Hearticulturists

AUTHORS' NOTE

In bringing out this, the second volume of the Cupid's Almanack, we have deemed it advisable to devote our principal effort to informing you,

Good Harticulturists, just what the conditions of the elements will be at the various seasons. This is of the greatest importance, and the success of your work depends largely upon the judgment used in selecting the time to begin.

Enthusiasm is necessary but do not be too impetuous for many a failure has come from rushing ahead while yet conditions are too cold and many a Hope Vine has been killed by a late frost.

If you have started your work indoors do not be in too great haste to set out; young plants need a great deal of warmth and attention and can stand extremely high temperature, while very little cold is apt to be fatal.

In Harticulture so much depends on—whether?

JANUARY

Acquarius

The Water-bearer

THE WATER-MAN

When I consider how I spent my days,
And mind me of the reckless race I ran,
I am resolved that I will mend my ways,
And swear henceforth to be a Water-man.

CUPID'S FORECAST JANUARY

General depression, caused by Brain-storms of December. This is succeeded by a wave of Good Resolutions, accompanied by a general downpour of Ice Water. The cold wave may be counted upon to pass quickly, being followed by brighter days and a Rising Glass.

FEBRUARY

Pisces

The Fishes

THE FISHES

Now forth to fish goes good Saint Valentine,
And baits his gentle hook with tender wishes,
Cupid has lent his bow for rod and line.
Alas! Our time has come—we are the fishes.

THE FISHES

Now forth to fish goes good Saint Valentine,
And baits his gentle hook with tender wishes,
Cupid has lent his bow for rod and line.
Alas! Our time has come—we are the fishes.

CUPID'S FORECAST FEBRUARY

enerally frigid airs, varied by storms and melting spells, with changing temperature until the Fourteenth, when a soft wave will sweep over the

G country accompanied by sentimental Mail Storms, resulting in a general rise of temperament and a happier atmosphere. Husbandmen who are cultivating matrimony will be much troubled through this month by the squally nights.

MARCH

Aries

The Ram

THE RAM

The wind is like to a Rampageous Ram,
That rushes to and fro and round about.
I speed my parting hat with futile damn,
As my umbrella turneth inside out.

CUPID'S FORECAST MARCH

Marked coldness, followed by windy sighs, culminating in stormy bluster. Alternate Frostiness and Melting. A depressing month and one to test the intensity of the heart gardener. All but the hardiest plants must be given extreme attention, and many gardeners, to avoid the danger of a frost, sit up far into the night with their favorite plants during

this month. But at the best it is apt to be chilly and unpleasant going. The month ends in calm, indifferent weather.

APRIL

Taurus

The Bull

THE BULL

Thro' melting clouds the ever-gaining Sun
Predicts a rise in Summer's stock to-day.
The Bears of Winter now are on the run,
The Bull of Spring o'er April's Bourse holds sway.

CUPID'S FORECAST APRIL

Less cold but very changeable. Brief intervals of smiling weather, succeeded by frowning clouds and petulant showers. Sudden storms, accompanied by floods of tears, which dry rapidly as warmer feeling prevails. The first Spring Hats begin to come out and the mewing of Pussy

Willow is heard in the land. The month will end with soft, engaging weather.

MAY

Gemini

The Twins

THE TWINS

Winter the Dotard, fool'd by April's tears,
Is fain to linger in the lap of Spring,
When, with her tall twin brothers, May appears,
And bids him have no thought of such a thing.

CUPID'S FORECAST MAY

Small birds will begin house-hunting and set the fashion by choosing mates. Soft airs prevail and the skies are rosy. The first leaflets of Spring poetry begin to come out. Occasional warm showers, melting hearts and budding friendships. A few sharp storms, followed by bright making-up weather.

JUNE

Cancer

The Crab

THE CRAB

Since it is written “Crabbed Age and Youth
Cannot together live,” now strange to tell,
The crusty Crab for love of June’s sweet tooth
Lays down his life and doffs his armored shell.

CUPID'S FORECAST JUNE

Depression in heart areas, relieved by brief storms which clear the air. A wave of tenderness over all the heart regions, followed by a general warm feeling and the glad ringing of church bells. If you are going to cultivate Matrimony this year, now is the time to begin. Flowery sentiments abound. Increasing warmth produces an atmosphere charged with

restlessness in the thickly peopled heart centres. Unsettled weather and clouds, melting away in epistolary showers.

JULY

Leo

The Lion

THE LION

See how the Lion rages in July
And shakes his mane and walketh up and down,
And roars for hunger. Shall I tell you why?
The folk who feed him all are out of town.

