P. S. Before you decorate, you have to *frost* your cake! These tips will help!

After cooling cake thoroughly on rack, brush all the loose crumbs away with your fingers before frosting the cake.

Set one layer upside down on plate; frost top with about $\frac{1}{3}$ of frosting. Set other layer on top, right-side-up.

Frost **SIDES** first, then top. Make attractive swirls with spatula, or leave smooth for added designs.

Choose one of our five frosting mixes to be sure of perfect frosting—always creamy-smooth and easy-spreading!

Betty Crocker Fluffy White **F**rosting Mix
makes a wonderful can't-fail Decorator Icing

No need to make up a special separate batch of icing to decorate your cake!
One package makes plenty to frost your cake and decorate it, too:

To 1 cup prepared Fluffy White Frosting...

Blend in 1 to 1½ cups *sifted* confectioners' sugar (add a little at a time until frosting is stiff enough to hold its shape)....

Blend in 1 tbsp. soft butter and a dash of salt.

Note: Increase sugar and butter when using more than 1 cup frosting.

Is it thick enough? Is it thin enough? Try a little with the tip you plan to use. If too thin, blend in a little more confectioners' sugar. If too thick, blend in a drop or two of water.

HOW TO USE YOUR CONE

- 1** Fit tip tightly into cone with one finger. Fill about half full. Fold top to keep icing in.

2 Hold near top of cone. Use other hand to guide tip. For most work, hold cone at 45° angle.

3 For drop flowers and rosettes, hold cone straight up and down. Press out icing, twist cone, and release.

Try out your decorator set with our
CROSS-STITCH CAKE

Here is a simple-to-start with cake that lets you have fun trying out all the decorator tips.

Tip: have an inverted cake pan handy, to try a few practice strokes on the back. Afterwards, you can scrape the frosting off the pan and put it back in your cone.

Let's get started!

Bake cake in 15½×10½×1" pan at 350° (mod. oven) for 25 min. Use 1 pkg. Betty Crocker Fluffy White Frosting Mix to frost cake; save 1½ cups for Decorator Icing ([p. 9](#)). Tint ½ cup icing pink. Make roses, pansies, sweet peas using #104 petal tip (see below and [next page](#)). Tint ½ cup icing yellow. Make rosettes with #96 flower tip. Use #4 writing tip for flower centers.

1 Use #104 petal tip and flower nail. Hold cone with narrow opening of tip always up. Turning clockwise, make tiny circle for center of rose.

2 To form first petal, make standing half circle to one side of center. Add two more petals, forming triangle. Add petals, overlapping.

3 Remove rose from nail with kitchen shears ... cut almost through base of rose, place on cake, cut completely through, ease rose off.

11

Project Gutenberg volunteers and employees expend considerable effort to identify, do copyright research on, transcribe and proofread works not protected by U.S. copyright law in creating the Project Gutenberg™ collection. Despite these efforts, Project Gutenberg™ electronic works, and the medium on which they may be stored, may contain “Defects,” such as, but not limited to, incomplete, inaccurate or corrupt data, transcription errors, a copyright or other intellectual property infringement, a defective or damaged disk or other medium, a computer virus, or computer codes that damage or cannot be read by your equipment.

LIMITED WARRANTY, DISCLAIMER OF DAMAGES - Except for the “Right of Replacement or Refund” described in paragraph 1.F.3, the Project Gutenberg Literary Archive Foundation, the owner of the Project Gutenberg™ trademark, and any other party distributing a Project Gutenberg™ electronic work under this agreement, disclaim all liability to you for damages, costs and expenses, including legal fees. YOU AGREE THAT YOU HAVE NO REMEDIES FOR NEGLIGENCE, STRICT LIABILITY, BREACH OF WARRANTY OR BREACH OF CONTRACT EXCEPT THOSE PROVIDED IN PARAGRAPH 1.F.3. YOU AGREE THAT THE FOUNDATION, THE TRADEMARK OWNER, AND ANY DISTRIBUTOR UNDER THIS AGREEMENT WILL NOT BE LIABLE TO YOU FOR ACTUAL, DIRECT, INDIRECT, CONSEQUENTIAL, PUNITIVE OR INCIDENTAL DAMAGES EVEN IF YOU GIVE NOTICE OF THE POSSIBILITY OF SUCH DAMAGE.

