Nothing does it like Seven-Up!

1

There's a place in your kitchen ... for 7up

Seven-Up can be an exciting new ingredient for those housewives who are always alert for ways to put “something extra” into their favorite recipes. The crystal-clear, lively flavor of 7-Up will take on a new dimension when you do what mealmakers all over the country are doing ... using 7-Up in recipes for pie crusts, cakes, meat preparation, salads, desserts, gravies, sauces, and punches.

Your family and guests will quickly notice the sparkling new flavor, the subtle tang, and the light airiness that 7-Up adds to your favorite dishes.

Now you're really cooking ...

when you're cooking with 7-Up!

Baste your Roasts with 7-Up!

One of the most popular kitchen uses for 7-Up is that of a tangy baste for meats and fowl. Seven-Up helps to highlight the natural flavor of the meat.

with BEEF or PORK!

Place your roast in the roaster with lid off until meat is oven-brown. Use only enough water in roaster to prevent sticking. When ready for additional liquid, add 7-Up as required, basting at frequent intervals.

with LAMB!

Start your roast or shoulder of lamb with about $\frac{3}{4}$ cup of water to create enough steam to last until the meat heats through evenly. Then baste with two or three (7-oz.) bottles of 7-Up, the number depending on the size of the roast.

with TURKEY!

Place turkey in roaster with one cup of water (for steaming). After turkey heats through, baste with three or four (7-oz.) bottles of 7-Up, depending on size of bird.

with WILD DUCK!

You can get the best out of any wild fowl or game by basting it with 7-Up. Seven-Up takes away any “gamey” taste and still preserves the natural

flavor.

For that Special “Party Touch”!

7-UP BRONCOS

- 1 cup buttermilk pancake mix
- 2 tbsp. corn meal
- 1 7-oz. bottle 7-Up
- 8 wieners

Combine dry ingredients. Add 7-Up and mix with an egg-beater for 2 minutes. Dip wieners into batter, then fry in deep fat at 350° for 2 to 3 minutes. Insert skewers and serve warm with chilled 7-Up.

7-UP GLAZED HAM

Bake ham in oven at 325° ... 20 minutes per pound. One hour before finished, remove skin and fat and score top of ham in 1½" squares. Insert whole clove in each square. Mix one cup brown sugar and one tablespoon prepared mustard. Sprinkle and rub into ham. Baste with ½ cup 7-Up. Baste again with 7-Up each 15 minutes until finished.

Make Fish a Company Dish!

Here's an exciting new "catch" for housewives ... 7-Up as a baste for your favorite fillet. This recipe will tell you how ... your guests will love it!

7-UP FISH FILLETS

- 1 lb. fresh or frozen fish fillets
- ¼ cup 7-Up
- 2 tbsp. melted butter or margarine
- ½ tsp. salt
- Dash of paprika
- Cooked or canned asparagus, drained
- Melted butter or margarine
- 4 strips pimiento

Thaw frozen fish just enough to separate. Place fillets on greased broiler pan, 3 inches from heat. Combine 7-Up and butter; pour half over fish. Sprinkle fish with salt, paprika. Broil 5 minutes. Pour remaining sauce over fish. Place asparagus in 4 stacks on broiler pan; brush with butter and top with strips of pimiento.

Broil 3-6 minutes longer until fish flake easily and are golden brown. Makes four servings.

TARTARE SAUCE

If you like to make your own sauces, here's a good one for tartare sauce.

MIX:
1 cup mayonnaise

1 tsp. grated onion
chopped celery to your taste
sweet pickle to your taste

Special Hints...

For an added flair, serve tartare sauce in shells.

•

In broiling, basting, or pan-frying any fresh or frozen fish, use a bottle of 7-Up. See how 7-Up adds a pleasant lemon flavor and helps to eliminate unpleasant cooking odors.

Here's a Family Favorite!

Here is the baked bean recipe to top them all.

7-UP BAKED BEANS

- 1 lb. navy beans
- 2 7-oz. bottles 7-Up
- 1 can (2½) tomatoes
- 6 slices bacon—cut into small pieces
- 2 tsp. salt
- ½ tsp. pepper
- 1 medium onion—diced
- ½ green pepper—diced
- 2 stalks celery—diced
- 1 can (8-oz.) tomato sauce
- ½ cup molasses
- ⅓ cup brown sugar
- ½ cup catsup
- 1 tbsp. prepared mustard
- 1 tbsp. Worcestershire sauce

2 tsp. vinegar

1 can (2-oz.) mushroom pieces

Wash beans and soak overnight in water.