CUPID'S FORECAST JULY

General seaward movement in the air, followed by ocean breezes and heavily charged Hotel Atmosphere. Waves of hot air, principally on the beaches and hotel piazzas. Engaging weather everywhere, with intervals of changeableness. Cooler airs and tempermentary depression, which are followed by clearing skies and renewed warm pressure.

AUGUST

Virgo

The Virgin

THE VIRGIN

Come maidens all, for grace or beauty known,
Behold your queen in virgin majesty—
The Summer Girl, who sits on August's throne
And holds her court beside the laughing sea.

The Sands Of Time

CUPID'S FORECAST AUGUST

Cupid's Shooting Season is at its height. Steady weather. Bright skies and continued prevalence of Hot Air. A few storms, violent, but of short duration, and ending in still warmer conditions. Towards the end

of the month a slightly depressed atmosphere, but the month will end with a sunlit sea and warm waves. The barometer will register very warm, close weather, and many hearts hitherto unaffected will melt. Look out for Moonstroke and Heartburn.

SEPTEMBER

Libra

The Scales

THE SCALES

Careful September doth exactly weigh,
Upon her balance, equal Night and Day;
But when I make my reckoning in the Fall
I find there is no "balance" there at all.

CUPID'S FORECAST SEPTEMBER

Somewhat cooler feeling, and petulant storms more prevalent. Engaging weather becomes unsettled and breaks up. General moistness, followed by downpours, clearing up in some quarters, but generally cloudy and depressed, and the landscape will wear a gloomy and lonely appearance.

OCTOBER

Scorpio

The Scorpion

THE SCORPION

'Tis said the Scorpion, when hemmed in by Fire,
Mocking the flames, will do herself to death.
So Summer dying smiles upon her pyre
Of maples fanned to flame by Autumn's breath.

CUPID'S FORECAST OCTOBER

Slight return of warmer conditions but varying and unreliable. End of the month chilly. The first frost. The leaves of the Time Table begin to turn rapidly. This may be taken as a sign of a change and is followed by a return to a dense, high pressure atmosphere.

NOVEMBER

Sagittarius

The Archer

THE ARCHER

I hear the singing of his cyprus bow
As comes the Archer down the lonely ways,
Through my sad heart his mournful arrows go,
Winged with the memories of Summer days.

Gone!

CUPID'S FORECAST NOVEMBER

Dull feeling in the air. Unpleasant underfoot for Hearts. Dark, cloudy outlook, with small hope of clearing up. Heavy rain of bills, followed by many terrible male storms. Weather brightens slightly, but stuffy towards Thanksgiving. High winds follow, caused by everyone complaining at once about the weather.

DECEMBER

Capricorn

The Goat

THE GOAT

Frolic of foot yet bearded like a sage,
The Goat may stand for Jovial Old Age.
His horns are horns of plenty and good cheer,
He is the jolly MASCOT of the year.

Pattern of a nice Christmas present for a young man

Pattern of a nice Christmas

A good pattern for making up at any time

CUPID'S FORECAST DECEMBER

Brighter. Very cold for those outside, but warm on the inside, where there is a tendency to Hot Air. The cheerful sounds of Kissing Larks are heard under the mistletoe branches. Bracing weather everywhere. Excellent for skates, and good slaying for Cupid. About the 25th of the

month a terrific shower of gifts and good wishes may be looked for. The month will end in violent Brain Storms.

ADDENDA

NOTE

For many years the question has been much discussed as to the value, to Hearticulturists, of Moonlight as a plant food.

From our own experiments we have found it of the greatest help and a decided stimulant to the Engagement Vines; the Proposal Plant invariably, although seemingly on the point of bursting into flower, defers its blossoming until a moonlight night; while our Hammock Vines have lost half their sweetness when Moonlight has not been supplied them. On the other hand, our Porch Climbers have not done so well with Moonlight.

TIDES

Their are two kinds of Tides, the Tied and the Untied. Most of the Tied would rather be Untied and all of the Untied want to be Tied—and they will. (This is life.)

All through the Spring months the Untied will be very active, in fact, until the full of the late June Moon, known as the “Honeymoon,” after which time a tremendous increase may be noticed in the Tieds. This is often spoken of as “the Swell of the Tied.”

Through the summer months the Tieds will run smoothly (often because they are far apart).

With Fall, however, many Tieds will be again united and it will be cold and squally and there will be very large bill owes and storms.

But through it all the dear old Gulp Stream will ever flow merrily on,
dispensing Warmth, Good Cheer and Forgetfulness.

If you are not located in the United States, you will have to check the laws of the country where you are located before using this eBook.

