PROVEN RECIPES FOR TRADITIONAL PENNSYLVANIA Dutch FOODS

PENNSYLVANIA Dutch COOKERY

I N 1683 the Plain Sects began to arrive in William Penn's Colony seeking a land of peace and plenty. They were a mixed people; Moravians from Bohemia and Moravia, Mennonites from Switzerland and Holland, the Amish, the Dunkards, the Schwenkfelds, and the French Huguenots. After the lean years of clearing the land and developing their farms they established the peace and plenty they sought. These German-speaking people were originally called the Pennsylvania Deutsch but time and custom have caused them to be known to us as the Pennsylvania Dutch.

The Pennsylvania Dutch are a hard working people and as they say, "Them that works hard, eats hearty." The blending of recipes from their many home lands and the ingredients available in their new land produced tasty dishes that have been handed down from mother to daughter for generations. Their cooking was truly a folk art requiring much intuitive knowledge, for recipes contained measurements such as "flour to stiffen," "butter the size of a walnut," and "large as an apple." Many of the recipes have been made more exact and standardized providing us with a regional cookery we can all enjoy.

Soups are a traditional part of Pennsylvania Dutch cooking and the Dutch housewife can apparently make soup out of anything. If she has only milk and flour she can still make rivel soup. However, most of their soups are sturdier dishes, hearty enough to serve as the major portion of the evening meal. One of the favorite summer soups in the Pennsylvania Dutch country is Chicken Corn Soup. Few Sunday School picnic suppers would be considered complete without gallons of this hearty soup.

Many of the Pennsylvania Dutch foods are a part of their folklore. No Shrove Tuesday would be complete without raised doughnuts

called “fastnachts.” One of the many folk tales traces this custom back to the burnt offerings made by their old country ancestors to the goddess of spring. With the coming of Christianity the custom became associated with the Easter season and “fastnachts” are eaten on Shrove Tuesday to insure living to next Shrove Tuesday. Young dandelion greens are eaten on Maundy Thursday in order to remain well throughout the year.

The Christmas season is one of the busiest times in the Pennsylvania Dutch kitchen. For weeks before Christmas the house is filled with the smell of almond cookies, anise cookies, sandtarts, Belsnickle Christmas cookies, walnut kisses, pfeffernusse, and other traditional cookies. Not just a few of one kind but dozens and dozens of many kinds of cookies must be made. There must be plenty for the enjoyment of the family and many holiday visitors.

Regardless of the time of the year or the time of the day there are pies. The Pennsylvania Dutch eat pies for breakfast. They eat pies for lunch. They eat pies for dinner and they eat pies for midnight snacks. Pies are made with a great variety of ingredients from the apple pie we all know to the rivel pie which is made from flour, sugar, and butter. The Dutch housewife is as generous with her pies as she is with all her cooking, baking six or eight at a time not one and two.

The apple is an important Pennsylvania Dutch food. Dried apples form the basis for many typical dishes. Each fall barrels of apples are converted into cider. Apple butter is one of the Pennsylvania Dutch foods which has found national acceptance. The making of apple butter is an all-day affair and has the air of a holiday to it. Early in the morning the neighbors gather and begin to peel huge piles of apples that will be needed. Soon the great copper apple butter kettle is brought out and set up over a wood fire. Apple butter requires constant stirring to prevent burning. However, stirring can be light work for a boy and a girl when they’re young and the day is bright and the world is full of promise. By dusk the apple butter is made, neighborhood news is brought up to date and hunger has been driven that much further away for the coming winter.

Food is abundant and appetites are hearty in the Pennsylvania Dutch country. The traditional dishes are relatively simple and unlike most regional cookery the ingredients are readily available. Best of all, no matter who makes them the results are “wonderful good.”

PENNSYLVANIA DUTCH

Soups

PHILADELPHIA PEPPER POT

1 lb. honeycomb tripe
1 veal knuckle
1½ qts. water
2 tablespoons salt
1 tblsp. red pepper, diced
1 tblsp. green pepper, diced
1 tablespoon powdered thyme
6 peppercorns
4 potatoes, diced
2 bay leaves
3 whole cloves
3 tablespoons chopped parsley
2 stalks celery, diced
2 carrots, diced
2 tomatoes, peeled, cut up
4 onions, thinly sliced
1 piece pimento, cut fine

Wash and scrub tripe thoroughly. Place in large kettle and cover with plenty of cold water. Bring to a boil and simmer until tender. Simmer without boiling, that is the secret of making tripe tender. Drain and dice, ½ inch squares. In the meantime place the veal knuckle in another kettle adding 1½ qts. of water and all ingredients except the potatoes. Simmer at least one

hour, put in potatoes and simmer for another hour or until meat falls off the bone. Remove bone and take off all the meat. Cut it into small pieces and together with the tripe put it back into the soup. Bring to a boil and the soup is ready to serve. This soup keeps well and can be reheated.