Section 2. Information about the Mission of Project Gutenberg

Project Gutenberg is synonymous with the free distribution of electronic works in formats readable by the widest variety of computers including obsolete, old, middle-aged and new computers. It exists because of the

efforts of hundreds of volunteers and donations from people in all walks of life.

Volunteers and financial support to provide volunteers with the assistance they need are critical to reaching Project Gutenberg's goals and ensuring that the Project Gutenberg collection will remain freely available for generations to come. In 2001, the Project Gutenberg Literary Archive Foundation was created to provide a secure and permanent future for Project Gutenberg and future generations. To learn more about the Project Gutenberg Literary Archive Foundation and how your efforts and donations can help, see Sections 3 and 4 and the Foundation information page at www.gutenberg.org.

Section 3. Information about the Project Gutenberg Literary Archive Foundation

The Project Gutenberg Literary Archive Foundation is a non-profit 501(c)(3) educational corporation organized under the laws of the state of Mississippi and granted tax exempt status by the Internal Revenue Service. The Foundation's EIN or federal tax identification number is 64-6221541. Contributions to the Project Gutenberg Literary Archive Foundation are tax deductible to the full extent permitted by U.S. federal laws and your state's laws.

The Foundation's business office is located at 41 Watchung Plaza #516, Montclair NJ 07042, USA, +1 (862) 621-9288. Email contact links and up to date contact information can be found at the Foundation's website and official page at www.gutenberg.org/contact

Section 4. Information about Donations to the Project Gutenberg Literary Archive Foundation

Project Gutenberg™ depends upon and cannot survive without widespread public support and donations to carry out its mission of increasing the number of public domain and licensed works that can be freely distributed in machine-readable form accessible by the widest array of equipment

including outdated equipment. Many small donations (\$1 to \$5,000) are particularly important to maintaining tax exempt status with the IRS.

The Foundation is committed to complying with the laws regulating charities and charitable donations in all 50 states of the United States. Compliance requirements are not uniform and it takes a considerable effort, much paperwork and many fees to meet and keep up with these requirements. We do not solicit donations in locations where we have not received written confirmation of compliance. To SEND DONATIONS or determine the status of compliance for any particular state visit www.gutenberg.org/donate.

While we cannot and do not solicit contributions from states where we have not met the solicitation requirements, we know of no prohibition against accepting unsolicited donations from donors in such states who approach us with offers to donate.

International donations are gratefully accepted, but we cannot make any statements concerning tax treatment of donations received from outside the United States. U.S. laws alone swamp our small staff.

Please check the Project Gutenberg web pages for current donation methods and addresses. Donations are accepted in a number of other ways including checks, online payments and credit card donations. To donate, please visit: www.gutenberg.org/donate.

Section 5. General Information About Project Gutenberg electronic works

Professor Michael S. Hart was the originator of the Project Gutenberg concept of a library of electronic works that could be freely shared with anyone. For forty years, he produced and distributed Project Gutenberg eBooks with only a loose network of volunteer support.

Project Gutenberg eBooks are often created from several printed editions, all of which are confirmed as not protected by copyright in the U.S. unless a

copyright notice is included. Thus, we do not necessarily keep eBooks in compliance with any particular paper edition.

Most people start at our website which has the main PG search facility:
www.gutenberg.org.

This website includes information about Project Gutenberg, including how to make donations to the Project Gutenberg Literary Archive Foundation, how to help produce our new eBooks, and how to subscribe to our email newsletter to hear about new eBooks.
