NATIONAL GEOGRAPHIC MAGAZINE.

Vol. II.

1890.

No. 5.

ANNOUNCEMENT.

The NATIONAL GEOGRAPHIC SOCIETY was organized in January, 1888, "to increase and diffuse geographic knowledge." It is incorporated under the laws of the District of Columbia, and has at present an active membership of about four hundred.

The publication of a magazine was early determined upon as one of the means of increasing and diffusing geographic knowledge; and two volumes of *The National Geographic Magazine* have been published in the form of a quarterly journal.

During the past two years it has been found that the form of publication adopted at the outset meets but imperfectly the needs of the Society: in the first place, since the season of active work in the Society includes the winter months only, there was an excess of material for the two earlier numbers and a dearth of material for the two later numbers of the volume; and in the second place, the necessity for holding articles until sufficient material for a number was received sometimes led to delay in publishing interesting and important matter. Accordingly it has been decided to discontinue the quarterly form and to publish the *Magazine* in the form of a series of brochures, each issued promptly as possible after reception of the

material. The details of this modified form of publication are set forth elsewhere in this number of the *Magazine*.

While the *National Geographic Magazine* is edited by and constitutes the organ of the NATIONAL GEOGRAPHIC SOCIETY, it is not limited to this function; and, as was announced in the first number of the journal, "its pages will be open to all persons interested in geography in the hope that it may become a channel of intercommunication, stimulate geographic investigation, and prove an acceptable medium for the publication of results."

With the adoption of the modified form of the journal the publication year was changed from one determined by the working season of the SOCIETY to the calendar year; and it is to cover a hiatus in the SOCIETY'S records growing out of this change that this fifth number of Volume II is issued.

The National Capital seems to be a natural and appropriate place for an association of national character, and the aim of the founders has been therefore to form a continental rather than a local Society. That this aim has measurably succeeded is indicated by the fact that although the NATIONAL GEOGRAPHIC SOCIETY is only three years old there are 57 non-resident members, distributed over 27 states and territories.

One of the means adopted by the NATIONAL GEOGRAPHIC SOCIETY for increasing geographic knowledge has been that of exploration. In the spring of 1890 an expedition was sent out by the Society to explore and survey the Mt. St. Elias alps of Alaska. The results of the expedition include (1) new determinations of altitude and geographic position for Mt. St. Elias and neighboring peaks; (2) a topographic map of a considerable part of the Mt. St. Elias range with its southwestern foothills and the slopes thence to the shores of the Pacific; (3) an investigation of the glaciers of this alpine region; (4) researches into the geology of the region; and (5) a study of the range and its climatal and other conditions so complete as to prepare the way for detailed surveys of the entire region.

A report on the Mt. St. Elias expedition, comprising about 150 pages of letter-press with 20 plates and a number of other illustrations, has just been sent to press as a part of Volume III of the *National Geographic Magazine*.

As another means of carrying out the purposes of the SOCIETY, regular fortnightly meetings are held for presenting scientific and popular communications on geographic subjects, some of which are published in the *National Geographic Magazine*. The Society also provides for the delivery of public lectures in Washington upon explorations in little-known countries and upon other geographic subjects. Within a few months lectures have been delivered under the auspices of the Society by eminent explorers or students on the following subjects:

The Explorer in Egypt;
Buried Cities of Ancient Egypt;
Life among the Australian Cannibals;
A Journey through China, Mongolia and Thibet;
Korea and the Koreans;
Results of the Mt. St. Elias Exploring Expedition.

The SOCIETY has in preparation a physical atlas of the United States.

There is no geographic or number limitation to membership in the Society. The *National Geographic Magazine* is sent free to members.

Correspondence with the SOCIETY should be addressed to Mr. Marcus Baker, Secretary, No. 1330 F Street, Washington, D. C.

PROCEEDINGS

OF THE

NATIONAL GEOGRAPHIC SOCIETY.

ABSTRACT OF MINUTES.

March 21, 1890. 37th meeting.

Meeting held in Assembly Hall of the Cosmos Club. President Hubbard in the chair. Attendance, 50.

Article V, paragraph one, of the By-laws was amended so as to read "The annual dues of active members shall be five dollars and of corresponding members two dollars, payable during the month of January, or, in the case of new members, within thirty days after election."

A discussion was then had on the subject of Geographic Nomenclature, participated in by Messrs. H. G. Ogden, Gustave Herrle, Marcus Baker and A. H. Thompson. *Published in The National Geographic Magazine. 8°. Washington, D. C. August, 1890. Vol. 2, no. 4, pp. 261-278.*

Mr. L. R. Klemm made some remarks on "A new method of developing geographic facts in teaching."

April 4, 1890. 38th meeting.

Meeting held in Assembly Hall of the Cosmos Club. Vice-President Hayden in the chair. Attendance, 25.

Mr. Robert Stein read a paper on "Turkish rule in Armenia," which was discussed by Mr. H. Garabed of Sis, Cilicia, Asia Minor, and by Mr.

Kenaston. *Not published.*

April 11, 1890. Special meeting.

Meeting held in the Lecture Hall of the National Museum. Vice-President Hayden in the chair. Attendance, 850.

Ensign J. B. Bernadou, U. S. N., addressed the Society on "Korea and the Koreans." His lecture was illustrated by lantern slides. *Revised and published in The National Geographic Magazine. 8°. Washington, D. C. August, 1890. Vol. 2, no. 4, pp. 231-242.*

April 18, 1890. 39th meeting.

Meeting held in the Assembly Hall of the Cosmos Club. Vice-President Hayden in the chair. Attendance, 90.

Ensign Hugh Rodman, U. S. N., read a paper on "Icebergs and field ice in the North Atlantic." The communication was illustrated by lantern slides. *Published by the U. S. Hydrographic Office with this title—No. 93. Report of ice and ice movements in the North Atlantic Ocean, by Ensign Hugh Rodman, U. S. N., under the direction of Capt. Henry F. Picking, U. S. N., Hydrographer. 8°. Washington, government printing office. 1890. 26 pp. 1 folder, 4 maps.*

The paper was briefly discussed by Mr. Hayden.

May 2, 1890. 40th meeting.

Meeting held in the Lecture Hall of the National Museum. Vice-President Ogden in the chair. Attendance, 450.

Mr. W. W. Rockhill read a paper giving an account of "A journey through Mongolia, China and Thibet," made by him in 1888–1889. The communication was illustrated by lantern slides. The material embodied in

this paper with much more on the same subject has been *published in The Century*. 8°. New York, 1890, Nov. Vol. 41, no. 1, pp. 1-17; Dec. no. 2, pp. 250-263; Jan. 1891, no. 3, pp. 350-361; Feb. no. 4, pp. 599-606; Mar. no. 5, pp. 720-730.

May 7, 1890. Special meeting.

Meeting held in the Assembly Hall of the Cosmos Club. President Hubbard in the chair. Attendance, 50.

This was a special meeting called to consider the following propositions.

First: Methods of increasing membership.

Second: The employment of a salaried assistant secretary.

Third: The establishment of a monthly periodical.

Fourth: The formation of sections, or auxiliary societies, throughout the country.

Messrs. Baker, Blodgett, Gilbert, Goodfellow, Hayden, Hornaday, J. B. Johnson, W. D. Johnson, Kenaston, McGee, Ogden, Gilbert Thompson, Weed and Welling took part in the discussion of these propositions. There was unanimity of sentiment as to the desirability of increasing the membership and employing a salaried assistant secretary and editor.

With regard to the third and fourth propositions sentiment was divided.

Action was taken by the adoption of the following:—

Resolved: That the members of the Society pledge themselves severally to use their best endeavors to obtain two new members each for the Society, within the next ten days and report their names to the Secretary of the Society.

Resolved: That a committee of five, of which the President shall be chairman, be appointed by the President for the purpose of devising

plans and raising means for carrying out the purposes for which the Society is organized.

The President named as such committee,

Messrs. Gardiner G. Hubbard, *Chairman*,
 Marcus Baker,
 Henry Gannett,
 A. W. Greely,
 Everett Hayden.

May 16, 1890. 41st meeting.

Meeting held in the Assembly Hall of the Cosmos Club. Vice-President Hayden in the chair. Attendance, 50.

Mr. Josiah Pierce, Jr., read a paper on "The Ordnance Survey of Great Britain—its history and object," which was illustrated by numerous maps and drawings. The paper was discussed by Messrs. Baker, Bartle, Gannett, Gilbert, W. D. Johnson, Littlehales, Gilbert Thompson and the author. *Published in The National Geographic Magazine. 8°. Washington, D. C. August, 1890. Vol. 2, no. 4, pp. 243-260.*

—— SUMMER VACATION. ——

November 26, 1890. Special meeting.

Meeting held in Lincoln Music Hall. Hon. W. T. Harris presided. Attendance, 800.

Mr. I. C. Russell delivered an address on the results of the exploration made by him under the auspices of the National Geographic Society, last summer, in the vicinity of Mt. St. Elias, Alaska. The address was illustrated by wall maps and lantern slides. A full report of this exploration *will be published in The National Geographic Magazine. An article on the subject is also expected to appear in The Century, April, 1890.*

November 28, 1890. 42d meeting.

Meeting held in the Assembly Hall of the Cosmos Club. President Hubbard in the chair. Attendance, 90.

The chair announced the election to membership since the meeting of May 23, 1890, of 148 new members.

Mr. Mark B. Kerr read a paper on the results of his surveys last summer in company with Mr. I. C. Russell in the vicinity of Mt. St. Elias, Alaska. The paper was discussed by Messrs. Abbe, Baker, Dall, Gannett, Gilbert, Ogden and Woodward. *Revised and published in Scribner's Magazine. 8°. New York, 1891, March, Vol. 9, no. 3, pp. 361-372.*

Mr. I. C. Russell exhibited a painting of Taku Glacier, Alaska, made by Mr. Keith, of San Francisco, and made a few explanatory remarks thereon.

December 12, 1890. 43d meeting.

Meeting held in the Lecture Hall of the Columbian University. Vice-President Hayden in the chair. Attendance, 200.

Ensign J. M. Ellicott, U. S. N., delivered an address, illustrated by lantern slides, on "Surveys executed by the U. S. S. Ranger in Lower California." *Not yet published.*

December 19, 1890. Special meeting.

Meeting held in the Lecture Hall of the Columbian University. Vice-President Ogden in the chair. Attendance, 100.

The President, Gardiner G. Hubbard, delivered his annual address, on the subject "South America." *Published in The National Geographic Magazine. 8°. Washington, D. C. March, 1891. Vol. 3, pp. 1-30.*

December 26, 1890. 44th (3d annual) meeting.

Meeting held in the Assembly Hall of the Cosmos Club.

The annual report of the Secretaries was presented. *Printed on pages 296-298.*

The annual report of the Treasurer was presented and referred to an auditing committee consisting of Messrs. P. H. Christie, R. D. Cummin and S. A. Aplin, Jr. *Printed on pages 299, 300.*

The annual election of officers, for 1891, was then held with the following result:

President—Gardiner G. Hubbard.

Vice-Presidents—H. G. Ogden [land];
Everett Hayden [sea];
A. W. Greely [air];
C. Hart Merriam [life];
Henry Gannett [art].

Treasurer—Charles J. Bell.

Recording Secretary—Marcus Baker.

Corresponding Secretary—C. A. Kenaston.

Managers—Rogers Birnie, Jr.,
G. K. Gilbert,
G. Brown Goode,
W. D. Johnson,
W J McGee,
T. C. Mendenhall,
W. B. Powell,
B. H. Warder.

January 9, 1891. 45th meeting.

Meeting held in the Assembly Hall of the Cosmos Club. President Hubbard in the chair. Attendance, 30.

Report of the auditing committee appointed at the last meeting was presented and adopted. *Printed on page 301.*

Article IV of the By-laws was amended by striking out the following clause: "The Vice-Presidents, together with the two Secretaries, shall constitute a committee of the Board of Managers on Communications and Publications."

Vice-President Hayden, Department of the Sea, and Vice-President Merriam, Department of Life, presented their annual reports. *Not yet published.*

January 23, 1891. 46th meeting.

Meeting held in the Assembly Hall of the Cosmos Club. President Hubbard in the chair. Attendance, 35.

Vice-President Greely, Department of the Air, and Vice-President Ogden, Department of the Land, presented their annual reports. *Not yet published.*

February 6, 1891. 47th meeting.

Meeting held in the Assembly Hall of the Cosmos Club. President Hubbard in the chair. Attendance, 50.

The meeting was devoted to an account of the U. S. S. Pensacola expedition to the west coast of Africa.

Mr. Cleveland Abbe described the cruise in general terms and gave some account of the geodetic surveys executed in and the climate of South Africa.

Mr. Heli Chattelaine, of Switzerland, read a paper on the Dialects and Folk-Lore of the Portugese portion of West Africa.

Mr. Frank H. Bigelow read a paper on the island of Ascension.

February 13, 1891. Special meeting.

Meeting held in the Assembly Hall of the Cosmos Club. Vice-President Greely in the chair. Attendance, 225.

Hon. Geo. B. Loring, Ex-U. S. Minister to Portugal, delivered an address upon the "Kingdom of Portugal." *Not published.*

February 20, 1891. 48th meeting.

Meeting held in the Assembly Hall of the Cosmos Club. Vice-President Hayden in the chair. Attendance, 40.

Mr. F. H. Newell read a paper on "Natural Gas and Oil in the Eastern United States." This paper was discussed by Mr. W J McGee.

Mr. C. D. Walcott read a paper on "The North American Continent during the Cambrian." This paper was discussed by Messrs. Gilbert and McGee. It is planned to publish the paper in *The National Geographic Magazine*, Vol. 3.

February 27, 1891. Special meeting.

Meeting held in the Assembly Hall of the Cosmos Club. Vice-President Greely in the chair. Attendance, 225.

Major C. E. Dutton, U. S. A. delivered an address upon "The Hawaiian Islands: their scenery, volcanoes, people, and politics, with a few words about the reciprocity treaty with the United States."

NATIONAL GEOGRAPHIC SOCIETY.

THIRD ANNUAL REPORT OF THE SECRETARIES.

PRESENTED TO THE SOCIETY, DECEMBER 26, 1890.

Membership.—The Society was organized in January, 1888, with a total membership of 165.

At the close of its first year, in December, 1888, the membership was 209. At the close of the second year, in December, 1889, the membership was 228; and the present membership is 392.¹

¹ The membership has since increased to 399, as shown by the summary on p. 334.

Since the last annual meeting the membership has been increased by the election of 190 new members. It has been decreased by the resignation of 10 members, by the death of 1 member (Capt. C. O. Boutelle) and by the dropping of 15 members for non-payment of dues. The net increase has thus been 164, and the present total membership is 392 as above stated.

This membership is classified as follows:

Active members	331
Corresponding members	57
Life members	<u>4</u>

At the beginning of the year, corresponding members paid no dues. On March 20 of this year, however, the By-Laws were so amended as to require these members to pay annual dues of \$2.00, such payment entitling them to the publications of the Society.

Meetings.—The Society has held 22 meetings during the year, of which, 13 were regular meetings for the reading and discussion of papers, 4 were public lectures at which an admission fee was charged, 1 was a field meeting at the Great Falls of the Potomac on May 21, 1 was a special meeting for considering ways and means for increasing the Society's usefulness, 1 was the meeting for presentation of the annual address of the President for 1889 (delayed by reason of absence of the President from the city), 1 was the meeting for the presentation of the President's address for 1890, and 1 the annual meeting for the election of officers and transaction of business.

At the regular meetings for the reading and discussion of papers, the average attendance was 170, the highest being 850 and the lowest 25.

The Board of Managers have held 23 meetings for transacting the business of the Society, of which 13 were regular and 10 were special meetings. The highest attendance of the 17 members composing the Board was 13, and on several occasions there has been no quorum.

Changes in the Board.—On November 5, the Recording Secretary, Mr. Henry Gannett, resigned, and the Board of Managers filled the vacancy by electing Mr. Marcus Baker in his place. The Board then elected Mr. Gannett as one of the Managers. On December 9, Mr. O. H. Tittmann resigned the office of Corresponding Secretary, and Dr. J. C. Welling resigned from the Board of Managers. The vacancies thus created have not been filled.

Explorations.—In the month of May the Board of Managers decided to send a party to the vicinity of Mt. St. Elias, Alaska, for the purpose of making geographic and geologic exploration and survey. Funds for the purpose were obtained in part from the treasury of the Society, in part from private subscription and in part from the coöperation of the U. S.

Geological Survey. Mr. I. C. Russell, Geologist of the U. S. Geological Survey, was placed in charge of the party and of geologic work, and Mr. Mark B. Kerr, Topographer, also of the U. S. Geological Survey, was sent in charge of the topographic work.

Through the kindly coöperation of the U. S. Navy Department and of the U. S. Revenue Marine, both of which furnished transportation, the party reached the field of work and was brought away at the close of their labors without mishap or loss of time. The party, consisting all told of nine persons, were enabled to spend about three months in exploration and survey of a most interesting and unknown region filled with gigantic mountains smothered in glaciers. An area of several hundred square miles was mapped, mountain peaks climbed, heights measured, photographs made and numerous and interesting notes obtained. A final report of this, the Society's first venture in exploration, is now in preparation and its publication by the Society is expected in a short time.

Publications.—During the year the Society has published volume II of the National Geographic Magazine. This volume contains 285 pages, together with maps and illustrations, and was issued in four numbers, in April, May, July and August.

MARCUS BAKER,
C. A. KENASTON,
Secretaries.

REPORT OF THE TREASURER.

PRESENTED TO THE SOCIETY, DECEMBER 26, 1890.

To the President and Members of the National Geographic Society:

I have the honor to submit herewith my annual report showing receipts and disbursements for the fiscal year ending December 26, 1890.

As will be seen by the report, the receipts from dues for 1890 amount to \$1289⁰⁰ against \$865⁰⁰ for 1889, showing an increase of \$424⁰⁰.

The assets of the Society consist of—

Note of M. N. Thompson, secured by deed of trust,	\$750 00
Cash with Bell & Co.	41 62
Dues for 1890, unpaid	<u>260 00</u>
	\$1051 62

Respectfully submitted,
C. J. BELL, Treasurer.

THE TREASURER in account with the NATIONAL GEOGRAPHIC SOCIETY.

1890.

	To balance on hand, December 26, 1889	\$63 82

Washington, D. C., 26th December, 1890.

REPORT OF THE AUDITING COMMITTEE.

PRESENTED TO THE SOCIETY, JANUARY 9, 1891.

To the President and Members of the National Geographic Society:—

We, a committee appointed at the annual meeting of the Society to audit the accounts of the Treasurer for the rear ending December 31, 1890, beg to submit the following report:

The statement of the receipts, consisting of dues from members, receipts from lectures, interest on loan and sale of magazines, has been examined and found correct.

The vouchers for expenditures and checks in payment therefor have been examined, compared and found correct.

We have examined the bank book, showing the account with Messrs. Bell & Co., and found the balance to be \$41.62 as stated.

The Treasurer also showed us a note for \$750 which is mentioned as part of the assets of the Society.

P. H. CHRISTIE,
ROBT. D. CUMMIN,
S. A. APLIN, JR.,
Committee.

SUMMARY OF REPORTS ON THE MT. ST. ELIAS EXPEDITION.

During the year 1890, the National Geographic Society made its first venture in exploration. This venture consisted in raising funds, organizing and sending to the vicinity of Mt. St. Elias, Alaska, a small party in charge

of Mr. I. C. Russell to make geographic and geologic studies. The following is a condensed account of the enterprise, taken largely from reports of committees and other records not otherwise published.

During the spring months of 1890, the Board of Managers of the National Geographic Society considered from time to time ways and means for carrying out the declared purpose of the Society "to increase and diffuse geographic knowledge." The advisability of undertaking some exploratory work was discussed. That geographic knowledge could be *diffused* by lectures and by publications was obvious. But to *increase* geographic knowledge other means were clearly necessary. Exploration seemed the most obvious mode for accomplishing this increase. What particular exploration should be undertaken was then considered. A proposition to aid in continuing the researches of Mr. W. W. Rockhill, in Thibet, was made but was given up on account of the expense, which seemed beyond the means of the Society. Later a proposition by Mr. W. D. Johnson that the Society should send a party to the vicinity of Mt. St. Elias, Alaska, was submitted and adopted provisionally, the proviso relating to success in securing the necessary funds. This proposition was submitted to the Board of Managers May 20, and adopted May 23, 1890.