DUMPLINGS (Spaetzle)

1 cup milk
2 cups flour
2 eggs
1 tsp. salt

Add milk to flour slowly, stirring constantly to keep mixture smooth. Add 1 egg at a time, beating well after each addition. Salt and mix well. When cooking in boiling salted water or meat broth, pour the batter from a shallow bowl, tilting it over the boiling kettle. With a sharp knife slice off pieces of the batter into the boiling liquid. Dip knife in the liquid before each cut to prevent sticking.

CORN CHOWDER

4 slices bacon
2 tblsp. onion, minced
1 tblsp. celery, minced
1 tblsp. pepper, minced
2 cups corn
2 potatoes, diced
3 tomatoes, cut-up
2 pints milk
salt

pepper

Dice the bacon and put into pan to brown, add onion, celery and pepper; fry until bacon is crisp. Add the corn and saute together for 3 minutes. Add the potatoes, tomatoes and seasoning, cover and simmer for 30 minutes. Finally add the milk, heat to the boiling point and serve with a little chopped parsley.

EGG NOODLES

2 eggs
½ tsp. salt
sifted flour

Add salt to the eggs and work in enough flour to make a stiff dough. Knead thoroughly, divide into 2 portions and roll each out as thin as possible, on a floured board. Cover with cloth and let stand until partly dry. Roll up the dough and cut into ¼ inch strips. Spread out on paper to dry a little longer.

DUTCH COUNTRY BEAN SOUP

1 lb. soup beans
1 ham bone
½ cup chopped onion
1 cup diced celery
1 can tomato sauce
½ cup diced potatoes
2 tsp. minced parsley
salt and pepper

Soak beans in water overnight. Drain, add fresh water and cook slowly with the ham bone for 2 hours. Put in the onion, celery, potatoes, tomato sauce, parsley and the salt and pepper and simmer until vegetables are soft. Remove the ham bone, trim off any meat, cut it up and add to soup. Many Pennsylvania Dutch cooks cut up hard boiled eggs and add them to the soup.

SPLIT PEA SOUP

1 lb. split peas
3 qts. water
1 ham bone
salt
2 carrots, sliced
1 stalk celery, chopped
1 large onion, chopped
pepper

2 lbs. stewing beef
2 qts. water
1 cup chopped onion
1 cup chopped celery
1 cup tomatoes
2 tsp. salt

Also add other available vegetables, such as diced potatoes, carrots, turnip, string beans, corn, peas, cabbage or chopped peppers. Boil until all vegetables are tender.

MEAT FILLING *for* NOODLES

Soak bread cubes in water and press dry then add to the meat. Spoon mixture on the center of the noodle squares, fold in half and seal edges, like little pillows. Drop the filled squares into salted boiling water and cook 8 to 10 minutes. Lift carefully with draining spoon to a serving dish and top with the half cup of bread crumbs which have been browned in butter.

EGG BALLS FOR SOUP

Rub the yolks of three or four hard boiled eggs to a smooth paste and salt. To these add two raw ones lightly beaten. Add enough flour to hold the paste together. Make into balls with floured hands and set in cool place until just before your soup comes off. Put the balls carefully into the soup and boil one minute.

1 pt. vinegar
2 sticks cinnamon
½ tblsp. whole cloves
1 tsp. allspice

Pare the cantaloupe, remove seeds and cut into strips, 1 × 2 inch or squares. Dissolve the alum in the water and bring to a boil. Add the cantaloupe and cook for 15 minutes. Drain well. Combine vinegar, sugar and spices. Add the cantaloupe and simmer slowly until fruit is transparent (about 45 minutes). Place in hot sterilized jars and seal.

RED BEET EGGS

When making pickled beets, save some of the spicy pickling liquid and put into it a half-dozen, shelled, hard-boiled eggs. These take on a beautiful color and excellent flavor and are grand as appetizers served with crisp hearts of celery. They are also good sliced in sandwiches or salads.

