenberg concept of a library of electronic works that could be freely shared with anyone. For forty years, he produced and distributed Project Gutenberg eBooks with only a loose network of volunteer support.

Project Gutenberg eBooks are often created from several printed editions, all of which are confirmed as not protected by copyright in the U.S. unless a copyright notice is included. Thus, we do not necessarily keep eBooks in compliance with any particular paper edition.

Most people start at our website which has the main PG search facility:
www.gutenberg.org.

This website includes information about Project Gutenberg, including how to make donations to the Project Gutenberg Literary Archive Foundation, how to help produce our new eBooks, and how to subscribe to our email newsletter to hear about new eBooks.
