Estes Park, Colorado

Center of the Nation's Greatest Playground—

Rocky Mountain National Park

At the Eastern entrance to this National playground is the modern town of Estes Park, with an elevation of 7,549 feet. Estes Park has daily mail service, direct telegraph and long distance telephone connections, and most efficient electric and phone service. Its water, only a few hours from the eternal snow fields, is 99 per cent pure by test, and fresh pure milk from inspected herds is delivered daily.

There is also a fine Public Library, an Auditorium, Protestant and Catholic churches, and an up-to-date weekly newspaper and printing plant.

Adjoining the Village is the Estes Aviation Country Club featuring a 3000 ft. runway, 9-hole golf course, tennis courts, scenic passenger flights and other recreational activities.

There is a well managed pavilion for those who like to dance. Special dances are frequently held at many of the hotels and lodges. The theatres offer the latest motion picture releases. Horseback riding, bowling, hiking and golf are major recreational activities.

Adjoining the Village are the administration headquarters for the fifty-four million dollar Colorado-Big Thompson Diversion project, which is to divert the waters of the Colorado river from the western to the eastern slopes of the Continental Divide by means of a 13-mile tunnel through the Rockies.

Outstanding and nationally known boys' and girls' camps where young people may enjoy healthful surroundings under sympathetic instructors offer campcraft, woodcraft, mountaineering, natural science and horsemanship.

During the summer Estes Park is the center of activity for many thousands of people, its local shops and stores economically supplying their every need. These stores are up-to-date and stocks are complete. Prices are moderate. Many of these stores maintain a daily delivery service to outlying districts.

Come up here for a day, a week or a month and you'll go back home with the gallery of your mind filled with the pictures these hills and canyons and aspens, slopes and gulches and glaciers have hung upon its walls.

Rocky Mountain National Park

Rocky Mountain National Park, adjoining Estes Park Village, embraces 405 square miles of unsurpassed mountain scenery, including 65 towering peaks over 10,000 feet high, 150 highland lakes, scores of rushing streams, babbling brooks and dashing waterfalls. Here the natural attractions are so varied a visitor is almost bewildered by the wide choice of vacation endeavors which could fill an entire summer.

Visitors are urged to take advantage of naturalist services. Schedules of hikes and nature walks, as well as evening campfire discussions, are announced weekly. Three museums on geologic, historic, biologic and other aspects of the Park are open throughout the season. Auto caravans, led by naturalists to outstanding areas too far for hiking, bring visitors to rare regions of scenic wonder.

Elkanah Valley and Longs Peak from Twin Sisters.

Plan to Include These Auto Trips In Your Itinerary—

ESTES PARK TO GRAND LAKE—Over spectacular Trail Ridge Road. Highest through highway in the world.

FALL RIVER ROAD—Open to Chasm Falls. Good trip for picnics. This highway open to UP travel only from Chasm Falls to Fall River Pass.

BEAR LAKE—Road paved. This trip takes you to the very base of the range.

SOUTH ST. VRAIN, ALLENS PARK, LYONS—Return to Estes Park via NORTH ST. VRAIN. A beautiful trip through the foothills.

BIG THOMPSON CANYON LOOP TRIP—Return to Estes Park via North St. Vrain or South St. Vrain highways.

DEVIL'S GULCH TRIP—Through shady, winding roads to connect with new scenic Big Thompson highway.

HORSESHOE PARK LOOP TRIP—Over High Drive and back through Horseshoe Park and scenic section of Fall River road.

Chasm Falls, on a tumbling mountain stream fresh from the ever-present snow banks, is just off the old Fall River highway, above Horseshoe Park.

Horseback riding is almost synonymous with a vacation at Estes Park. Into the very heart of the Rockies, thru pine scented forests, along the banks of crystal clear lakes, you can ride or hike.

Well stocked streams present a fisherman's paradise, and each year give up tons of rainbow and speckled beauties to anglers.

Grand Lake, western entrance to Rocky Mountain National Park and highest yacht anchorage in the world.

LAKE ESTES

Only a few minutes drive from the Village of Estes Park, at the foot of majestic, snow-capped peaks and amid alpine splendor is beautiful new Lake Estes.

Created as part of the Colorado-Big Thompson project, this lake is a mecca for vacationists who enjoy water sports of all kinds.

There is lake fishing at its best since Lake Estes has been heavily stocked with game trout. There is no satisfaction akin to landing a fighting lake trout, unless it is eating one caught from the sparkling clean waters of Lake Estes!

Many hours of relaxing enjoyment can be experienced in this area—there's a particular sport for every member of the family, and Lake Estes will help make your vacation complete. Boating, sun-bathing, or hiking are but a few of the reasons why Lake Estes is the center of activities in the Playground of America—Estes Park.

This is an artist's conception of Lake Estes. Its waters held back by Olympus Dam. A half-mile above the inlet is the Village of Estes Park, and beyond the town the grandeur of the Rockies and the Continental Divide.

Panoramic glimpse of Estes Village, the center of your vacation activities.

Estes Park—Vacation Center

Surrounded by mountains of majestic beauty with their glacial gorges, deep forests, tumbling mountain streams, blue shimmering lakes and eternal snow, Estes Park Village is the center of activity for vacationists from all over America. It is the answer to your dreams of a vacation paradise.

Radiating from the Village are scenic highways offering every type of mountain scenery from grassy aspen glens to the sheer rugged cliffs of the Continental Divide.

And yet, in the Village itself and in the hotels, lodges and cottages are to be found modern accommodations, excellent food, comfortable beds, and all the services to meet your needs.

The Chamber of Commerce invites you to register at its office. We want to assist in every way possible in making your visit the most enjoyable you have ever had.

LONGS PEAK From almost any point in the Park this peak can be seen reaching its towering summit, 14,255 feet above sea level into the clear, crisp air.

Winter sports show a tremendous gain in popularity especially for the young and hardy sportsman.

Scenic view along the South St. Vrain highway at a point near the foot of Mt. Meeker, second highest peak in the area.

Above timberline eternal snows await your visit any month of the year on the world famous Trail Ridge Road.

This is a typical Estes Park View from your hotel or cottage window.

Entrance to the awe-inspiring Big Thompson Canyon. A wide, oiled highway runs along the banks of the roaring Big Thompson River into Estes Park.

Section 2. Information about the Mission of Project Gutenberg

Project Gutenberg is synonymous with the free distribution of electronic works in formats readable by the widest variety of computers including obsolete, old, middle-aged and new computers. It exists because of the

efforts of hundreds of volunteers and donations from people in all walks of life.

Volunteers and financial support to provide volunteers with the assistance they need are critical to reaching Project Gutenberg's goals and ensuring that the Project Gutenberg collection will remain freely available for generations to come. In 2001, the Project Gutenberg Literary Archive Foundation was created to provide a secure and permanent future for Project Gutenberg and future generations. To learn more about the Project Gutenberg Literary Archive Foundation and how your efforts and donations can help, see Sections 3 and 4 and the Foundation information page at www.gutenberg.org.

Section 3. Information about the Project Gutenberg Literary Archive Foundation

The Project Gutenberg Literary Archive Foundation is a non-profit 501(c)(3) educational corporation organized under the laws of the state of Mississippi and granted tax exempt status by the Internal Revenue Service. The Foundation's EIN or federal tax identification number is 64-6221541. Contributions to the Project Gutenberg Literary Archive Foundation are tax deductible to the full extent permitted by U.S. federal laws and your state's laws.

The Foundation's business office is located at 41 Watchung Plaza #516, Montclair NJ 07042, USA, +1 (862) 621-9288. Email contact links and up to date contact information can be found at the Foundation's website and official page at www.gutenberg.org/contact

Section 4. Information about Donations to the Project Gutenberg Literary Archive Foundation

Project Gutenberg™ depends upon and cannot survive without widespread public support and donations to carry out its mission of increasing the number of public domain and licensed works that can be freely distributed in machine-readable form accessible by the widest array of equipment

including outdated equipment. Many small donations (\$1 to \$5,000) are particularly important to maintaining tax exempt status with the IRS.

The Foundation is committed to complying with the laws regulating charities and charitable donations in all 50 states of the United States. Compliance requirements are not uniform and it takes a considerable effort, much paperwork and many fees to meet and keep up with these requirements. We do not solicit donations in locations where we have not received written confirmation of compliance. To SEND DONATIONS or determine the status of compliance for any particular state visit www.gutenberg.org/donate.

While we cannot and do not solicit contributions from states where we have not met the solicitation requirements, we know of no prohibition against accepting unsolicited donations from donors in such states who approach us with offers to donate.

International donations are gratefully accepted, but we cannot make any statements concerning tax treatment of donations received from outside the United States. U.S. laws alone swamp our small staff.

Please check the Project Gutenberg web pages for current donation methods and addresses. Donations are accepted in a number of other ways including checks, online payments and credit card donations. To donate, please visit: www.gutenberg.org/donate.

Section 5. General Information About Project Gutenberg electronic works

Professor Michael S. Hart was the originator of the Project Gutenberg concept of a library of electronic works that could be freely shared with anyone. For forty years, he produced and distributed Project Gutenberg eBooks with only a loose network of volunteer support.

Project Gutenberg eBooks are often created from several printed editions, all of which are confirmed as not protected by copyright in the U.S. unless a

copyright notice is included. Thus, we do not necessarily keep eBooks in compliance with any particular paper edition.

Most people start at our website which has the main PG search facility:
www.gutenberg.org.

This website includes information about Project Gutenberg, including how to make donations to the Project Gutenberg Literary Archive Foundation, how to help produce our new eBooks, and how to subscribe to our email newsletter to hear about new eBooks.