1.E.2. If an individual Project Gutenberg electronic work is derived from texts not protected by U.S. copyright law (does not contain a notice indicating that it is posted with permission of the copyright holder), the work can be copied and distributed to anyone in the United States without paying any fees or charges. If you are redistributing or providing access to a work with the phrase “Project Gutenberg” associated with or appearing on the work, you must comply either with the requirements of paragraphs 1.E.1 through 1.E.7 or obtain permission for the use of the work and the Project Gutenberg trademark as set forth in paragraphs 1.E.8 or 1.E.9.

1.E.3. If an individual Project Gutenberg electronic work is posted with the permission of the copyright holder, your use and distribution must comply with both paragraphs 1.E.1 through 1.E.7 and any additional terms imposed by the copyright holder. Additional terms will be linked to the Project Gutenberg License for all works posted with the permission of the copyright holder found at the beginning of this work.

1.E.4. Do not unlink or detach or remove the full Project Gutenberg License terms from this work, or any files containing a part of this work or any other work associated with Project Gutenberg.

1.E.5. Do not copy, display, perform, distribute or redistribute this electronic work, or any part of this electronic work, without prominently displaying the sentence set forth in paragraph 1.E.1 with active links or immediate access to the full terms of the Project Gutenberg License.

However, if you provide access to or distribute copies of a Project Gutenberg work in a format other than “Plain Vanilla ASCII” or other format used in the official version posted on the official Project Gutenberg website (www.gutenberg.org), you must, at no additional cost, fee or expense to the user, provide a copy, a means of exporting a copy, or a means of obtaining a copy upon request, of the work in its original “Plain Vanilla ASCII” or other form. Any alternate format must include the full Project Gutenberg License as specified in paragraph 1.E.1.

1.E.7. Do not charge a fee for access to, viewing, displaying, performing, copying or distributing any Project Gutenberg works unless you comply with paragraph 1.E.8 or 1.E.9.

- You pay a royalty fee of 20% of the gross profits you derive from the use of Project Gutenberg works calculated using the method you already use to calculate your applicable taxes. Royalty payments must be paid within 60 days following each date on which you prepare (or are legally required to prepare) your periodic tax returns. Royalty payments should be clearly marked as such and sent to the Project Gutenberg Literary Archive Foundation at the address specified in Section 4, "Information about donations to the Project Gutenberg Literary Archive Foundation."

- You comply with all other terms of this agreement for free distribution of Project Gutenberg™ works.

1.E.9. If you wish to charge a fee or distribute a Project Gutenberg™ electronic work or group of works on different terms than are set forth in

1.F.

1.F.1. Project Gutenberg volunteers and employees expend considerable effort to identify, do copyright research on, transcribe and proofread works not protected by U.S. copyright law in creating the Project Gutenberg™ collection. Despite these efforts, Project Gutenberg™ electronic works, and the medium on which they may be stored, may contain “Defects,” such as, but not limited to, incomplete, inaccurate or corrupt data, transcription errors, a copyright or other intellectual property infringement, a defective or damaged disk or other medium, a computer virus, or computer codes that damage or cannot be read by your equipment.

1.F.2. LIMITED WARRANTY, DISCLAIMER OF DAMAGES - Except for the “Right of Replacement or Refund” described in paragraph 1.F.3, the Project Gutenberg Literary Archive Foundation, the owner of the Project Gutenberg™ trademark, and any other party distributing a Project Gutenberg™ electronic work under this agreement, disclaim all liability to you for damages, costs and expenses, including legal fees. YOU AGREE THAT YOU HAVE NO REMEDIES FOR NEGLIGENCE, STRICT LIABILITY, BREACH OF WARRANTY OR BREACH OF CONTRACT EXCEPT THOSE PROVIDED IN PARAGRAPH 1.F.3. YOU AGREE THAT THE FOUNDATION, THE TRADEMARK OWNER, AND ANY DISTRIBUTOR UNDER THIS AGREEMENT WILL NOT BE LIABLE TO YOU FOR ACTUAL, DIRECT, INDIRECT, CONSEQUENTIAL, PUNITIVE OR INCIDENTAL DAMAGES EVEN IF YOU GIVE NOTICE OF THE POSSIBILITY OF SUCH DAMAGE.

1.F.3. LIMITED RIGHT OF REPLACEMENT OR REFUND - If you discover a defect in this electronic work within 90 days of receiving it, you can receive a refund of the money (if any) you paid for it by sending a written explanation to the person you received the work from. If you received the work on a physical medium, you must return the medium with your written explanation. The person or entity that provided you with the

defective work may elect to provide a replacement copy in lieu of a refund. If you received the work electronically, the person or entity providing it to you may choose to give you a second opportunity to receive the work electronically in lieu of a refund. If the second copy is also defective, you may demand a refund in writing without further opportunities to fix the problem.