Next morning, drain water; add 7-Up, tomatoes, bacon, salt, pepper, cover and simmer 1 hour. Add onion, green pepper, celery, tomato sauce, molasses, sugar, catsup, mustard, Worcestershire sauce, vinegar, cover and simmer another hour. Then add mushrooms and turn into baking dish. Bake covered in slow oven (250° F.) for 3 or 4 hours. Remove cover and bake 1 hour longer.

With Popular Packaged Mixes!

Add lightness and airiness by using 7-Up as the liquid ingredient in any of the many popular “mixes” on the market today. Just add 7-Up in the amount of liquid called for in the recipe on the box. You will also find 7-Up a welcome ingredient for your own pastry recipes.

7-UP PANCAKES

Pancakes, wheatcakes, hotcakes ... call them what you will ... your family has a new treat in store when you make them with 7-Up.

- 1 egg
- 1 tbsp. melted shortening
- 5 oz. 7-Up
- 1 cup buttermilk pancake mix

Beat egg well, add melted shortening, add 3 oz. of 7-Up, stir in buttermilk pancake mix, add balance of 7-Up. Makes 8 pancakes.

7-UP ANGEL FOOD CAKE

Never before have you had a cake so light, so airy, so high, and with such a delightful new flavor.

Just follow the directions on the package of prepared angel food cake mix. Moisten the egg whites with the same quantity of 7-Up as your recipe calls for water. Do not chill the 7-Up, use it at room temperature.

7-UP GINGERBREAD

1 package gingerbread mix
1 7-oz. bottle 7-Up, chilled

Follow the directions for making gingerbread—but, instead of adding the amount of liquid called for in the recipe, add that amount of 7-Up. It will be the most delicious gingerbread that you have ever tasted ... and the 7-Up will do much to mellow the spices.

For Dad's "Backyard Barbecue"

7-UP BARBECUE SAUCE

Give your barbecue sauces an additional tang by using 7-Up as the liquid. Use the proved taste-tempter given below—or if you prefer, add 7-Up to your own special recipe.

- 1 7-oz. bottle 7-Up
- ¼ cup catsup
- 1 tsp. brown sugar
- 1 tsp. Worcestershire sauce
- 1 tsp. salt
- 1 tsp. vinegar
- ¼ tsp. dry mustard
- ¼ tsp. celery seed
- ¼ cup chopped onion
- dash of pepper

Mix the above ingredients. Baste ribs frequently with mixture.

Special Hint ... Here's how to bring out the flavor of your favorite barbecue meat—ribs, steak, roast, or chicken. Each time the meat is turned, baste liberally with 7-Up. It provides a special taste treat—and helps to tenderize the meat. Use 7-Up barbecue sauce as desired, when basting.

Add “Punch” to your Party!

7-UP SHERBET PUNCH

This popular punch—good the year 'round—is easily and quickly prepared.

2 qts. sherbet
24 7-oz. bottles of 7-Up

(Raspberry, pineapple, lemon, lime, orange or cranberry sherbet can be used. Try using one qt. lemon sherbet with one qt. of any other flavor.)

Put the two quarts of sherbet in a punch bowl and let stand at room temperature. Just before serving, when the sherbet is mushy, add the 24 bottles of chilled 7-Up and stir several times. Makes 50 generous servings.

7-UP FRUIT PUNCH

This unusual punch will add delightful color to your serving table. It's wonderful for serving big crowds ... like open house parties, weddings, and church socials.

3 qts. unsweetened pineapple juice
Juice of 8 lemons—or 1 six-ounce can frozen concentrated lemon juice
diluted with water according to directions on can.
Juice of 8 oranges—or 1 six-ounce can frozen concentrated orange juice
diluted with water according to directions on can.
½ cup sugar
1 cup mint leaves (optional)
1 pint fresh or frozen strawberries quartered
12 7-oz. bottles of 7-Up

Combine fruit juices, sugar, and mint leaves; chill thoroughly. Just before serving add 7-Up and strawberries. Pour over large cake of ice in punch bowl. Float thin slices of lemon or lime. Serves 60 cups.