Four days later, viz., on May 27, 1890, a largely attended special meeting of the Board went over the whole matter. It was submitted that the probable cost of the expedition would be about \$3500; that of this sum about \$2500 had already been paid or pledged and that 13 persons had signed a joint note for \$1000 by which to secure the needful balance and insure the departure of the expedition. Furthermore it was submitted that the Secretary of the Navy had directed the U. S. S. Pinta to transport the party from Sitka to Yakutat Bay and return, and the Director of the U. S. Geological Survey had authorized the detail of Mr. I. C. Russell, geologist, and Mr. Mark B. Kerr, topographer, for the scientific work of the expedition.

A long and earnest discussion was had on the advisability of starting the expedition out on this basis. The lateness of the season and the low condition of the funds were urged as reasons for delaying till next year. It was finally decided, however, by a vote of 7 to 5 to adopt the proposition now and start the expedition forthwith.

Thus, by the aid and coöperation of the U. S. Geological Survey and of the Secretary of the Navy, the expedition was organized. Mr. I. C. Russell, geologist, was placed in charge, and Mr. Mark B. Kerr was assigned as topographer of the party. The plan of work was to proceed to Yakutat Bay and to study and map as large an area in the vicinity of Mt. St. Elias as practicable. It was also planned to redetermine the height of the mountain, and, if practicable, to ascend it.

The party consisted all told of ten persons; Messrs. Russell and Kerr before mentioned, Mr. E. S. Hosmer, a volunteer assistant from Washington, and seven camp hands, hired in Seattle, of whom James H. Christie was foreman. On June 17, they sailed on the steamer Queen for Sitka, where, on arriving, they found the U. S. S. Pinta in readiness to take them to Yakutat, in accordance with instructions previously received from the Secretary of the Navy. They were at once transferred with all their outfit from the Queen to the Pinta, and sailed for Yakutat Bay, arriving June 25, in fog and rain.

Three days later the party, with all stores and equipment, had been landed; and bidding good-bye to the courteous officers of the Pinta, they entered upon the serious work of the season.

The area to be examined was found to consist of a majestic mountain range, trending southeast and northwest, in front of which was a broad, ice-covered plateau. The range is snow-clad down to a level of 1500 feet above the sea, and is filled with glaciers of vast magnitude. Excursions into this area and a study of its glacial and geological phenomena were at once begun. At the same time Mr. Kerr measured a base line and began the work of mapping the region. A system of triangulation starting from this measured base was carried on, the prominent peaks were located by intersection, and heights were determined by vertical angles. Sketches and photographs were taken from many points, and before the season closed, sufficient material was gathered to make a fairly good map of an area of about 1000 square miles.

The topographic work having been well started and a base camp established, the party took up the line of march toward Mt. St. Elias. On the first of August they found themselves midway between Yakutat Bay and St. Elias, but still at the base of the mountains. Most of the way to this point the

journey had been made over crevassed ice. The party continued to push on, and after twenty days of very severe labor above the snow line reached and camped at the base of St. Elias. From this camp, at an elevation of about 9,000 feet, the party started at 3 o'clock in the morning for the final climb to the summit of the mountain, but were beaten back by a prolonged and severe storm with heavy fall of snow. Two days later a second attempt was made, but another snow storm broke over the mountains as suddenly as the first. The deep snow accumulated by these two storms prevented all further progress, and the party reluctantly turned back. They continued to travel about in the region, while wending their way slowly back to Yakutat, gathering interesting and valuable geographic and geologic data. On the 20th of September they arrived at Yakutat Bay, having had almost continuous stormy weather since the attempted climb of the mountain. Two days after their arrival at Yakutat the U. S. Revenue Cutter Corwin, Capt. C. L. Hooper commanding, was seen steaming up the bay. Acting on his own judgment, and knowing that the explorers would fare badly if left at Yakutat until winter set in, Capt. Hooper had come from Sitka especially for the party, which was taken on board Sept. 24, and conveyed directly to Port Townsend, Washington, where it arrived October 2 and disbanded, Messrs. Russell and Kerr returning to Washington.

Various newspaper accounts of this expedition have been published, as well as articles in several magazines, notably in Scribner's, and the Century. The full official report with map and illustrations will be published hereafter in the *National Geographic Magazine*.

BY-LAWS.

AS ADOPTED WITH AMENDMENTS UP TO JANUARY 9, 1891.

ARTICLE I. NAME.

The name of this Society is the "NATIONAL GEOGRAPHIC SOCIETY."

ARTICLE II. OBJECT.

The object of this Society is the increase and diffusion of geographic knowledge.

ARTICLE III. MEMBERSHIP.

The members of this Society shall be persons who are interested in geographic science. There may be three classes of members, active, corresponding, and honorary.

Active members only shall be members of the corporation; shall be entitled to vote and may hold office.

Persons residing at a distance from the District of Columbia may become corresponding members of the Society. They may attend its meetings, take part in its proceedings, and contribute to its publications.

Persons who have attained eminence by the promotion of geographic science may become honorary members.

Corresponding members may be transferred to active membership, and, conversely, active members may be transferred to corresponding membership by the Board of Managers.

The election of members shall be entrusted to the Board of Managers. Nominations for membership shall be signed by three active members of the Society; shall state the qualifications of the candidate; and shall be presented to the Recording Secretary. No nomination shall receive action by the Board of Managers until it has been before it at least two weeks, and no candidate shall be elected unless he receive at least nine affirmative votes.

ARTICLE IV. OFFICERS.

The Officers of the Society shall be a President, five Vice-Presidents, a Treasurer, a Recording Secretary, and a Corresponding Secretary.

The above mentioned officers, together with eight other members of the Society, known as Managers, shall constitute a Board of Managers. Officers and Managers shall be elected annually, by ballot, a majority of the votes cast being necessary to an election; they shall hold office until their successors are elected; and shall have power to fill vacancies occurring during the year.

The President, or, in his absence, one of the Vice-Presidents, shall preside at the meetings of the Society and of the Board of Managers; he shall, together with the Recording Secretary, sign all written contracts and obligations of the Society, and attest its corporate seal; he shall deliver an annual address to the Society.

Each Vice-President shall represent in the Society and in the Board of Managers a department of geographic science, as follows:

Geography of the Land.

Geography of the Sea.

Geography of the Air.

Geography of Life.

Geographic Art.

The Vice-Presidents shall foster their respective departments within the Society; they shall present annually to the Society summaries of the work done throughout the world in their several departments.

They shall be elected to their respective departments by the Society.

The Treasurer shall have charge of the funds of the Society, shall collect the dues, and shall disburse under the direction of the Board of Managers; he shall make an annual report; and his accounts shall be audited annually by a committee of the Society and at such other times as the Board of Managers may direct.

The Secretaries shall record the proceedings of the Society and of the Board of Managers; shall conduct the correspondence of the Society; and shall make an annual report.

The Board of Managers shall transact all the business of the Society, except such as may be presented at the annual meeting. It shall formulate rules for the conduct of its business. Nine members of the Board of Managers shall constitute a quorum.

ARTICLE V. DUES.

The annual dues of active members shall be five dollars, and of corresponding members two dollars, payable during the month of January, or, in the case of new members, within thirty days after election.

The dues of members elected in November and December shall be credited to the succeeding year.

Annual dues may be commuted and life membership acquired by the payment of fifty dollars.

No member in arrears shall vote at the annual meeting, and the names of members two years in arrears shall be dropped from the roll of membership.

ARTICLE VI. MEETINGS.

Regular meetings of the Society shall be held on alternate Fridays, from November until May, and excepting the annual meeting they shall be devoted to communications. The Board of Managers shall, however, have power to postpone or omit meetings, when deemed desirable. Special meetings may be called by the President.

The annual meeting for the election of officers shall be the last regular meeting in December.

The meeting preceding the annual meeting shall be devoted to the President's annual address.

The reports of the retiring Vice-Presidents shall be presented in January.

A quorum for the transaction of business shall consist of twenty-five active members.

ARTICLE VII. AMENDMENTS.

These by-laws may be amended by a two-thirds vote of the members present at a regular meeting, provided that notice of the proposed amendment has been given in writing at a regular meeting at least four weeks previously.

STANDING RULES OF THE BOARD OF MANAGERS.

ADOPTED JANUARY 16, 1891.

1.—The President, Vice-Presidents and Secretaries of the Society shall hold like offices in the Board of Managers.

2.—The President shall have power to call special meetings of the Board of Managers and to appoint special committees. He shall, also, at the beginning of each year appoint a Standing Committee, of three persons, on Communications; a Standing Committee, of three persons, on Publications;

and three delegates, of which he shall be chairman, to serve on the Joint Commission.

3.—The Treasurer shall receive all dues and other income of the Society; shall keep its accounts; and shall disburse its funds under the direction of the Board of Managers.

4.—One of the Secretaries shall act as the Secretary of the Board and the other as Secretary of the Society; and both Secretaries shall be excused from serving on committees.

5.—The Committee on Communications shall receive and consider all communications, and propositions relating to communications, designed for delivery before the Society, and shall prepare programmes for all meetings.

6.—The Committee on Publications shall have charge of the publications of the Society.

7.—At the beginning of each year the Secretary shall submit an estimate of the revenues of the Society for the current year, whereupon, the Board shall make itemized appropriations for the different classes of regular expenditures. All expenditures not included in these regular allotments must be specially authorized by the Board. Charges against the regular allotments will be paid by the Treasurer upon the certification of the officer or chairman of the committee incurring the expenditures.

8.—The names of proposed members, recommended in conformity with Article III of the By-Laws, may be presented at any meeting of the Board of Managers and shall lie over at least two weeks before final action.

9.—The order of business at the regular meetings of the Board of Managers shall be as follows:

a. Reading of minutes.

b. Communications from the President, Secretaries or Treasurer and action thereon.

c. Reports of committees and action thereon.

d. Election of members.

e. Nominations for membership.

f. Miscellaneous business.

10.—The order of business for each regular meeting of the Society shall be as follows:

a. Reading of the minutes of the last meeting.

b. Notice of the election of new members and other notices and correspondence of the Society.

c. The presentation of papers and their discussion.

11.—The order of business for the annual meeting shall be as follows:

a. The reading of the minutes of the last annual meeting.

b. The presentation of the annual reports of the Secretaries.

c. The presentation of the annual report of the Treasurer.

d. The selection of a committee to audit the accounts of the Treasurer.

e. The announcement of a posted list of the names of members who are entitled to vote for the election of officers.

f. The election of a President.

g. The election of five Vice-Presidents, in the order named in the By-Laws.

h. The election of a Treasurer.

i. The election of a Recording Secretary.

- j.* The election of a Corresponding Secretary.
- k.* The election of eight Managers.
- l.* Unfinished business.
- m.* The reading of the rough minutes of the meeting.

The election of officers shall be as follows:

In each case nominations shall be made by an informal ballot: the result of each informal ballot having been announced, the first formal ballot shall be taken. An informal ballot may be made formal by a majority vote. Each of the Vice-Presidents shall be elected to his position separately.

In the ballot for Managers, as many names may be written on the ballot as there are Managers to be elected, and those persons receiving a majority on each formal ballot shall be declared elected. If more than the number to be elected receive a majority, those receiving the greatest number of votes shall be declared chosen.

12.—It is not permitted to report the proceedings of the Society for publication, except by authority of the Board of Managers.

13.—These rules may be amended by a majority vote, notice having been given two weeks in advance.

RULES RELATING TO PUBLICATION.

ADOPTED BY THE BOARD OF MANAGERS FEBRUARY 6, 1891.

Form of Publication.

SECTION 1. The National Geographic Society will continue to publish a serial entitled *The National Geographic Magazine*.

SEC. 2. This serial shall be published in covered parts or brochures, consecutively paged for each volume. The brochures shall be designated by volume numbers and limiting pages; and each shall bear a special title setting forth the contents and authorship, as well as the title of the serial and the seal and imprint of the Society, and, in addition, the precise date of publication.

SEC. 3. A brochure may consist of a single memoir or article, in which case twenty-five copies will be furnished to the author without charge, and the author may order or authorize the order of any additional number of copies; and the shorter papers, abstracts, reviews, notes and miscellaneous matter may be collected and issued as brochures uniform with those containing the memoirs.

SEC. 4. The brochures of the serial shall be arranged for gathering into volumes, each comprising the issue of a calendar year; and about the close of each year there shall be published in a brochure arranged to complete the volume a title-page, a list of contents, and an index for the corresponding volume, together with an abstract of the proceedings of the Society and lists of officers and members for the year, and a copy of the by-laws and rules governing the Society.

Matter of Publication.

SEC. 5. The matter published in the National Geographic Magazine, may comprise: (1) original communications prepared by members or guests of the National Geographic Society presented at meetings by title or otherwise; (2) original communications or memoirs prepared for the Magazine either by members or non-members, whether presented before the Society or not; (3) translations or abstracts of important foreign

publications relating to geography, reviews of geographic works, items of geographic intelligence, etc.; (4) abstracts of papers read and discussions made before the Society, prepared or revised by authors; (5) administrative records of the Society, including condensed minutes of meetings prepared by the secretaries; (6) lists of members, by-laws and rules, resolutions of permanent character, etc.; and (7) title pages, lists of contents and indexes for each volume.

SEC. 6. Matter designed for publication in the National Geographic Magazine may be transmitted to the Committee on Publications either direct or through the secretaries or other officers of the Society: soon as may be thereafter the Committee shall decide on the desirability and expediency of publication, or refer the matter to the Board of Managers for decision; if the matter is accepted it shall be published soon as practicable; if rejected it shall be returned to the author. Communications from non-members and translated memoirs shall be published only upon unanimous vote of the Committee on Publications or by specific authority from the Board of Managers. The Committee on Publications or the Board of Managers may refer any communication to special committees for examination.

SEC. 7. Matter offered for publication in the National Geographic Magazine becomes thereby the property of the National Geographic Society and shall not be published elsewhere prior to publication in the Magazine except by consent of the Society.

SEC. 8. Matter accepted for publication in the National Geographic Magazine shall be either printed and issued soon as possible as a memoir-brochure or reserved for the next brochure of miscellaneous contents (or magazine-brochure) at the option of the Committee on Publications. Proofs of letter-press and illustrations shall be submitted to authors or persons designated by authors whenever practicable; but printing shall not be delayed more than one week by reason of absence or incapacity of authors.

Manner of Publication.

SEC. 9. The text of each brochure of the National Geographic Magazine shall begin under its proper title on an odd-numbered page bearing at its head the title of the serial, the volume, the limiting pages, and the date of publication; each such brochure shall be accompanied by the illustrations pertaining to it, the plates consecutively numbered for the volume; and each brochure may contain a synoptic list of contents prepared by the author and, at the option of the Committee on Publications, an alphabetic index, provided the same be prepared by the author. Each brochure shall be enclosed in a cover conforming nearly as may be to the present covers of the serial, bearing at the head of its title-page the title of the serial, the volume, the limiting pages, the date of publication, and, below, the seal and imprint of the Society; other cover pages may bear a list of the publications of the Society; but nothing else of bibliographic or other permanent value shall be printed on the covers unless the same be printed also in the body of the volume to which the brochure belongs.

SEC. 10. The author of each memoir shall receive twenty-five copies without charge and shall be authorized to order, through the Committee on Publications, any edition of exactly similar brochures in exactly similar covers to be printed as author's separates at cost of paper and press work; but no author's separates of the memoir-brochures shall be issued except in this regular form.

SEC. 11. At least two magazine-brochures maybe published during each year, the first about the close of the meeting season of the Society, and the second about the close of the calendar year.

SEC. 12. Authors of papers in the magazine-brochures shall have the privilege of ordering, through the Committee on Publications, at their own cost, any number of separate copies, provided these separates bear the original pagination and a printed reference to the serial and volume from which they are extracted.

SEC. 13. About the end of each year a volume-title-page, general lists of contents and illustrations of the volume, lists of officers and members of the Society, the by-laws and rules, an abstract of the proceedings for the year, and a general index to the volume shall be printed and issued as a separate brochure. All of this matter except the index shall be arranged for binding at

the beginning of the volume under a distinct Roman pagination; but the index shall take the regular Arabic pagination at the end of the volume. The title-page shall bear the name of the Committee on Publications; and the obverse shall bear the imprimatur of the Board of Managers and the printer's card.

SEC. 14. The bottom of each signature and of each initial page shall bear a signature mark giving an abbreviated title of the serial, the volume and the year; and every page shall be numbered, the initial and sub-title pages at the bottom.

SEC. 15. The page-head titles shall be: on even-numbered pages, name of author and catch title of paper; on odd-numbered pages, catch title of contents of page.

SEC. 16. All brochures shall be trimmed at top, side and bottom.

SEC. 17. The typography, paper and general make up shall conform, except as herein otherwise specified, nearly as may be to the National Geographic Magazine as heretofore published.

SEC. 18. The date of publication of each brochure shall be that upon which the edition is delivered to the Committee on Publications.

SEC. 19. The brochures shall be distributed immediately by the Committee on Publications to members of the Society, subscribers, and exchanges from a list furnished by the Secretaries; and the undistributed copies of each edition shall be turned over to the Secretaries.

SEC. 20. The regular edition shall be seven hundred and fifty copies for the Society, and twenty-five copies for authors.

SEC. 21. The Committee on Publications shall keep a record of all matter published wholly or in part under the auspices of the Society whether the same be author's editions of the memoir-brochures, author's extracts from the magazine-brochures, or any other matter printed from type originally composed for the Magazine.

SEC. 22. The Magazine shall be mailed free to members of the Society not in arrears for dues more than six months, and also to exchanges, and for an annual price of three dollars to regular subscribers. The separate brochures may be sold, to the number of not more than ten to each individual, at an advance on cost of 25 per cent. to members and 75 per cent. to non-members of the Society; and either separate brochures or complete volumes may be sold to dealers at the usual discount for matter of the same class.

SEC. 23. The Committee on Publications may introduce at discretion advertisements of proper character, on pages provided for the purpose not taking the regular pagination of the Magazine, at the usual rates for such service.

OFFICERS OF THE SOCIETY.

1891.

President.

GARDINER G. HUBBARD.

Vice-Presidents.

HERBERT G. OGDEN.

EVERETT HAYDEN.

A. W. GREELY.

C. HART MERRIAM.

HENRY GANNETT.

Treasurer.

CHARLES J. BELL.

HODGKINS, W. C. (William Candler),
Coast and Geodetic Survey.

HOLDEN, PROF. E. S. (Edward Singleton), *c*,
Lick Observatory, Mount Hamilton, Cal.

HOLDEN, MRS. L. E. (Delia E——), *c*,
The Hollenden, Cleveland, O.

HOLLERITH, HERMAN,
501 F Street.

HORNADAY, W. T. (William Temple), *a*,
44 Niagara Street, Buffalo, N. Y.

HOSKINS, PROF. L. M. (Leander Miller), *c*,
University of Wisconsin, Madison, Wis.

HOSMER, EDWARD STURGES,
1330 L Street.

HOTCHKISS, MAJ. JED. (Jedediah),
346 E. Beverly Street, Staunton, Va.

HOWARD, ENS. W. L. (William Laurestien), U. S. N., *c*,
Navy Department.

HOWELL, E. E. (Edwin Eugene), *a, c*,
48 Oxford Street, Rochester, N. Y.

HOWELL, D. J. (David Janney), *a*,
918 F Street.

HUBBARD, GARDINER G. (Gardiner Greene), *a*,
1328 Connecticut Avenue.

HYDE, G. E. (George Edwin),
Geological Survey.

HYDE, JOHN,
Census Office.

IARDELLA, C. T. (Charles Thaddeus), *a*,
Coast and Geodetic Survey.

INGRAHAM, E. S. (Edward S——), *c*,
Seattle, Wash.

JENNEY, PROF. W. P. (Walter Proctor),
Geological Survey.

JENNINGS, J. H. (James Henry), *a*,
Geological Survey.

JEWETT, W. P. (William Parker), *c*,
180 E. Third Street, St. Paul, Minn.

JOHNSON, MISS ALICE BURGESS,
501 Maple Avenue.

JOHNSON, A. B. (Arnold Burges), *a*,
Light House Board.