GINGER PEARS

5 lbs. hard pears
3 cups water
5 lbs. sugar
½ cup chopped preserved ginger
3 lemons juice and rind

Pare and core the pears. Dice or cut into thin slices. Add water and cook until tender. Add the sugar, ginger, the lemon juice and grated rind. Simmer mixture until

thick and pears are transparent. Pour into sterilized jars and seal. Makes 5 pints.

PICKLED BEETS

3 lbs. beets
1 stick cinnamon
1 teaspoon whole allspice
½ cup sugar
6 whole cloves
1 pt. vinegar
½ cup water

Boil beets until tender. Remove skins. Tie spices in cheesecloth. Heat vinegar, water, sugar and spices to boiling point. Add beets and boil 5 minutes. Pack in sterile jars and fill with hot liquid. Seal.

CORN RELISH

9 ears corn
1 qt. vinegar
1 cup sugar
1 tsp. salt
1½ tblsps. dry mustard
1 tsp. turmeric
1 medium head cabbage
2 medium onions, chopped
3 red peppers
2 green peppers

Cook corn in boiling water for 2 minutes. Dip in cold water and cut grains from the cob. Chop the cabbage, onion and peppers into small pieces and add to corn.

Mix vinegar, sugar, salt and spices and heat to boiling. Add the corn and vegetables and boil until tender, 20 to 30 minutes, stirring frequently. Pour into sterile jars and seal. This makes about 8 pints.

PEPPER RELISH

12 sweet red peppers
12 sweet green peppers
8 small onions
1 qt. vinegar
1½ cups sugar
2 tsp. salt

Seed the peppers and chop fine with the onion. Put into a bowl, cover with boiling water and let stand for 5 minutes. Drain and cover again with boiling water, let stand for 10 minutes longer. Place in colander or cheesecloth bag let drain over night. In the morning add the vinegar, sugar and salt. Boil for 20 minutes. Place in hot sterilized jars and seal.

PICKLED GREEN BEANS

2 cups green beans
1 cup vinegar
1 cup sugar
1 cup water

Clean and cook whole green beans. Place them in a sterile pint jar. Boil the water, vinegar, sugar and ⅛ tsp. salt. Pour over the beans and seal jar.

CHOW CHOW

**2 qts. chopped cabbage
1 qt. chopped green tomatoes
6 large onions, chopped
3 sweet red peppers, chopped
salt
2 lbs. sugar
4 tablespoons dry mustard
3 tblsp. white mustard seed
1½ tablespoons celery seed
½ tablespoon ginger
vinegar to cover (about 8 cups)
1 tablespoon cloves**

Put each kind of vegetable into a separate bowl and sprinkle a small amount of salt over each. Let stand 4 hours. Press juice from each vegetable and combine. Mix the dry ingredients and rub into a paste by using a small amount of vinegar. Then add all the vinegar and heat to boiling. Put in the vegetables and cook slowly for 20 minutes. Pack in sterile jars and seal. Cover jars with boiling water and simmer for 15 minutes. Makes 2½ quarts.

Creating the works from print editions not protected by U.S. copyright law means that no one owns a United States copyright in these works, so the Foundation (and you!) can copy and distribute it in the United States without permission and without paying copyright royalties. Special rules, set forth in the General Terms of Use part of this license, apply to copying and distributing Project Gutenberg™ electronic works to protect the PROJECT GUTENBERG™ concept and trademark. Project Gutenberg is a registered trademark, and may not be used if you charge for an eBook, except by following the terms of the trademark license, including paying royalties for use of the Project Gutenberg trademark. If you do not charge anything for copies of this eBook, complying with the trademark license is very easy. You may use this eBook for nearly any purpose such as creation of derivative works, reports, performances and research. Project Gutenberg eBooks may be modified and printed and given away—you may do practically ANYTHING in the United States with eBooks not protected by U.S. copyright law. Redistribution is subject to the trademark license, especially commercial redistribution.

START: FULL LICENSE

THE FULL PROJECT GUTENBERG™ LICENSE

PLEASE READ THIS BEFORE YOU DISTRIBUTE OR USE THIS WORK

To protect the Project Gutenberg™ mission of promoting the free distribution of electronic works, by using or distributing this work (or any other work associated in any way with the phrase “Project Gutenberg”), you agree to comply with all the terms of the Full Project Gutenberg License available with this file or online at www.gutenberg.org/license.

Section 1. General Terms of Use and Redistributing Project Gutenberg electronic works

1.A. By reading or using any part of this Project Gutenberg electronic work, you indicate that you have read, understand, agree to and accept all the terms of this license and intellectual property (trademark/copyright) agreement. If you do not agree to abide by all the terms of this agreement, you must cease using and return or destroy all copies of Project Gutenberg electronic works in your possession. If you paid a fee for obtaining a copy of or access to a Project Gutenberg electronic work and you do not agree to be bound by the terms of this agreement, you may obtain a refund from the person or entity to whom you paid the fee as set forth in paragraph 1.E.8.

1.B. “Project Gutenberg” is a registered trademark. It may only be used on or associated in any way with an electronic work by people who agree to be bound by the terms of this agreement. There are a few things that you can do with most Project Gutenberg electronic works even without complying with the full terms of this agreement. See paragraph 1.C below. There are a lot of things you can do with Project Gutenberg electronic works if you follow the terms of this agreement and help preserve free future access to Project Gutenberg electronic works. See paragraph 1.E below.

1.C. The Project Gutenberg Literary Archive Foundation (“the Foundation” or PGLAF), owns a compilation copyright in the collection of Project Gutenberg electronic works. Nearly all the individual works in the collection are in the public domain in the United States. If an individual work is unprotected by copyright law in the United States and you are located in the United States, we do not claim a right to prevent you from copying, distributing, performing, displaying or creating derivative works based on the work as long as all references to Project Gutenberg are removed. Of course, we hope that you will support the Project Gutenberg mission of promoting free access to electronic works by freely sharing Project Gutenberg works in compliance with the terms of this agreement for keeping the Project Gutenberg name associated with the work. You can easily comply with the terms of this agreement by keeping this work in the same format with its attached full Project Gutenberg License when you share it without charge with others.

1.D. The copyright laws of the place where you are located also govern what you can do with this work. Copyright laws in most countries are in a constant state of change. If you are outside the United States, check the laws of your country in addition to the terms of this agreement before downloading, copying, displaying, performing, distributing or creating derivative works based on this work or any other Project Gutenberg work. The Foundation makes no representations concerning the copyright status of any work in any country other than the United States.

1.E. Unless you have removed all references to Project Gutenberg:

1.E.1. The following sentence, with active links to, or other immediate access to, the full Project Gutenberg License must appear prominently whenever any copy of a Project Gutenberg work (any work on which the phrase “Project Gutenberg” appears, or with which the phrase “Project Gutenberg” is associated) is accessed, displayed, performed, viewed, copied or distributed:

This eBook is for the use of anyone anywhere in the United States and most other parts of the world at no cost and with

almost no restrictions whatsoever. You may copy it, give it away or re-use it under the terms of the Project Gutenberg™ License included with this eBook or online at www.gutenberg.org. If you are not located in the United States, you will have to check the laws of the country where you are located before using this eBook.

1.E.2. If an individual Project Gutenberg electronic work is derived from texts not protected by U.S. copyright law (does not contain a notice indicating that it is posted with permission of the copyright holder), the work can be copied and distributed to anyone in the United States without paying any fees or charges. If you are redistributing or providing access to a work with the phrase “Project Gutenberg” associated with or appearing on the work, you must comply either with the requirements of paragraphs 1.E.1 through 1.E.7 or obtain permission for the use of the work and the Project Gutenberg trademark as set forth in paragraphs 1.E.8 or 1.E.9.

1.E.3. If an individual Project Gutenberg electronic work is posted with the permission of the copyright holder, your use and distribution must comply with both paragraphs 1.E.1 through 1.E.7 and any additional terms imposed by the copyright holder. Additional terms will be linked to the Project Gutenberg License for all works posted with the permission of the copyright holder found at the beginning of this work.

1.E.4. Do not unlink or detach or remove the full Project Gutenberg License terms from this work, or any files containing a part of this work or any other work associated with Project Gutenberg.

1.E.5. Do not copy, display, perform, distribute or redistribute this electronic work, or any part of this electronic work, without prominently displaying the sentence set forth in paragraph 1.E.1 with active links or immediate access to the full terms of the Project Gutenberg License.

1.E.6. You may convert to and distribute this work in any binary, compressed, marked up, nonproprietary or proprietary form,

including any word processing or hypertext form. However, if you provide access to or distribute copies of a Project Gutenberg work in a format other than “Plain Vanilla ASCII” or other format used in the official version posted on the official Project Gutenberg website (www.gutenberg.org), you must, at no additional cost, fee or expense to the user, provide a copy, a means of exporting a copy, or a means of obtaining a copy upon request, of the work in its original “Plain Vanilla ASCII” or other form. Any alternate format must include the full Project Gutenberg License as specified in paragraph 1.E.1.