1.F.4. Except for the limited right of replacement or refund set forth in paragraph 1.F.3, this work is provided to you 'AS-IS', WITH NO OTHER WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PURPOSE.

1.F.5. Some states do not allow disclaimers of certain implied warranties or the exclusion or limitation of certain types of damages. If any disclaimer or limitation set forth in this agreement violates the law of the state applicable to this agreement, the agreement shall be interpreted to make the maximum disclaimer or limitation permitted by the applicable state law. The invalidity or unenforceability of any provision of this agreement shall not void the remaining provisions.

1.F.6. INDEMNITY - You agree to indemnify and hold the Foundation, the trademark owner, any agent or employee of the Foundation, anyone providing copies of Project Gutenberg™ electronic works in accordance with this agreement, and any volunteers associated with the production, promotion and distribution of Project Gutenberg™ electronic works, harmless from all liability, costs and expenses, including legal fees, that arise directly or indirectly from any of the following which you do or cause to occur: (a) distribution of this or any Project Gutenberg work, (b) alteration, modification, or additions or deletions to any Project Gutenberg work, and (c) any Defect you cause.

Section 2. Information about the Mission of Project Gutenberg

Project Gutenberg is synonymous with the free distribution of electronic works in formats readable by the widest variety of computers including

obsolete, old, middle-aged and new computers. It exists because of the efforts of hundreds of volunteers and donations from people in all walks of life.

Volunteers and financial support to provide volunteers with the assistance they need are critical to reaching Project Gutenberg's goals and ensuring that the Project Gutenberg collection will remain freely available for generations to come. In 2001, the Project Gutenberg Literary Archive Foundation was created to provide a secure and permanent future for Project Gutenberg and future generations. To learn more about the Project Gutenberg Literary Archive Foundation and how your efforts and donations can help, see Sections 3 and 4 and the Foundation information page at www.gutenberg.org.

Section 3. Information about the Project Gutenberg Literary Archive Foundation

The Project Gutenberg Literary Archive Foundation is a non-profit 501(c)(3) educational corporation organized under the laws of the state of Mississippi and granted tax exempt status by the Internal Revenue Service. The Foundation's EIN or federal tax identification number is 64-6221541. Contributions to the Project Gutenberg Literary Archive Foundation are tax deductible to the full extent permitted by U.S. federal laws and your state's laws.

The Foundation's business office is located at 41 Watchung Plaza #516, Montclair NJ 07042, USA, +1 (862) 621-9288. Email contact links and up to date contact information can be found at the Foundation's website and official page at www.gutenberg.org/contact

Section 4. Information about Donations to the Project Gutenberg Literary Archive Foundation

Project Gutenberg™ depends upon and cannot survive without widespread public support and donations to carry out its mission of increasing the number of public domain and licensed works that can be freely distributed in machine-readable form accessible by the widest array of equipment

including outdated equipment. Many small donations (\$1 to \$5,000) are particularly important to maintaining tax exempt status with the IRS.

The Foundation is committed to complying with the laws regulating charities and charitable donations in all 50 states of the United States. Compliance requirements are not uniform and it takes a considerable effort, much paperwork and many fees to meet and keep up with these requirements. We do not solicit donations in locations where we have not received written confirmation of compliance. To SEND DONATIONS or determine the status of compliance for any particular state visit www.gutenberg.org/donate.

While we cannot and do not solicit contributions from states where we have not met the solicitation requirements, we know of no prohibition against accepting unsolicited donations from donors in such states who approach us with offers to donate.

International donations are gratefully accepted, but we cannot make any statements concerning tax treatment of donations received from outside the United States. U.S. laws alone swamp our small staff.

Please check the Project Gutenberg web pages for current donation methods and addresses. Donations are accepted in a number of other ways including checks, online payments and credit card donations. To donate, please visit: www.gutenberg.org/donate.

Section 5. General Information About Project Gutenberg electronic works

Professor Michael S. Hart was the originator of the Project Gutenberg concept of a library of electronic works that could be freely shared with anyone. For forty years, he produced and distributed Project Gutenberg eBooks with only a loose network of volunteer support.

Project Gutenberg eBooks are often created from several printed editions, all of which are confirmed as not protected by copyright in the U.S. unless a

copyright notice is included. Thus, we do not necessarily keep eBooks in compliance with any particular paper edition.

Most people start at our website which has the main PG search facility:
www.gutenberg.org.

This website includes information about Project Gutenberg, including how to make donations to the Project Gutenberg Literary Archive Foundation, how to help produce our new eBooks, and how to subscribe to our email newsletter to hear about new eBooks.