This is Simply Delicious!

7-UP DATE NUT LOAF

This one is simply delicious—and as simple as it is delicious. You'll find that the subtle 7-Up lemon-and-lime flavor adds to the taste appeal of the loaf and, at the same time, brings a lightness to this usually heavy but delectable dessert. You can serve it with a whipped cream.

- 1 cup chopped dates
- 1 7-oz. bottle 7-Up
- 1 tsp. baking soda

Bring dates and 7-Up to a boil, add baking soda and set aside to cool.

ADD:

- 1 cup sugar
- 2 tbsp. butter

1 egg
1½ cups flour
½ cup chopped nuts
1 tsp. vanilla
pinch of salt

Beat very well—pour into loaf pan (5 × 9 × 3). Bake 1 hour in a 350° oven.

Start your Meal with These!

Here are some of the ways to give favorite fruit and vegetable juices a special zip with chilled, sparkling 7-Up.

7-UP and GRAPE JUICE

Pour ½ glass of grape juice. Add chilled 7-Up to fill the glass.

7-UP TOMATO COCKTAIL

Add ½ teaspoon celery salt to one 14-ounce can of tomato juice. Chill thoroughly. Just before serving combine two 7-oz. bottles of chilled 7-Up with the tomato juice.

7-UP and PINEAPPLE JUICE

Combine equal parts of chilled pineapple juice and 7-Up. Serve at once.

7-UP MELON BALLS

Melon and cantaloupe balls that have been marinated in 7-Up are delicious meal starters.

Special Hints...

Use 7-Up for diluting your favorite *frozen* fruit juice. Add one can of water to the frozen juice concentrate ... then follow directions on can and add sufficient 7-Up to make up the total added liquid.

•

When it's hard to get youngsters to drink orange juice, try them on orange juice reconstituted with 7-Up.

- 1 cup brown sugar
- 1 7-oz. bottle 7-Up
- ½ tsp. salt
- 2 tbsp. margarine or butter
- cinnamon or nutmeg

Cook sweet potatoes, or yams, whole (in jackets) in boiling salt water about 20 minutes. Remove from water, cool slightly and remove skins; cut into halves. In a heavy skillet, combine brown sugar, 7-Up, salt, butter or margarine, and a dash of cinnamon or nutmeg. Boil together 5 minutes. Then add sweet potatoes, place in oven and simmer gently for about 20 minutes, basting occasionally.

Skim, then pour into one large—or several individual—molds which have been rinsed in cold water. Chill until firm. Unmold to serve. Serves 10.

Makes Pastries Taste Better!

7-UP CAKE

Make a cake with contents of package mix using 7-Up instead of the liquid in the recipe! White, yellow, spice, chocolate-malt ... all flavors. You'll be amazed at how light and airy your cake is.

7-UP ICING

- 2 egg whites
- 1 cup granulated sugar
- 3 tbsp. (1¼ oz.) 7-Up
- ¼ tbsp. cream of tartar

Put all ingredients in the top of a double boiler over boiling water. Upper pan should not touch surface of water. Beat with rotary beater (hand or electric) until stiff enough to stand in peaks (about 5 minutes).

7-UP PIE CRUST

- 1 cup sifted flour
- ½ tsp. salt
- ¼—⅓ cup shortening
- 3 tbsp. chilled 7-Up (about)

Measure flour and salt into bowl. Cut in shortening with a pastry blender or fork until particles are size of small peas. Add 7-Up gradually, a few drops at a time, tossing with a fork to distribute evenly. Press into ball; allow to rest 15 minutes. Roll out on a lightly floured surface into a circle ⅛" thick.

Fit into a 9" pie plate. Trim ½" from edge of pie plate. Fold this under and flute.

Prick pastry with a fork. Bake in a hot oven (425°) about 15 minutes. Cool and fill.

•

Special Hint ... If you prefer to use a prepared pie crust mix, add chilled 7-Up instead of water. The crust will be light and deliciously flaky.

Some Handy Hints!

When baking a fruit pie (apple, berry, peach, cherry, or pineapple) sprinkle four (4) tablespoons of 7-Up over the fruit filling before putting on the top crust. The lemon-lime piquancy of 7-Up brings out the flavor of the fruit; the added moisture assures a nice plump pie.