1.E.7. Do not charge a fee for access to, viewing, displaying, performing, copying or distributing any Project Gutenberg works unless you comply with paragraph 1.E.8 or 1.E.9.

1.E.8. You may charge a reasonable fee for copies of or providing access to or distributing Project Gutenberg electronic works provided that:

- You pay a royalty fee of 20% of the gross profits you derive from the use of Project Gutenberg works calculated using the method you already use to calculate your applicable taxes. The fee is owed to the owner of the Project Gutenberg trademark, but he has agreed to donate royalties under this paragraph to the Project Gutenberg Literary Archive Foundation. Royalty payments must be paid within 60 days following each date on which you prepare (or are legally required to prepare) your periodic tax returns. Royalty payments should be clearly marked as such and sent to the Project Gutenberg Literary Archive Foundation at the address specified in Section 4, “Information about donations to the Project Gutenberg Literary Archive Foundation.”
- You provide a full refund of any money paid by a user who notifies you in writing (or by e-mail) within 30 days of receipt that s/he does not agree to the terms of the full Project Gutenberg™ License. You must require such a user to return or destroy all copies of the works possessed in a physical medium and discontinue all use of and all access to other copies of Project Gutenberg™ works.

- You provide, in accordance with paragraph 1.F.3, a full refund of any money paid for a work or a replacement copy, if a defect in the electronic work is discovered and reported to you within 90 days of receipt of the work.
- You comply with all other terms of this agreement for free distribution of Project Gutenberg™ works.

1.E.9. If you wish to charge a fee or distribute a Project Gutenberg™ electronic work or group of works on different terms than are set forth in this agreement, you must obtain permission in writing from the Project Gutenberg Literary Archive Foundation, the manager of the Project Gutenberg™ trademark. Contact the Foundation as set forth in Section 3 below.

1.F.

1.F.1. Project Gutenberg volunteers and employees expend considerable effort to identify, do copyright research on, transcribe and proofread works not protected by U.S. copyright law in creating the Project Gutenberg™ collection. Despite these efforts, Project Gutenberg™ electronic works, and the medium on which they may be stored, may contain “Defects,” such as, but not limited to, incomplete, inaccurate or corrupt data, transcription errors, a copyright or other intellectual property infringement, a defective or damaged disk or other medium, a computer virus, or computer codes that damage or cannot be read by your equipment.

1.F.2. LIMITED WARRANTY, DISCLAIMER OF DAMAGES - Except for the “Right of Replacement or Refund” described in paragraph 1.F.3, the Project Gutenberg Literary Archive Foundation, the owner of the Project Gutenberg™ trademark, and any other party distributing a Project Gutenberg™ electronic work under this agreement, disclaim all liability to you for damages, costs and expenses, including legal fees. YOU AGREE THAT YOU HAVE NO REMEDIES FOR NEGLIGENCE, STRICT LIABILITY, BREACH OF WARRANTY OR BREACH OF CONTRACT EXCEPT THOSE PROVIDED IN PARAGRAPH 1.F.3. YOU AGREE THAT THE

FOUNDATION, THE TRADEMARK OWNER, AND ANY DISTRIBUTOR UNDER THIS AGREEMENT WILL NOT BE LIABLE TO YOU FOR ACTUAL, DIRECT, INDIRECT, CONSEQUENTIAL, PUNITIVE OR INCIDENTAL DAMAGES EVEN IF YOU GIVE NOTICE OF THE POSSIBILITY OF SUCH DAMAGE.

1.F.3. LIMITED RIGHT OF REPLACEMENT OR REFUND - If you discover a defect in this electronic work within 90 days of receiving it, you can receive a refund of the money (if any) you paid for it by sending a written explanation to the person you received the work from. If you received the work on a physical medium, you must return the medium with your written explanation. The person or entity that provided you with the defective work may elect to provide a replacement copy in lieu of a refund. If you received the work electronically, the person or entity providing it to you may choose to give you a second opportunity to receive the work electronically in lieu of a refund. If the second copy is also defective, you may demand a refund in writing without further opportunities to fix the problem.

1.F.4. Except for the limited right of replacement or refund set forth in paragraph 1.F.3, this work is provided to you 'AS-IS', WITH NO OTHER WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PURPOSE.

1.F.5. Some states do not allow disclaimers of certain implied warranties or the exclusion or limitation of certain types of damages. If any disclaimer or limitation set forth in this agreement violates the law of the state applicable to this agreement, the agreement shall be interpreted to make the maximum disclaimer or limitation permitted by the applicable state law. The invalidity or unenforceability of any provision of this agreement shall not void the remaining provisions.

1.F.6. INDEMNITY - You agree to indemnify and hold the Foundation, the trademark owner, any agent or employee of the Foundation, anyone providing copies of Project Gutenberg™ electronic works in accordance with this agreement, and any

volunteers associated with the production, promotion and distribution of Project Gutenberg™ electronic works, harmless from all liability, costs and expenses, including legal fees, that arise directly or indirectly from any of the following which you do or cause to occur: (a) distribution of this or any Project Gutenberg work, (b) alteration, modification, or additions or deletions to any Project Gutenberg work, and (c) any Defect you cause.

Section 2. Information about the Mission of Project Gutenberg

Project Gutenberg is synonymous with the free distribution of electronic works in formats readable by the widest variety of computers including obsolete, old, middle-aged and new computers. It exists because of the efforts of hundreds of volunteers and donations from people in all walks of life.

Volunteers and financial support to provide volunteers with the assistance they need are critical to reaching Project Gutenberg's goals and ensuring that the Project Gutenberg collection will remain freely available for generations to come. In 2001, the Project Gutenberg Literary Archive Foundation was created to provide a secure and permanent future for Project Gutenberg and future generations. To learn more about the Project Gutenberg Literary Archive Foundation and how your efforts and donations can help, see Sections 3 and 4 and the Foundation information page at www.gutenberg.org.

Section 3. Information about the Project Gutenberg Literary Archive Foundation

The Project Gutenberg Literary Archive Foundation is a non-profit 501(c)(3) educational corporation organized under the laws of the state of Mississippi and granted tax exempt status by the Internal Revenue Service. The Foundation's EIN or federal tax identification number is 64-6221541. Contributions to the Project Gutenberg

Literary Archive Foundation are tax deductible to the full extent permitted by U.S. federal laws and your state's laws.

The Foundation's business office is located at 41 Watchung Plaza #516, Montclair NJ 07042, USA, +1 (862) 621-9288. Email contact links and up to date contact information can be found at the Foundation's website and official page at www.gutenberg.org/contact

Section 4. Information about Donations to the Project Gutenberg Literary Archive Foundation

Project Gutenberg™ depends upon and cannot survive without widespread public support and donations to carry out its mission of increasing the number of public domain and licensed works that can be freely distributed in machine-readable form accessible by the widest array of equipment including outdated equipment. Many small donations (\$1 to \$5,000) are particularly important to maintaining tax exempt status with the IRS.

The Foundation is committed to complying with the laws regulating charities and charitable donations in all 50 states of the United States. Compliance requirements are not uniform and it takes a considerable effort, much paperwork and many fees to meet and keep up with these requirements. We do not solicit donations in locations where we have not received written confirmation of compliance. To SEND DONATIONS or determine the status of compliance for any particular state visit www.gutenberg.org/donate.

While we cannot and do not solicit contributions from states where we have not met the solicitation requirements, we know of no prohibition against accepting unsolicited donations from donors in such states who approach us with offers to donate.

International donations are gratefully accepted, but we cannot make any statements concerning tax treatment of donations received from outside the United States. U.S. laws alone swamp our small staff.

Please check the Project Gutenberg web pages for current donation methods and addresses. Donations are accepted in a number of other ways including checks, online payments and credit card donations. To donate, please visit: www.gutenberg.org/donate.

Section 5. General Information About Project Gutenberg electronic works

Professor Michael S. Hart was the originator of the Project Gutenberg concept of a library of electronic works that could be freely shared with anyone. For forty years, he produced and distributed Project Gutenberg eBooks with only a loose network of volunteer support.

Project Gutenberg eBooks are often created from several printed editions, all of which are confirmed as not protected by copyright in the U.S. unless a copyright notice is included. Thus, we do not necessarily keep eBooks in compliance with any particular paper edition.

Most people start at our website which has the main PG search facility: www.gutenberg.org.

This website includes information about Project Gutenberg, including how to make donations to the Project Gutenberg Literary Archive Foundation, how to help produce our new eBooks, and how to subscribe to our email newsletter to hear about new eBooks.