JOHNSON, E. KURTZ (Erastus Kurtz),
1600 Massachusetts Avenue.

JOHNSON, H. W. (Harry Woodruff),
805 H Street.

JOHNSON, J. B. (James Bowen),
Howard University.

JOHNSON, REV. J. G. (James Gibson),
381 Dearborn Avenue, Chicago, Ill.

JOHNSON, JEROME F. (Jerome Fletcher),
1326 F Street.

JOHNSON, DR. JOSEPH TABER,
1728 K Street.

JOHNSON, S. P. (Stuart Phelps),
Geological Survey.

JOHNSON, WILLARD D. (Willard Drake), *a*,
Geological Survey.

JUDD, JOHN G. (John Gough),

420 Eleventh Street.

JUDSON, EGBERT, *c*,
402 Front Street, San Francisco, Cal.

JUNKEN, CHARLES,
Coast and Geodetic Survey.

JUNKEN, CHAS. A. (Charles Alexander),
Army Ordnance Office.

JÜSSEN, EDMUND,
Geological Survey.

KARL, ANTON, *a*,
Geological Survey.

KAUFFMANN, S. H. (Samuel Hay), *a*,
1421 Massachusetts Avenue.

KAVANAUGH, MISS K. (Katherine),
Sixth Auditor's Office.

KENASTON, PROF. C. A. (Carlos Albert), *a*,
Howard University.

KENNAN, GEORGE, *a*,
1318 Massachusetts Avenue.

KENNEDY, DR. GEO. G. (George Golding), *l*,
284 Warren Street, Roxbury, Mass.

KENNON, LIEUT. L. W. V. (Lyman Walter Vere), U. S. A.,
War Department.

KERR, H. S. (Halbert Stevens), *c*,
Salt Lake City, Utah.

KERR, MARK B. (Mark Brickell), *a*,
402 Front Street, San Francisco, Cal.

KIMBALL, E. F. (Edward Fenno),
Post Office Department.

KIMBALL, DR. E. S. (Edward Sullivan),
713 Twelfth Street.

KIMBALL, S. I. (Sumner Increase), *a*,
Life Saving Service.

KING, PROF. F. H. (Franklin Hiram),
University of Wisconsin, Madison, Wis.

KING, PROF. HARRY, *a*,
Geological Survey.

KING, WM. B. (William Bruce),
P. O. Box 593.

KING, WILLIAM R. (William Robinson),
Department of Agriculture.

KLAKRING, ALFRED,
Hydrographic Office.

KNAPP, HON. LYMAN E. (Lyman Enos),
Sitka, Alaska.

KNIGHT, FRED. J. (Frederick Jay), *a*,
Geological Survey.

KOCH, PETER, *a*,
Bozeman, Mont.

KRAMER, WILLIAM,
Geological Survey.

KÜBEL, S. J. (Stephen Joseph),
Geological Survey.

LACKLAND, W. E. (William Eason), *a*,
Geological Survey.

LADD, G. E. (George Edgar),
State Geological Survey, Jefferson City, Mo.

LAMBERT, M. B. (Marcus Bachman),
Geological Survey.

LAMBORN, DR. ROBERT H. (Robert Henry),
32 Nassau Street, New York, N. Y.

LEACH, BOYNTON,
Hydrographic Office.

LINDENKOHL, A. (Adolphus), *a*,
Coast and Geodetic Survey.

LINDENKOHL, H. (Henry), *a*,
Coast and Geodetic Survey.

LIPPINCOTT, J. BARLOW (Joseph Barlow),
Geological Survey.

LITTLEHALES, G. W. (George Washington),
Hydrographic Office.

LONGSTREET, R. LEE (Robert Lee), *a*,
Geological Survey.

LOOKER, HENRY B. (Henry Brigham),

918 F Street.

LOOMIS, HENRY B. (Henry Bradford), *c*,
Seattle, Wash.

LOVELL, W. H. (William Henry),
Geological Survey.

LYONS, JOSEPH,
1003 F Street.

MCCARTENEY, LIEUT. CHAS. M. (Charles Macklin), U. S. N.,
Hydrographic Office.

MCCORMICK, JAMES,
Geological Survey.

MCDONALD, COL. MARSHALL,
Fish Commission.

MCDOWELL, W. O. (William Osborne), *c*,
20 Spruce Street, Newark, N. J.

McGEE, W J, *a*,
Geological Survey.

MCGILL, MISS MARY C. (Mary Cecelia),
336 C Street.

McKEE, REDICK H. (Redick Henry), *a*,
Geological Survey.

McKINNEY, R. C. (Robert Christian), *a*,
Geological Survey.

McLAUGHLIN, DR. T. N. (Thomas Notley),
825 Fourteenth Street.

MACKAYE, J. M. (James Medbery),
Census Office.

MAHER, JAMES A. (James Arran), *a*,
P. O. Box 35, Johnson City, Tenn.

MANNING, VAN. H. JR. (Vannoy Hartrog), *a*,
Geological Survey.

MARINDIN, HENRY L. (Henry Louis),
Coast and Geodetic Survey.

MARSHALL, R. B. (Robert Bradford),
Geological Survey.

MASON, PROF. O. T. (Otis Tufton),
National Museum.

MATTHEWS, DR. W. (Washington), U. S. A., *a*,
Fort Wingate, N. M.

MEANY, EDWARD S. (Edward S——), *c*,
Seattle, Wash.

MELVILLE, ENG. IN CHIEF GEO. W. (George Wallace), U. S. N., *a, l*,
Navy Department.

MENDENHALL, PROF. T. C. (Thomas Corwin),
Coast and Geodetic Survey.

MENOCAL, CIV. ENG. A. G. (Aniceto Garcia), U. S. N., *a*,
Navy Department.

MERRIAM, DR. C. HART (Clinton Hart), *a*,
Department of Agriculture.

MERRILL, PROF. J. A. (James Andrew), c,
State Normal School, Warrensburg, Mo.

METZGER, F. P. (Frederick Philip),
Geological Survey.

MINDELEFF, C

OSMOS,
Bureau of Ethnology.

MINDELEFF, VICTOR,
Room 55, 918 F Street.

MITCHELL, PROF. HENRY, *a*,
18 Hawthorne Street, Roxbury, Mass.

MITCHELL, J. W. (John William),
3234 N Street.

MOSMAN, A. T. (Alonzo Tyler), *a*,
Coast and Geodetic Survey.

MUIR, PROF. JOHN,
Martinez, Cal.

MUNSON, T. V. (Thomas Volney), *c*,
P. O. Drawer M, Denison, Tex.

MURLIN, A. E. (Arlington Elliott),
Geological Survey.

NATTER, E. W. F. (Ernst Wilhelm Franz), *a*,
Readville, Mass.

NELL, LOUIS (Louis Maximilian), *a*,
Geological Survey.

NEWELL, F. H. (Frederick Haynes),
Geological Survey.

NILES, PROF. WM. H. (William Harmon),
Massachusetts Institute of Technology, Boston, Mass.

NOETZEL, G. (Gregor),

Hydrographic Office.

NORDHOFF, CHARLES, *a*,
Ensenada, Lower California, *via* San Diego, Cal.

NORMAN-NERUDA, L. (Louis), *c*,
Devonshire Club, St. James Street, London, England.

OGDEN, HERBERT G. (Herbert Gouverneur), *a*,
Coast and Geodetic Survey.

O'HALORAN, T. M. (Thomas Michael),
Hydrographic Office.

O'HARE, DANIEL P. (Daniel Patrick),
Geological Survey.

OTIS, WILLIAM H. (William Hartshorn),
U. S. Geological Survey, Lamar, Colo.

OSBORN, LIEUT. A. P. (Arthur Patterson), U. S. N., *c*,
Navy Department.

PALMER, T. S. (Theodore Sherman),
Department of Agriculture.

PARKER, E. W. (Edward Wheeler),
Geological Survey.

PARSON, REV. W. E. (William Edwin),
309 New Jersey Avenue SE.

PARSONS, FRANCIS H. (Francis Henry), *a*,
Coast and Geodetic Survey.

PEALE, DR. A. C. (Albert Charles), *a*,
Geological Survey.

PEARY, CIV. ENG. R. E. (Robert Edwin), U. S. N.,
League Island Navy Yard, Philadelphia, Pa.

PELLEW, HENRY E. (Henry Edward),
1637 Massachusetts Avenue.

PENROSE, R. A. F., JR. (Richard Alexander Fuller),
State Geological Survey, Little Rock, Ark.

PERKINS, E. T., JR. (Edmund Taylor), *a*,
Geological Survey.

PETERS, LIEUT. G. H. (George Henry), U. S. N., *a*,
Navy Department.

PETERS, WILLIAM J. (William John), *a*,
Geological Survey.

PHELAN, W. W. (Warren Waverley), *c*,
108 S. Fifth Street, Brooklyn, N. Y.

PHILLIPS, R. HENRY (Robert Henry),
Room 110, 1419 New York Avenue.

PICKERING, PROF. E. C. (Edward Charles),
Harvard Observatory, Cambridge, Mass.

PICKING, CAPT. HENRY F. (Henry Forry), U. S. N.,
Tompkinsville, N. Y.

PIERCE, JOSIAH, JR.,
Cosmos Club.

PIPER, CHARLES V. (Charles V——), *c*,
Seattle, Wash.

POWELL, MAJ. J. W. (John Wesley), *a*,
Geological Survey.

POWELL, PROF. W. B. (William Bramwell), *a*,
Franklin School.

PRENTISS, DR. D. WEBSTER, (Daniel Webster), *a*,
1101 Fourteenth Street.

PRINCE, HON. L. BRADFORD (L—— Bradford), *c*,
Santa Fé, N. M.

PROCTER, PROF. JOHN R. (John Robert), *c*,
State Geological Survey, Frankfort, Ky.

PUMPELLY, PROF. RAPHAEL,
U. S. Geological Survey, Newport, R. I.

RANKIN, DR. J. E. (Jeremiah Eames),
Howard University.

REID, PROF. HARRY FIELDING, *c*,
Case School of Applied Science, Cleveland, O.

RENSHAW, JNO. H. (John Henry), *a*,
Geological Survey.

RICE, PROF. WILLIAM NORTH, *c*,
Wesleyan University, Middletown, Conn.

RICHMOND, CHAS. W. (Charles Wallace),
Department of Agriculture.

RICHTER, MISS C. M. (Clara Marie),
Dead Letter Office

RICKSECKER, EUGENE, *a*, *c*,

P. O. Box 289, Seattle, Wash.

RITTER, H. P. (Homer Peter), *a*,
Coast and Geodetic Survey.

ROBBINS, PROF. A. G. (Arthur Graham), *c*,
Massachusetts Institute of Technology, Boston, Mass.

ROBERTS, A. C. (Arthur Carr), *a*,
Hydrographic Office.

ROCHESTER, GEN. WM. B. (William Beatty), U. S. A.,
1320 Eighteenth Street.

ROCK, MILES,
1430 Chapin Street.

RODMAN, ENS. HUGH, U. S. N.,
Naval Observatory.

ROGERS, JNO. B. (John Baxter), *c*,
79 Flood Building, San Francisco, Cal.

ROSSE, DR. IRVING C. (Irving Collins),
1701 H Street.

ROTCH, A. LAWRENCE (Abbott Lawrence),
3 Commonwealth Avenue, Boston, Mass.

RUSSELL, ISRAEL C. (Israel Cook), *a*,
Geological Survey.

SARGENT, PROF. C. S. (Charles Sprague), *a*,
Arnold Arboretum, Brookline, Mass.

SCHAAP, C. H. (Christian Henry), *c*,
P. O. Box 32, Sitka, Alaska.

SCHLEY, CAPT. W. S. (Winfield Scott), U. S. N., *a*,
Navy Department.

SCHMIDT, FRED. A. (Frederick Andrew),
504 Ninth Street.

SCIDMORE, MISS ELIZA RUHAMAH,
1502 Twenty-first Street.

SCUDDER, PROF. S. H. (Samuel Hubbard), *a*,
Cambridge, Mass.

SHALER, PROF. N. S. (Nathaniel Southgate), *a*,
25 Quincy Street, Cambridge, Mass.

SHEPARD, J. L. N. (J—— L—— N——), *c*,
402 Front Street, San Francisco, Cal.

SINCLAIR, C. H. (Cephas Hempstone),
Coast and Geodetic Survey.

SINCLAIR, J. C. (John Collins),
718 Arch Street, Philadelphia, Pa.

SLOAN, ROBERT S. (Robert Sage), *c*,
Oswego, N. Y.

SMITH, EDWIN, *a*,
Coast and Geodetic Survey.

SMITH, REV. ERNEST C. (Ernest C——), *c*,
Lake View and Baxter Streets, Seattle, Wash.

SMITH, EVERETT, *c*,
526 Burke Building, Seattle, Wash.

SMITH, MIDDLETON, *a*,
P. O. Box 572.

SNELL, MERWIN-MARIE (Merwin-Marie Fitzporter),
Catholic University of America.

SOMMER, E. J. (Ernest Julius), *a*,
Coast and Geodetic Survey.

SPENCER, JAS. W. (James William),
Geological Survey.

STANLEY-BROWN, JOSEPH,
Geological Survey.

STEDMAN, J. M. (John Moore),
Department of Agriculture.

STEIN, ROBERT,
Geological Survey.

STOCKTON, LT. COMDR. C. H. (Charles Herbert), U. S. N., *a*,
Navy Department.

STONE, JAMES S. (James Savage), *c*,
131 Vernon Street, Newton, Mass.

STRUVE, HENRY G. (Henry G——), *c*,
Seattle, Wash.

SUTTON, FRANK,
Geological Survey.

TARBELL, L. L. (Luther Lewis), *c*,
Custom House, Boston, Mass.

TAYLOR, JAS. L. (James Lochermann),

1300 Pennsylvania Avenue.

THOMAS, MISS MARY VON E. (Mary von Erden), *a*,
69 Clinton Street, Cincinnati, O.

THOMPSON, PROF. A. H. (Almon Harris), *a*,
Geological Survey.

THOMPSON, GILBERT, *a*,
Geological Survey.

THOMPSON, LAURENCE, *a*,
Care H. S. Huson, N. P. R. R., Tacoma, Wash.

THOMPSON, CAPT. R. E. (Richard Edward), U. S. A., *a*,
Army Signal Office.

TITTMANN, O. H. (Otto Hilgard), *a*,
Coast and Geodetic Survey.

TOWSON, R. M. (Richard Mathew), *a*,
Geological Survey.

TUTTLE, PROF. A. H. (Alfred H——), *c*,
Charlottesville, Va.

TWEEDY, FRANK, *a*,
Geological Survey.

URQUHART, CHAS. F. (Charles Fox), *a*,
Geological Survey.

VAN HISE, PROF. C. R. (Charles Richard), *l*,
U. S. Geological Survey, Madison, Wis.

VASEY, DR. GEORGE, *a*,
Department of Agriculture.

VINAL, W. IRVING (Washington Irving), *a*,
Coast and Geodetic Survey.

VON HAAKE, A. (Adolph),
Post Office Department.

WADDEY, JOHN A. (John Alby),
Hydrographic Office.

WALCOTT, CHAS. D. (Charles Doolittle), *a*.
National Museum.

WALLACE, HAMILTON S. (Hamilton Stone), *a*,
Geological Survey.

WANAMAKER, HON. JOHN,
Post Office Department.

WARD, DILLIS B. (Dillis B——), *c*,
Seattle, Wash.

WARD, PROF. HENRY A. (Henry Augustus), *c*,
16 College Avenue, Rochester, N. Y.

WARD, LESTER F. (Lester Frank), *a*,
National Museum.

WARDER, B. H. (Benjamin Head),
1515 K Street.

WEED, WALTER HARVEY, *a*,
Geological Survey.

WEIR, JOHN B. (John Bradford), *a*,
The Clarendon.

WELLING, DR. JAMES C. (James Clarke), *a*,
Columbian University.

WEST, PRESTON C. F. (Preston Carpenter Firth), *c*,
Calumet, Mich.

WHITE, DR. C. H. (Charles Henry), U. S. N.,
Care A. B. Gilman, Bradford, Mass.

WHITING, HENRY L. (Henry Laurens),
U. S. Coast and Geodetic Survey, West Tisbury, Mass.

WILDER, GEN. J. T. (John Thomas), *a, l*,
Johnson City, Tenn.

WILDER, MISS MARY,
Johnson City, Tenn.

WILLENBÜCHER, EUGENE,
Coast and Geodetic Survey.

WILLENBÜCHER, W. C. (William Christian),
Coast and Geodetic Survey.

WILLIAMS, C. A. (Charles Augustus),
1301 Eighteenth Street.

WILLIAMS, WILLIAM, *c*,
University Club, New York, N. Y.

WILLIS, BAILEY, *a*,
Geological Survey.

WILLIS, MRS. BAILEY (Altona H. Grinnell),
1006 Twenty-second Street.

WILLITS, HON. EDWIN,

Department of Agriculture.

WILSON, H. M. (Herbert Michael), *a*,
Geological Survey.

WIMPFEN, L. F. v. (Lebrecht Felix von),
Hydrographic Office.

WINCHELL, PROF. N. H. (Newton Horace), *c*,
120 State Street, Minneapolis, Minn.

*WINDOM, HON. WILLIAM.

WINSLOW, PROF. ARTHUR,
State Geological Survey, Jefferson City, Mo.

WINSTON, ISAAC,
Coast and Geodetic Survey.

WOODWARD, R. S. (Robert Simpson), *a*,
Coast and Geodetic Survey.

WRIGHT, ENS. BENJAMIN, U. S. N.,
Hydrographic Office.

YEATES, CHAS. M. (Charles Marion), *a*,
Geological Survey.

YOUNG, F. A. (Frederic Albert),
Coast and Geodetic Survey.

INDEX TO VOLUMES I AND II.

(An * signifies that articles are referred to by title only.)

Abbe, Cleveland. *Climate of Samoa, I 272

*Expedition to the West Coast of Africa, II 295

Across Nicaragua with transit and machéte (*Peary*), I 272, 315

Africa. Exhibition of West Coast of, II 295

its past and future (*Hubbard*), I 99

slave trade in, I 112

Alaska, Arctic cruise of the *Thetis* in 1889, II 171

A trip up the Yukon river (*Russell*), II 67

America. International literary contest to be held on the 4th centennial anniversary, etc., I 273

Announcement, I i.; II 287

d'Anville's references to Bering's voyage of 1725–30, II 125

Appalachian mountain drainage, I 183

Arctic cruise of the *Thetis* in 1889, II 68, 171

*Armenia, Turkish Rule in, II 290

Asheville, (N. C.), round about (*Willis*), I 271, 291

*Asia, its past and present (*Hubbard*), II 68

Atlantic coast storm of March 11–14, 1888 (*Greely*), I 37
(*Hayden*), I 40

*Atlantic, Icebergs and Field ice in, II 291

Law of storms considered with special reference to the north Atlantic
(*Hayden*), II 199

Baker, Marcus. *Surveys, their kinds and purposes, I 269

Alleged observation of a lunar eclipse by Bering in 1728–29, II 167

Geographic nomenclature, II 272, 290

Bartlett, J. R. *Physical geography of the sea, I 87

Bell, A. G. *The Krakatoa eruption, I 272, 290

Bering, Vitus. His first expedition, 1725–30, with translation of his original report (*Dall*), II 111

Determination of longitude by the moon and by eclipses, II 113

Instruments and methods during his first expedition of 1725–30, II 113

Lunar eclipse said to have been observed by him in 1728–29, II 114, 167

Sources of information relating to his voyage of 1725–30, II 118

Instructions from Peter the Great, relating to his expedition of 1725–30,
II 135

Original report on his expedition to the eastern coast of Siberia, II 135

Geographical positions recorded by Bering, 1725–30, II 144, 160

Itinerary of his expedition of 1725–30, II 145

Synopsis of his first voyage, II 146

Resumé of the results of his first voyage, II 162

Bernadou, J. B. Korea and the Koreans, with map, II 231, 291

Bigelow, F. H. *Expedition to the West Coast of Africa, II 295

Biology in its relations to the work of the National Geographic Society (*Merriam*), I 160

Brazilian coast, telegraphic longitude determinations, II 17

Bureau of Navigation. Telegraphic determinations of longitude, II 1

Cadastre defined, II 246

California, irrigation in, I 270, 277

*north winds of (*Gilbert*), I 88

Cambrian. *The Continent during the, II 295

*Canada, the great plains of (*Kenaston*), I 270

*Canton, a glimpse of Chinese life in, II 68

Central American interoceanic canal routes, I 301

telegraphic longitude determinations, II 22

Charts illustrating the storm of March 11–14, 1888, on the Atlantic coast, I 58

Chattelaine, Heli. *Expedition to the West Coast of Africa, II 295

China, Japan and East Indies, telegraphic longitude determinations in, II 21

*China, and Thibet, Journey in, II 291

*Chinese life in Canton (*Hitchcock*), II 68

Classification of geographic forms, I 30, 36

- by genesis, I 27, 88
- of rivers (*Davis*), II 81
- *of topographic forms (*Gilbert*), I 88

Coast survey of the United States, I 59

Contour and hachure drawing, examples of, I 268

Curtis, W. E. *Patagonia, I 87

- *Recent events in the United States of Colombia, I 272

Dall, W. H. Critical review of Bering's first expedition 1725–30, II 68, 111

Darien, a trip to Panama and, I 301

Davis, W. M. Geographic methods in geologic investigation, I 11, 88

- Rivers and valleys of Pennsylvania, I 183, 271

- Rivers of northern New Jersey with notes on the general classification of rivers, II 68, 81

- Topographic models, I 271

Drainage of Pennsylvania (*Davis*), I 183

- of northern New Jersey, II 81

- systems classified, I 35

Depths of oceans, I 149

DuHalde's references to Bering's voyage of 1725–30, II 118

Dutton, C. E. *The Hawaiian Islands, II 295

Dyer, G. L. Geography of the sea—a report of progress, I 136

East Indies, China and Japan, telegraphic longitude determinations II 21

Eclipse of the moon said to have been observed by Bering in his expedition of 1725–30, II 114, 167

Ellicott, J. M. *Surveys Executed by the U. S. S. Ranger in Lower California, II 293

English-Russian transliteration, II 285

Eskimos of Point Hope, Alaska, traditions of, II 195

Exploration of Mt. St. Elias, II 288

Finley, J. P. *Something about tornadoes, I 269

French Broad valley (N. C.), I 291

Gannett, Henry. *Physical statistics relating to Massachusetts, I 269
The survey and map of Massachusetts, I 78, 88

Garabed, H. Discussion on Turkish Rule in Armenia, II 290

*Gas and Oil in the United States, II 295

Genesis of geographic forms as a means of classification, I 27

Geodetic survey of the United States, I 69

Geographic forms classified by genesis, I 27, 30
knowledge, historical sketch by *G. G. Hubbard*, I 3
methods in geologic investigation (*Davis*), I 11, 88
names, rules for orthography of, I 279
nomenclature, II 261, 290
*triangulation (*Johnson*), I 88

Geographical positions determined by Bering during his voyage, 1725–30,

II 144, 160

Geography of the air—a report of progress (*Greely*), I 151; II 49, 68
of the land—a report of progress (*Ogden*), I 125; II 31
of life—a report of progress (*Merriam*), I 160
of the sea—a report of progress (*Dyer*), I 136
systematic, I 11, 27

Geologic investigation by geographic methods (*Davis*), I 11
processes classified, I 30

Geological history of Pennsylvania, I 183

Geomorphology, I 27

Gilbert, G. K. *Classification of topographic forms, I 88
*North winds of California, I 88

Goode, R. U. A trip to Panama and Darien, I 271, 301

Great Britain, Ordnance Survey, its history and object, II 243, 292

Greely, A. W. Geography of the air—a report of progress, I 151; II 49, 68, 295
The great storm of March 11–14, 1888, I 37, 88

Green river in the Uinta mountains, its development (*Powell*), II 100

Hachure and contour drawing, examples of, I 268

Hall, W. H. Irrigation in California, I 270, 277

Harris' references to Bering's voyage of 1725–30, II 121

*Hawaiian Islands, II 295

Hayden, E. Law of storms considered with special reference to the north Atlantic, II 67, 199

The great storm off the Atlantic coast March 11–14, 1888, I 40, 88

*Report on the Department of the Sea, II 294

*Samoa; general geography, hydrography, I 227

Herald Island, Arctic ocean, with plate, II 193

Herrle, Gustave. Geographic nomenclature, II 265, 290

Rules for the orthography of geographic names, II 279

Herschel island, Mackenzie bay, II 188

Hitchcock, Romyn. *A glimpse of Chinese life in Canton, II 68

*House life in Mexico (*Johnson*), I 272

Hubbard, G. G. *Asia, its past and present, II 68

Africa, its past and future, I 99

Progress in geographic study. Introductory address, I 3

*South America, II 293

Hurricanes off the Atlantic coast (*Hayden*), II 199

of West India, II 203

of Nov. 25, 1888, with map, II 204

St. Thomas hurricane of Sept. 3–12, 1889, II 205

*Icebergs and Field Ice in the North Atlantic, II 291

Imperial German Hydrographic office, rules for orthography of geographic names, II 282

International literary contest to be held at Madrid, I 273

simultaneous meteorological reports, I 155

Interoceanic canal routes of Central America, I 301

of Nicaragua, I 315

Introductory address by *G. G. Hubbard*, II 3

Irrigation in California (*Hall*), I 270, 277

problem in Montana (*Wilson*), II 67, 212

Japan, China and East Indies. Telegraphic longitude determinations, II 21

Johnson, A. B. *House life in Mexico, I 272

Johnson, W. D. *Geographic triangulation, I 88

Kamchatka, Bering's voyage to, II 114

Eclipse of the moon said to have been observed there by Bering 1728–29, II 114, 167

Geographical positions determined by Bering, 1725–30, II 144, 160

Kenaston, C. A. *The great plains of Canada, I 270

*** END OF THE PROJECT GUTENBERG EBOOK THE NATIONAL
GEOGRAPHIC MAGAZINE, VOL. II., NO. 5, APRIL, 1891 ***

Updated editions will replace the previous one—the old editions will be renamed.

Creating the works from print editions not protected by U.S. copyright law means that no one owns a United States copyright in these works, so the Foundation (and you!) can copy and distribute it in the United States without permission and without paying copyright royalties. Special rules, set forth in the General Terms of Use part of this license, apply to copying and distributing Project Gutenberg™ electronic works to protect the PROJECT GUTENBERG™ concept and trademark. Project Gutenberg is a registered trademark, and may not be used if you charge for an eBook, except by following the terms of the trademark license, including paying royalties for use of the Project Gutenberg trademark. If you do not charge anything for copies of this eBook, complying with the trademark license is very easy. You may use this eBook for nearly any purpose such as creation of derivative works, reports, performances and research. Project Gutenberg eBooks may be modified and printed and given away—you may do practically ANYTHING in the United States with eBooks not protected by U.S. copyright law. Redistribution is subject to the trademark license, especially commercial redistribution.

START: FULL LICENSE

THE FULL PROJECT GUTENBERG™ LICENSE

PLEASE READ THIS BEFORE YOU DISTRIBUTE OR USE THIS WORK

To protect the Project Gutenberg™ mission of promoting the free distribution of electronic works, by using or distributing this work (or any other work associated in any way with the phrase “Project Gutenberg”), you agree to comply with all the terms of the Full Project Gutenberg License available with this file or online at www.gutenberg.org/license.

Section 1. General Terms of Use and Redistributing Project Gutenberg electronic works

1.A. By reading or using any part of this Project Gutenberg electronic work, you indicate that you have read, understand, agree to and accept all the terms of this license and intellectual property (trademark/copyright) agreement. If you do not agree to abide by all the terms of this agreement, you must cease using and return or destroy all copies of Project Gutenberg electronic works in your possession. If you paid a fee for obtaining a copy of or access to a Project Gutenberg electronic work and you do not agree to be bound by the terms of this agreement, you may obtain a refund from the person or entity to whom you paid the fee as set forth in paragraph 1.E.8.

1.B. “Project Gutenberg” is a registered trademark. It may only be used on or associated in any way with an electronic work by people who agree to be bound by the terms of this agreement. There are a few things that you can do with most Project Gutenberg electronic works even without complying with the full terms of this agreement. See paragraph 1.C below. There are a lot of things you can do with Project Gutenberg electronic works if you follow the terms of this agreement and help preserve free future access to Project Gutenberg electronic works. See paragraph 1.E below.

1.C. The Project Gutenberg Literary Archive Foundation (“the Foundation” or PGLAF), owns a compilation copyright in the collection of Project Gutenberg electronic works. Nearly all the individual works in the collection are in the public domain in the United States. If an individual work is unprotected by copyright law in the United States and you are

located in the United States, we do not claim a right to prevent you from copying, distributing, performing, displaying or creating derivative works based on the work as long as all references to Project Gutenberg are removed. Of course, we hope that you will support the Project Gutenberg mission of promoting free access to electronic works by freely sharing Project Gutenberg works in compliance with the terms of this agreement for keeping the Project Gutenberg name associated with the work. You can easily comply with the terms of this agreement by keeping this work in the same format with its attached full Project Gutenberg License when you share it without charge with others.

1.D. The copyright laws of the place where you are located also govern what you can do with this work. Copyright laws in most countries are in a constant state of change. If you are outside the United States, check the laws of your country in addition to the terms of this agreement before downloading, copying, displaying, performing, distributing or creating derivative works based on this work or any other Project Gutenberg work. The Foundation makes no representations concerning the copyright status of any work in any country other than the United States.

1.E. Unless you have removed all references to Project Gutenberg:

1.E.1. The following sentence, with active links to, or other immediate access to, the full Project Gutenberg License must appear prominently whenever any copy of a Project Gutenberg work (any work on which the phrase “Project Gutenberg” appears, or with which the phrase “Project Gutenberg” is associated) is accessed, displayed, performed, viewed, copied or distributed:

This eBook is for the use of anyone anywhere in the United States and most other parts of the world at no cost and with almost no restrictions whatsoever. You may copy it, give it away or re-use it under the terms of the Project GutenbergTM License included with this eBook or online at www.gutenberg.org. If you are not located in the United States, you will have to check the laws of the country where you are located before using this eBook.

1.E.2. If an individual Project Gutenberg electronic work is derived from texts not protected by U.S. copyright law (does not contain a notice indicating that it is posted with permission of the copyright holder), the work can be copied and distributed to anyone in the United States without paying any fees or charges. If you are redistributing or providing access to a work with the phrase “Project Gutenberg” associated with or appearing on the work, you must comply either with the requirements of paragraphs 1.E.1 through 1.E.7 or obtain permission for the use of the work and the Project Gutenberg trademark as set forth in paragraphs 1.E.8 or 1.E.9.

1.E.3. If an individual Project Gutenberg electronic work is posted with the permission of the copyright holder, your use and distribution must comply with both paragraphs 1.E.1 through 1.E.7 and any additional terms imposed by the copyright holder. Additional terms will be linked to the Project Gutenberg License for all works posted with the permission of the copyright holder found at the beginning of this work.

1.E.4. Do not unlink or detach or remove the full Project Gutenberg License terms from this work, or any files containing a part of this work or any other work associated with Project Gutenberg.

1.E.5. Do not copy, display, perform, distribute or redistribute this electronic work, or any part of this electronic work, without prominently displaying the sentence set forth in paragraph 1.E.1 with active links or immediate access to the full terms of the Project Gutenberg License.

1.E.6. You may convert to and distribute this work in any binary, compressed, marked up, nonproprietary or proprietary form, including any word processing or hypertext form. However, if you provide access to or distribute copies of a Project Gutenberg work in a format other than “Plain Vanilla ASCII” or other format used in the official version posted on the official Project Gutenberg website (www.gutenberg.org), you must, at no additional cost, fee or expense to the user, provide a copy, a means of exporting a copy, or a means of obtaining a copy upon request, of the work in its original “Plain Vanilla ASCII” or other form. Any alternate format must include the full Project Gutenberg License as specified in paragraph 1.E.1.

1.E.7. Do not charge a fee for access to, viewing, displaying, performing, copying or distributing any Project Gutenberg works unless you comply with paragraph 1.E.8 or 1.E.9.

1.E.8. You may charge a reasonable fee for copies of or providing access to or distributing Project Gutenberg electronic works provided that:

- You pay a royalty fee of 20% of the gross profits you derive from the use of Project Gutenberg works calculated using the method you already use to calculate your applicable taxes. The fee is owed to the owner of the Project Gutenberg trademark, but he has agreed to donate royalties under this paragraph to the Project Gutenberg Literary Archive Foundation. Royalty payments must be paid within 60 days following each date on which you prepare (or are legally required to prepare) your periodic tax returns. Royalty payments should be clearly marked as such and sent to the Project Gutenberg Literary Archive Foundation at the address specified in Section 4, "Information about donations to the Project Gutenberg Literary Archive Foundation."
- You provide a full refund of any money paid by a user who notifies you in writing (or by e-mail) within 30 days of receipt that s/he does not agree to the terms of the full Project Gutenberg™ License. You must require such a user to return or destroy all copies of the works possessed in a physical medium and discontinue all use of and all access to other copies of Project Gutenberg™ works.
- You provide, in accordance with paragraph 1.F.3, a full refund of any money paid for a work or a replacement copy, if a defect in the electronic work is discovered and reported to you within 90 days of receipt of the work.
- You comply with all other terms of this agreement for free distribution of Project Gutenberg™ works.

1.E.9. If you wish to charge a fee or distribute a Project Gutenberg™ electronic work or group of works on different terms than are set forth in this agreement, you must obtain permission in writing from the Project Gutenberg Literary Archive Foundation, the manager of the Project

Gutenberg™ trademark. Contact the Foundation as set forth in Section 3 below.

1.F.

1.F.1. Project Gutenberg volunteers and employees expend considerable effort to identify, do copyright research on, transcribe and proofread works not protected by U.S. copyright law in creating the Project Gutenberg™ collection. Despite these efforts, Project Gutenberg™ electronic works, and the medium on which they may be stored, may contain “Defects,” such as, but not limited to, incomplete, inaccurate or corrupt data, transcription errors, a copyright or other intellectual property infringement, a defective or damaged disk or other medium, a computer virus, or computer codes that damage or cannot be read by your equipment.

1.F.2. LIMITED WARRANTY, DISCLAIMER OF DAMAGES - Except for the “Right of Replacement or Refund” described in paragraph 1.F.3, the Project Gutenberg Literary Archive Foundation, the owner of the Project Gutenberg™ trademark, and any other party distributing a Project Gutenberg™ electronic work under this agreement, disclaim all liability to you for damages, costs and expenses, including legal fees. YOU AGREE THAT YOU HAVE NO REMEDIES FOR NEGLIGENCE, STRICT LIABILITY, BREACH OF WARRANTY OR BREACH OF CONTRACT EXCEPT THOSE PROVIDED IN PARAGRAPH 1.F.3. YOU AGREE THAT THE FOUNDATION, THE TRADEMARK OWNER, AND ANY DISTRIBUTOR UNDER THIS AGREEMENT WILL NOT BE LIABLE TO YOU FOR ACTUAL, DIRECT, INDIRECT, CONSEQUENTIAL, PUNITIVE OR INCIDENTAL DAMAGES EVEN IF YOU GIVE NOTICE OF THE POSSIBILITY OF SUCH DAMAGE.

1.F.3. LIMITED RIGHT OF REPLACEMENT OR REFUND - If you discover a defect in this electronic work within 90 days of receiving it, you can receive a refund of the money (if any) you paid for it by sending a written explanation to the person you received the work from. If you received the work on a physical medium, you must return the medium with your written explanation. The person or entity that provided you with the defective work may elect to provide a replacement copy in lieu of a refund. If you received the work electronically, the person or entity providing it to

you may choose to give you a second opportunity to receive the work electronically in lieu of a refund. If the second copy is also defective, you may demand a refund in writing without further opportunities to fix the problem.

1.F.4. Except for the limited right of replacement or refund set forth in paragraph 1.F.3, this work is provided to you 'AS-IS', WITH NO OTHER WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PURPOSE.

1.F.5. Some states do not allow disclaimers of certain implied warranties or the exclusion or limitation of certain types of damages. If any disclaimer or limitation set forth in this agreement violates the law of the state applicable to this agreement, the agreement shall be interpreted to make the maximum disclaimer or limitation permitted by the applicable state law. The invalidity or unenforceability of any provision of this agreement shall not void the remaining provisions.

1.F.6. INDEMNITY - You agree to indemnify and hold the Foundation, the trademark owner, any agent or employee of the Foundation, anyone providing copies of Project Gutenberg™ electronic works in accordance with this agreement, and any volunteers associated with the production, promotion and distribution of Project Gutenberg™ electronic works, harmless from all liability, costs and expenses, including legal fees, that arise directly or indirectly from any of the following which you do or cause to occur: (a) distribution of this or any Project Gutenberg work, (b) alteration, modification, or additions or deletions to any Project Gutenberg work, and (c) any Defect you cause.

Section 2. Information about the Mission of Project Gutenberg

Project Gutenberg is synonymous with the free distribution of electronic works in formats readable by the widest variety of computers including obsolete, old, middle-aged and new computers. It exists because of the

efforts of hundreds of volunteers and donations from people in all walks of life.

Volunteers and financial support to provide volunteers with the assistance they need are critical to reaching Project Gutenberg's goals and ensuring that the Project Gutenberg collection will remain freely available for generations to come. In 2001, the Project Gutenberg Literary Archive Foundation was created to provide a secure and permanent future for Project Gutenberg and future generations. To learn more about the Project Gutenberg Literary Archive Foundation and how your efforts and donations can help, see Sections 3 and 4 and the Foundation information page at www.gutenberg.org.

Section 3. Information about the Project Gutenberg Literary Archive Foundation

The Project Gutenberg Literary Archive Foundation is a non-profit 501(c)(3) educational corporation organized under the laws of the state of Mississippi and granted tax exempt status by the Internal Revenue Service. The Foundation's EIN or federal tax identification number is 64-6221541. Contributions to the Project Gutenberg Literary Archive Foundation are tax deductible to the full extent permitted by U.S. federal laws and your state's laws.

The Foundation's business office is located at 41 Watchung Plaza #516, Montclair NJ 07042, USA, +1 (862) 621-9288. Email contact links and up to date contact information can be found at the Foundation's website and official page at www.gutenberg.org/contact

Section 4. Information about Donations to the Project Gutenberg Literary Archive Foundation

Project Gutenberg™ depends upon and cannot survive without widespread public support and donations to carry out its mission of increasing the number of public domain and licensed works that can be freely distributed in machine-readable form accessible by the widest array of equipment

including outdated equipment. Many small donations (\$1 to \$5,000) are particularly important to maintaining tax exempt status with the IRS.

The Foundation is committed to complying with the laws regulating charities and charitable donations in all 50 states of the United States. Compliance requirements are not uniform and it takes a considerable effort, much paperwork and many fees to meet and keep up with these requirements. We do not solicit donations in locations where we have not received written confirmation of compliance. To SEND DONATIONS or determine the status of compliance for any particular state visit www.gutenberg.org/donate.

While we cannot and do not solicit contributions from states where we have not met the solicitation requirements, we know of no prohibition against accepting unsolicited donations from donors in such states who approach us with offers to donate.

International donations are gratefully accepted, but we cannot make any statements concerning tax treatment of donations received from outside the United States. U.S. laws alone swamp our small staff.

Please check the Project Gutenberg web pages for current donation methods and addresses. Donations are accepted in a number of other ways including checks, online payments and credit card donations. To donate, please visit: www.gutenberg.org/donate.

Section 5. General Information About Project Gutenberg electronic works

Professor Michael S. Hart was the originator of the Project Gutenberg concept of a library of electronic works that could be freely shared with anyone. For forty years, he produced and distributed Project Gutenberg eBooks with only a loose network of volunteer support.

Project Gutenberg eBooks are often created from several printed editions, all of which are confirmed as not protected by copyright in the U.S. unless a

copyright notice is included. Thus, we do not necessarily keep eBooks in compliance with any particular paper edition.

Most people start at our website which has the main PG search facility: www.gutenberg.org.

This website includes information about Project Gutenberg, including how to make donations to the Project Gutenberg Literary Archive Foundation, how to help produce our new eBooks, and how to subscribe to our email newsletter to hear about new eBooks.