•

For a special party touch, prepare 7-Up “icebergs” for your punch bowl. Fill a refrigerator tray with 7-Up. Freeze to mush, then place a strip of cardboard in the tray to make two blocks. Freeze until hard. Then decorate blocks with lemon slices, cherries, or mint. Float 7-Up “icebergs” in the punch; the melting “icebergs” don’t dilute the punch.

•

Dried fruits are delicious when cooked in 7-Up. Combine one pound of dried fruits and two seven-ounce bottles of 7-Up in a sauce pan. Cover and simmer until tender. Add sugar if needed.

•

Add 7-Up to your meat gravies for a fresh and zesty flavor. The gravy will be clear and greaseless—it will not require thickening with flour unless so desired.

•

Give canned fruit cocktail a special “zip”. Drain the juices from the fruit cocktail, then add 7-Up.

•

Mix chilled 7-Up and cold milk in equal parts by pouring 7-Up gently into the milk. Do not stir. The addition of 7-Up gives the milk (white or chocolate) a new flavor appeal especially pleasing to children.

Section 2. Information about the Mission of Project Gutenberg

Project Gutenberg is synonymous with the free distribution of electronic works in formats readable by the widest variety of computers including obsolete, old, middle-aged and new computers. It exists because of the

efforts of hundreds of volunteers and donations from people in all walks of life.

Volunteers and financial support to provide volunteers with the assistance they need are critical to reaching Project Gutenberg's goals and ensuring that the Project Gutenberg collection will remain freely available for generations to come. In 2001, the Project Gutenberg Literary Archive Foundation was created to provide a secure and permanent future for Project Gutenberg and future generations. To learn more about the Project Gutenberg Literary Archive Foundation and how your efforts and donations can help, see Sections 3 and 4 and the Foundation information page at www.gutenberg.org.

Section 3. Information about the Project Gutenberg Literary Archive Foundation

The Project Gutenberg Literary Archive Foundation is a non-profit 501(c)(3) educational corporation organized under the laws of the state of Mississippi and granted tax exempt status by the Internal Revenue Service. The Foundation's EIN or federal tax identification number is 64-6221541. Contributions to the Project Gutenberg Literary Archive Foundation are tax deductible to the full extent permitted by U.S. federal laws and your state's laws.

The Foundation's business office is located at 41 Watchung Plaza #516, Montclair NJ 07042, USA, +1 (862) 621-9288. Email contact links and up to date contact information can be found at the Foundation's website and official page at www.gutenberg.org/contact

Section 4. Information about Donations to the Project Gutenberg Literary Archive Foundation

Project Gutenberg™ depends upon and cannot survive without widespread public support and donations to carry out its mission of increasing the number of public domain and licensed works that can be freely distributed in machine-readable form accessible by the widest array of equipment

including outdated equipment. Many small donations (\$1 to \$5,000) are particularly important to maintaining tax exempt status with the IRS.

The Foundation is committed to complying with the laws regulating charities and charitable donations in all 50 states of the United States. Compliance requirements are not uniform and it takes a considerable effort, much paperwork and many fees to meet and keep up with these requirements. We do not solicit donations in locations where we have not received written confirmation of compliance. To SEND DONATIONS or determine the status of compliance for any particular state visit www.gutenberg.org/donate.

While we cannot and do not solicit contributions from states where we have not met the solicitation requirements, we know of no prohibition against accepting unsolicited donations from donors in such states who approach us with offers to donate.

International donations are gratefully accepted, but we cannot make any statements concerning tax treatment of donations received from outside the United States. U.S. laws alone swamp our small staff.

Please check the Project Gutenberg web pages for current donation methods and addresses. Donations are accepted in a number of other ways including checks, online payments and credit card donations. To donate, please visit: www.gutenberg.org/donate.

Section 5. General Information About Project Gutenberg electronic works

Professor Michael S. Hart was the originator of the Project Gutenberg concept of a library of electronic works that could be freely shared with anyone. For forty years, he produced and distributed Project Gutenberg eBooks with only a loose network of volunteer support.

Project Gutenberg eBooks are often created from several printed editions, all of which are confirmed as not protected by copyright in the U.S. unless a

copyright notice is included. Thus, we do not necessarily keep eBooks in compliance with any particular paper edition.

Most people start at our website which has the main PG search facility:
